WILLIAM EDWARD BURRIER  
Grand Master, 1963-64

## WILLIAM EDWARD BURRIER

William Edward Burrier, the Most Worshipful Grand Master of Masons in North Carolina, was advanced to this highest office of Masonry subsequent to his appointment to the Grand Lodge of North Carolina as Grand Steward in 1958 by the then Most Worshipful Grand Master, James Guy Johnston, of Charlotte.

Most Worshipful Brother Burrier, citizen of Charlotte and lifetime servant to Masonry, advanced to this present exalted station in the Grand Lodge in the short period of five years. Normally the period of service in the line of the Grand Lodge would require eight years but circumstances denied advancement to the office for three dedicated Masons, senior to Brother Burrier in line: the Right Worshipful Brother Lester H. Gillikin, Worshipful Andrew S. Melvin, and Worshipful J. Edward Rooker, Jr.

Our Most Worshipful Brother Burrier has been able to assume this most demanding responsibility in a shortened period due to his service and vast knowledge of Masonry. There would be few who could grasp the myriad demands of this office on such an accelerated pace, but Brother Ed's comprehensive experience and dedication to Masonry makes him the man for the job.

William Edward Burrier, was born August 12, 1905, in Baltimore, Maryland. He received his earlier education in the Baltimore City Schools and Baltimore City College and later attended Johns Hopkins University.

His first and only job, started on a part time basis in Baltimore with the New-Amsterdam-United States Casualty Insurance Company, developed into a full time position in which he served in various parts of Maryland, Ohio, Pennsylvania, New Jersey, and New York.

He moved to Charlotte in 1938 as Assistant to the Southern Manager specializing in Surety Bonds. His knowledge and experience in this specialized field of insurance resulted in his being asked to share with others. He taught this work for some ten summers in the extension division of the University of North Carolina and in Charlotte.

In May, 1961 he resigned his position as an executive of the Southern Division of the United States Casualty Company to assume the position of Secretary of the Carolina Consistory, the Charlotte Scottish Rite Bodies.

Ed met Miss Helen White in Baltimore in the first grade and things took a serious turn when he was 17, seven years later in 1929 he married Helen. They have two lovely daughters, Joyce Lee, the wife of Rev. David Riffe of the Wesleyan Foundation of the Methodist Church, now living in Forsyth County; and Judith Ann, a sophomore majoring in religion in High Point College.

The Burriers are members of the Myers Park Methodist Church and a little of the space left in their home at 2733 Picardy Place by their daughters is filled by a 90 pound, six year old tri-colored collie named Jeff. Brother Ed counts among his hobbies reading in the areas of travel literature, religions, history, and he is a genuine four star devotee of the detective novel. His first real and longlife hobby, which has developed into a profession, is Masonry.

He was raised a Master Mason in Magnolia Lodge No. 20 in Columbus, Ohio, where he also began his York Rite work. He was

created a Noble in Almas Shrine Temple in Washington in 1937, following receiving his 32 degrees in the Washington Scottish Rite Bodies.

Brother Charles Bundy of Charlotte spotted his Masonic inclinations and talked him into demitting his Masonic connections elsewhere. He was affiliated with Phalanx Lodge No. 31 in 1942 and served as Master in 1951. He completed his York Rite work in the Charlotte Bodies. In addition to having served each of the principal bodies in York and Scottish Rites as Master, he has been awarded the high honors in these bodies, the KYCH of York Rite and the 33rd Degree of Scottish Rite. He is currently serving as Outer Guard on the Oasis Shrine Temple Divan, having been appointed to that position by the Illustrious Potentate of Oasis Temple, Ralph Hood of Charlotte.

One of the stalwarts in the development of the Shrine Bowl Game, the late Noble Bill Brinkley brought Ed into the promotion to speak at various meetings for the crippled children hospital movement. He served as General Chairman of the 1953 and 1954 games and was voted a Life Member of Oasis Temple in 1954 in recognition of his illustrious service. He holds honorary memberships in many Masonic organizations as well as his many active affiliations.

It has been estimated that the branches of the tree representing Masonry run into the hundreds. Not unlike the giant redwood whose roots extend back into the history of the land thousands of years, the massive trunk of the tree representing Masonry has its life's beginning in early history. Over the years new branches have budded and grown, seeking for its leaves the life sustaining sunlight. Over the years the leaves wither and return to the soil. Many branches cannot flourish and they too are shorn off by the forces of time to be replaced by others. The main trunk of Masonry and its major branches stand strong to these forces, adjust to the wisdom of every age, and heals itself just as the redwood recovers from a fire wound. To try to catalogue the times of the leaves and the branches would be useless.

So it would be, to attempt to list the details of our Most Worshipful Grand Master's affiliations and services to the branches of Masonry flourishing today. Suffice it to say that his service represents a love for each portion of the structure of Freemasonry, and his elevation to the office of the Most Worshipful Grand Master of the Ancient, Free and Accepted Masons of North Carolina attest to his devotion to its lessons and ideals, and its members everywhere.

**EMERGENT COMMUNICATIONS OF THE GRAND LODGE**

Emergent Communications of the Grand Lodge have been held as follows:

November 24, 1962, at Sparta, for the purpose of dedicating the new Masonic Temple of Sparta Lodge No. 423, A.F. & A.M.

February 8, 1963, at New Bern, for the purpose of laying the cornerstone of the new Temple of the New Bern York Rite Bodies.

**APPRECIATION**

Again, I am grateful to so many persons for their counsel, advice and help during the year 1962. I am especially indebted to Most Worshipful Brother CHARLES CARPENTER RICKER for his sympathetic understanding of the tribulations of a Grand Secretary's office. Our Grand Master has done a magnificent job throughout our Grand Jurisdiction and he deserves the plaudits of the entire Craft in North Carolina.

As most of you know, we now have a fine young man in our office as Assistant to the Grand Secretary. He is Worshipful Brother ROBERT P. DUDLEY, Past Master of Cleveland Lodge No. 202 and Past District Deputy Grand Master of the 43rd Masonic District. "Pete", as he is affectionately known by countless thousands, is doing a grand job in this office and we are exceedingly fortunate in having been able to persuade him to move his family from Shelby to Raleigh and tie in with us. I am most anxious for every Mason in North Carolina to know this fine young man.

I am about to run out of superlatives in describing to you my feeling and my appreciation of the GRAND SECRETARY'S OFFICE STAFF. If such a thing is possible, they may eventually make me a good Grand Secretary because they are the finest, the most hard-working, and the most efficient group with whom I have ever been associated.

Respectfully submitted,

CHARLES A. HARRIS, P.G.M., *Grand Secretary*

**REPORT OF THE AUDITOR**

(Docket No. 3)

The following report of Brother Walter A. Watts, Certified Public Accountant, Auditor, was presented, entered on the record and referred to the Committee on Finance:

*To the Most Worshipful Grand Lodge of North Carolina:*

Copies of my report for the year ended December 31, 1962, have been delivered to the Grand Secretary. Separate copies were mailed to the Superintendent of the Masonic and Eastern Star Home and to the Business Manager of the Oxford Orphanage.

Your attention is directed to the reports for my opinion of the financial position of the Grand Lodge, the Home, and the Orphanage as of December 31, 1962, and the results of their operation for the year then ended.

All financial records were well kept and in excellent condition.

Respectfully submitted,

WALTER A. WATTS, C.P.A., *Auditor*

**REPORT OF THE CODE COMMISSION**

(Docket No. 4)

The following report of the Code Commission was received and entered on the record, referred to the Committee on Masonic Jurisprudence and to the Committee on Finance:

*To the Most Worshipful Grand Lodge of North Carolina:*

**ITEM I**

At the annual communication of the Grand Lodge in 1958 four amendments to THE CODE were adopted, effective April 17, 1958. See report of the Committee on Masonic Jurisprudence, Docket No. 44, Proceedings 1958, pages 190 and 191. They were printed and promulgated on June 7, 1958. These amendments are identified as Regulations 50-01 (Art. 19), 61-01 (1), and 97-02 (26) and they were reported by us as will appear in the Proceedings of 1959, page 63, Docket No. 4.

**ITEM II**

No amendments were made in 1959 and 1960.

**ITEM III**

At the annual communication of 1961 four amendments to THE CODE were adopted, effective April 19, 1961, and they are identified as Regulations 30-06 (1), 84-22, 88-01, 88-04 (1). See Proceedings 1961, page 71, Docket No. 4, page 89, Docket No. 23 and page 164, Docket No. 49.

**ITEM IV**

At the annual communication of 1962 six amendments were adopted, effective April 18, 1962, and they are identified as Regulations 30-03 (1), 30-06 (1), 63-10, 64-07, 82-12 (1, 2, 2a) and 88-06. See Proceedings 1962, pages 82, 83, 84, 85 and 86, Dockets No. 7, 8, 9, 10, 11, and 12.

**ITEM V**

Two thousand copies of the amendments of 1961 and 1962, as identified above in Items III and IV, were printed and all copies were shipped to the office of the Grand Secretary at Raleigh, on December 5, 1962.

**ITEM VI**

The foregoing report covers all of the amendments to THE CODE including matters that have been adopted by the Grand Lodge since the complete revision of THE CODE made in 1957, and serves to bring up to date, for quick reference, all enactments of the Grand Lodge since 1957 affecting THE CODE.

We need to know the number of copies of Volume III that should be printed, also we need to have funds with which to do this work.

#### ITEM VIII

No other matters were referred to us during the year.

Respectfully submitted,

CHARLES B. NEWCOMB, P.G.M., *Chairman*

EMERY B. DENNY, P.M.

J. GILES HUDSON, P.G.M.

In addition to the ten lodges reported above, the Commission has received inquiries from eight lodges concerning the procedure required under Regulation 49-05, as amended April 17, 1957, as it relates to lodge building programs; and, in every case, we have promptly furnished detailed information and proper forms on which to file applications.

3. Under the provisions of Chapter 36 of THE CODE, it has not been necessary for the Commission to hold a meeting or organize because the Grand Master names our Chairman, and our business has been conducted by correspondence as permitted under Regulation 36-02.

## REPORT OF THE SPECIAL COMMITTEE ON THE GRAND LODGE LIBRARY

(Docket No. 7)

The following report of the Special Committee on Grand Lodge Library was presented and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

The Grand Lodge Special Library Committee appointed by the Most Worshipful Grand Master, Illustrious Brother Charles C. Rick-er, is pleased to submit the following report and recommendations:

In our report to the Grand Lodge at the last annual communication, we reported that we had found approximately twelve volumes of the very valuable old minutes and proceedings of the Grand Lodge in most urgent need of repair and which were at that time in process of being repaired by expert binders.

We are pleased to report that since the last annual communication of the Grand Lodge, all these books have now been rebound and are in excellent condition.

We have learned, upon consulting expert binders, that they recommend all the old large bound volumes of the Grand Lodge proceedings be stacked flat upon the library shelves rather than be placed in an upright position which would contribute to the life of the bindings and proceedings within these volumes. This recommendation is being passed on to the Grand Secretary's office.

We wish to thank the Grand Secretary for his cooperation with the Library Committee in carrying out our recommendations.

We again most heartily recommend to the Craft throughout the State to take time out to visit their Grand Lodge Library when they are in Raleigh, which is located in the Executive Offices of the Grand Lodge.

Respectfully submitted,

**REPORT OF THE COMMITTEE ON THE  
 MASONIC AND EASTERN STAR HOME  
 OF NORTH CAROLINA, INC.**

(Docket No. 9)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Incorporated, was presented, received and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

1. The Committee on the Masonic and Eastern Star Home, Inc., met at the Home in Greensboro, on Saturday, October 20, 1962, in conformity with Regulation 38-16 of THE CODE.

2. We were met by Brother Troy G. Robbins, Superintendent of the Home, in his office.

3. The Report of the Auditor was examined and discussed in detail. Brother Robbins answered any and all questions any member of the Committee would ask. It was noted that the Auditor's Report stated that all fiscal accounting was in excellent order.

4. All Buildings are amply insured, including ample coverage on the new building.

5. Following lunch, Brother Robbins conducted the Committee on an inspection tour of the entire plant, including the new dormitory building, now under construction. This building is of fire proof construction throughout. The new building will house an additional twenty-five (25) Guests, and will be completed and occupied by January 1, 1963. The Masons of North Carolina can be justly proud of this addition to the Home.

Brother William N. Price, Sr., Business Manager and Treasurer for the Home, is doing a magnificent job and, according to Brother Troy G. Robbins, has relieved Brother Robbins of many details in the management of the Home.

The Masons of North Carolina are grateful to Brother Troy G. Robbins for his dedicated service to the patrons of the Home. He is busily engaged at all times, improving the facilities, looking to the continued welfare and betterment of the Guests. Truly his is a labor of love and a ministry of devotion.

The Committee respectfully suggests that each Mason visit the Home and observe for themselves this wonderful institution. There is an increased interest in the Home, not only from those who are potential Guests, but from those who support it.

Respectfully submitted,

ARNOLD J. KOONCE, S.G.D., *Chairman*

WILLIAM W. MIMS, JR., P.M. (530)

THOMAS G. SLATE, P.M., C.L. (8)

GEORGE W. CONRAD, P.M. (357)

P. S. The Committee notes with sorrow the death of Brother Thomas R. Easterling, who died in Duke Hospital on October 26th. We extend our sympathy to his family and many Masonic Brethren.

### REPORT OF THE SPECIAL COMMITTEE ON ORGANIZATION OF NEW LODGES

(Docket No. 10)

The following report of the Special Committee on Organization of New Lodges was presented and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

This Committee was appointed following the Annual Communication in 1962 and, although the results for this first year may not be visible, yet we believe that some progress at least has been made because there are now several localities in our State that are working toward the organization of new lodges.

The Grand Secretary of the Grand Lodge of Indiana, who is also a Past Grand Master of that Grand Jurisdiction and is honoring us with his presence at this Annual Communication, has said that one of the most serious trends in American Freemasonry is the development of the oversize, impersonal lodge.

Brother Smith cites some interesting facts about the average size of lodges throughout the world, and asked questions: "Are we not worshipping at the altar of bigness?" He states that the average membership of lodges in the United States is about 252. It is interesting to note that in North Carolina as of December 31, 1962, the average membership was about 174, and that the membership of our smallest lodge was 26, while that of the largest was 1124. Fourteen of our lodges boast of 600 or more members, two of them having over 800 and one having 953.

According to Brother Smith, the average membership of lodges in Germany is 53; in Mexico, 70; in England, 80; in Scotland, 85; in Puerto Rico, 92; in the seven jurisdictions of Australasia, 117; and in the nine in Canada, 166.

We have observed that in our smaller lodges in North Carolina there appears to be no attendance problem. We know of some of these lodges that average 50% to 60% attendance the year around. We believe that it is only the lodges with memberships of 300 to 400 and over that have this problem. Brother Smith says in his article that the small lodges overseas have little or no attendance problem. He

says they receive a *summons* to attend their lodge, and they attend because it is worth attending, and because the membership is small enough that there is a closely-knit unit—a community of interest, if you please.

In reading the old minutes of some of our North Carolina lodges we find that our brethren in by-gone days felt that a notice of a lodge meeting was the equivalent of a summons to attend lodge, and many of them would travel for miles in the worst kind of weather and under the most difficult circumstances, just to mingle with the brethren. Today it appears that most members do not even bother to “step across the street”, so to speak, to attend their lodges.

Your committee promises to continue to exert every possible effort toward the organization of new lodges.

Respectfully submitted,

JAMES W. BREWER, P.G.M., *Chairman*

### **REPORT OF THE COMMITTEE ON UNFINISHED BUSINESS**

(Docket No. 11)

The following report of the Committee on Unfinished Business was received and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

Your Committee wishes to report that there remains no unfinished business.

Respectfully submitted,

HARRISON KAUFFMAN, P.M., *Chairman*  
Committee on Unfinished Business

### **REPORT OF GRAND MASTER'S COMMITTEE ON DeMOLAY**

(Docket No. 12)

The following report of the Grand Master's Committee on DeMolay was presented and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

Your committee on DeMolay in North Carolina wishes that it could report a year of good work and much accomplishment. However, such is not the case.

Due to the newness of the endeavor and the great distance between the members of the committee from the five (5) Masonic Areas, we were unable to meet as a body and all communications were by mail. However, the Grand Lodge was represented by the Chairman of the Committee at the DeMolay Annual State Conclave held in Raleigh and at the Council of Deliberation held in High Point. On both of these occasions your Chairman was privileged to speak to those Masons in attendance as Advisors of Chapters or Representatives of the Supreme Grand Council. You may be assured that our DeMolay boys are now aware of the support being given by the Grand Lodge and are most appreciative.

Observations by your Committee would indicate that more could be accomplished and Grand Lodge's purpose in its relationship with DeMolay could best be effected by a committeeman from each Masonic District rather than from each Masonic Area being appointed.

For your information the Budget for the State Association amounts to \$1,550.00 which is met in the following manner: Per Capita tax \$850.00, York Rite Gift from Grand Chapter \$200.00, and gift from the Grand Lodge \$500.00. The \$1,350.00 budgeted provided only for minimum requirements.

The State Association needs more funds. However, if Grand Lodge increases its gift it might be well to earmark the funds so that they could be used only for the furtherance of DeMolay in North Carolina by means of trophies at State Conclave or defraying some of the expenses necessarily expected at the State Conclave.

Respectfully submitted,

NATHAN P. STRAUSE, P. M., C. L., *Chairman*

**"A DIGEST OF THE MASONIC LAW  
OF NORTH CAROLINA"  
REPORT AND RESOLUTION**

(Docket No. 13)

W. Brother Louis Shrier, P.M., read the following report and resolution which were, upon motion, received and adopted and referred to the Code Commission, to the Committee on Masonic Jurisprudence and to the Committee on Finance:

*To The Most Worshipful Grand Lodge of North Carolina:*

At a meeting of the Board of General Purposes in Raleigh, N.C., March 8, 1963, we presented the matter of printing the Third Volume of A Digest of the Masonic Law of North Carolina to include the years 1926 through 1962, with a consolidated index for all three volumes. We now have reference to the order of the Grand Lodge at the Annual Communication of 1953, Pro. pp 57 and 166, that a Third Volume of that Digest be compiled and printed.

We reported that we have on hand about 574 copies of Volume 1 and about 235 copies of Volume 2 of that Digest, and we suggest that in the event the Third Volume is printed, it would be almost a necessity that sufficient copies of Volume 1 and Volume 2 be also printed to bring the totals of each Volume to the same total of Volume 3, as it may be printed; that is to say, if 2,000 copies of Volume 3 are printed, then we should print about 1,426 copies of Volume 1 and about 1,765 copies of Volume 2, making the same total copies for each of the three volumes.

Also, full consideration should be given to loose-leaf binding, putting the three volumes in one. We suggest that some definite action should be taken to get this matter out of the way because there are several details remaining to be cleared up, and while we do not ask for an appropriation for printing right now it may be necessary to have about \$100.00 available if needed for this particular job. Later on, when bids for the job can be called for, we will have more accurate figures as a guide to the cost.

We recommend the adoption of the following resolution:

**BE IT RESOLVED:**

1. That the Third Volume of "A Digest of the Masonic Law of North Carolina" for the years 1926 through 1962 be printed.

2. That a consolidated index for Volumes 1, 2 and 3 be included.

3. That consideration be given to a loose-leaf binder for all three volumes in one.

4. That 2,000 copies of Volume Three and the index; about 1,426 copies of Volume 1 and about 1,765 copies of Volume 2 be printed.

5. When specifications and other details are prepared for requesting bids, this subject is to be considered further at that time as to cost to complete the job.

6. That the Code Commission be authorized and directed to proceed as promptly as possible to carry out this resolution.

The foregoing resolution was approved as to policy by the Board of General Purposes at its meeting March 8, 1963, in Raleigh.

Respectively submitted,

CHAS. B. NEWCOMB, P.G.M., P.G.S.

(NOTE: This resolution was adopted. SEE report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42, of these Proceedings for action taken. ## REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 15)

M. W. Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, presented the following report, which was read, entered on the record and referred to the Committee on Finance:  
*To the Most Worshipful Grand Lodge of North Carolina:*

The fifty-third annual convention of the George Washington Masonic National Memorial Association was called to order in the beautiful Memorial at Alexandria, Virginia, February 22, 1963, with the President, Most Worshipful Brother John H. Hesse, Past Grand Master of Maryland, presiding. After the usual welcome by the Grand Master of Virginia and greetings from the Master of Alexandria-Washington Lodge, the distinguished guests were recognized. These guests had come from almost all over the free world.

The principal item of business for this session was the report of the President. President Hesse reported on the excellent condition of the Memorial, and on the progress that is being made to increase the endowment fund by encouraging the adoption by the various member states of what has become known as the "Pennsylvania Plan." North Carolina, of course, is participating in this plan, and a report on the status of the campaign in our Grand Jurisdiction as of the present time will be incorporated in this presentation.

Masons in North America have a tremendous equity in the Memorial, because it is a monument that now carries a replacement value in the amount of fourteen millions of dollars. The Memorial is complete, and yet it must be maintained, and the maintenance is a constantly increasing figure. Pending North Carolina's completion of its campaign, it is recommended that we continue our usual contribution of \$1,000.

Equal in importance, however, with the necessity for continued contribution is the need for publicity, for letting our people know what we have. Amazing though the statement may be, there are many, many Masons in North Carolina who have little or no knowledge of this Memorial. And yet, the Memorial Association itself has a quantity of program materials that can be made available to any lodge making a request. This program material includes some very beautiful 35 mm. slides with a talking accompaniment to be had at no cost at all other than the return postage. These make a very enlightening, entertaining program for any lodge. It is to be noted also that some of our lodges in North Carolina have made group visits to the Memorial, and have spent several fascinating hours beholding what Masons in this country have done to keep alive the memory of a great man, a great Master Mason, the father of our country.

Respectfully submitted,

ROBERT L. PUGH, P.G.M., *Representative*

(NOTE: See Docket No. 38 on Page 140 for the listing of the lodges that have participated 100% in our George Washington Memorial Fund. CAH, PGM, GS)

**RESOLUTION BY THE REPRESENTATIVE TO THE  
GEORGE WASHINGTON MASONIC NATIONAL  
MEMORIAL ASSOCIATION**

(Docket No. 15-A)

M. W. Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, presented the following resolution which was read, adopted and referred to the Committee on Finance:

*To the Most Worshipful Grand Lodge of North Carolina:*

WHEREAS, at the annual communication of our Grand Lodge held on April 18, 1961, Proceedings pages 83 through 86, as Docket No. 19, and at the annual communication held on April 16, 1962, Proceedings pages 92 and 93, as Docket No. 21, the undersigned reported on matters pertaining, among other things, to the perpetual Memorial for the Endowment Fund to support, maintain and operate the George Washington Masonic National Memorial Association, hereinafter called Association, reference being hereby made to those reports, and

WHEREAS, those reports should be clarified only as to the particular items hereafter set forth,

NOW BE IT RESOLVED, That the Grand Lodge of North Carolina, A.F. & A.M., hereby concurs in the program to request each member of each of its subordinate lodges on the roster of his respective lodge at low twelve December 31 of the years 1961, or 1962, or 1963, 1964, or 1965 to make a voluntary contribution of ONE DOLLAR as a gift to the Endowment Fund of the said Association. This gift may be made in one payment of \$1.00, or it may be paid in annual installments that would complete the payment in full on or before Low Twelve December 31, 1965.

This program begins with the membership of each lodge as of Low Twelve December 31, 1961, and expires at Low Twelve December 31, 1965. All payments must be paid promptly to enable our Grand Secretary to close out the account completely before February 10th, 1965.

The member should make his payments to the secretary of his lodge, who will promptly make a record of it and forward the payment to our Grand Secretary.

All receipts for this project by the Grand Secretary shall be deposited in a special fund, known as "Contributions to the Endowment Fund of George Washington Masonic National Memorial Association."

A gift made under this resolution shall not be considered in any manner as a per capita tax or any other tax, but as a voluntary donation.

A full and proper accounting of all the income, increase and expense incurred, if any, shall be made annually to our Grand Lodge and a copy of the same shall be filed with the said Association.

No part of these funds shall be in any way mingled with the funds or money due to belonging to either a lodge or to the Grand Lodge, but they shall be kept separate and apart therefrom, and always subject to payment upon demand by the said Association.

At the end of the term of this project, which is to say Low Twelve on December 31, 1965, or sooner if demanded by the said Association, this special fund shall be liquidated on or before February 10, 1965, by full payment to the said Association of all moneys including all interest or increase, received for this account.

The past and present status of these particular matters shall be promptly brought, as far as possible, into agreement with this resolution.

This resolution becomes effective upon its adoption and it repeals all prior resolutions or enactments that are in conflict therewith, to the extent of such conflict.

(NOTE: This resolution was *approved* by the Committee on Finance. See Report of Committee on Finance at Docket No. 40, on Page 148, under item 4. CAH, PGM, GS.)

### **REPORT OF THE COMMITTEE ON MASONIC CEREMONIES AND MISCELLANEOUS PUBLICATIONS**

(Docket No. 16)

M. W. Robert L. Pugh, PGM., *Chairman*, presented the following report of the Committee on Masonic Ceremonies and Miscellaneous Publications which was adopted, with that portion of the report which involved finances being referred to the Committee on Finance:

*To the Most Worshipful Grand Lodge of North Carolina:*

Since the Grand Lodge felt that it should embark upon a more enlarged program of Masonic information for the lodges of North Carolina, and since practically all of this responsibility was assumed during the year 1962 by the Special Committee on Masonic Research and Education, the Committee on Miscellaneous Masonic Ceremonies restricted its activities pending the development of an educational program by the Committee on Masonic Research and Education.

The committee on Miscellaneous Masonic Ceremonies recognizes, however, that there still may be a need during the year 1963 for a minimum of activity, and it therefore is asking that a sum of \$400 be reserved for such use as the Committee sees fit.

Respectfully submitted,

ROBERT L. PUGH, P.G.M., *Chairman*  
W. EDWARD BURRIER, *Deputy Gr. Master*  
CHARLES H. PUGH, P.G.M.  
CHAS. A. HARRIS, P.G.M., *Gr. Secretary*  
ARMON E. BAGGETT, P.M.

(NOTE: The \$400.00 requested was approved by the Committee on Finance and is included in Budget Item J-8 of the Report of Committee on Finance. SEE Docket No. 40 on Page 148 of these Proceedings. CAH, PGM, GS.)

## REPORT OF THE REPRESENTATIVE TO THE MASONIC SERVICE ASSOCIATION OF THE UNITED STATES

(Docket No. 17)

M. W. Robert L. Pugh, P.G.M., Representative to the Masonic Service Association of the United States, presented the following report, which was read and entered on the record. The recommendation that the Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted *unanimously*, and the matter of finances referred to the Committee on Finance.

*To the Most Worshipful Grand Lodge of North Carolina:*

The forty-fourth annual meeting of the Masonic Service Association of the United States was held in the South American Room of the Statler Hotel, February 19, 1963, at nine thirty o'clock in the Capital City of our country. The meeting was called to order promptly by Most Worshipful Brother William T. Sturtz, Past Grand Master of Minnesota and Chairman of the Masonic Service Association. After the invocation by the Reverend Edward G. Latch, Grand Chaplain of the District of Columbia, the secretary called the roll of the member Grand Lodges and a welcome was thereafter extended by Most Worshipful Brother Charles B. Gilley, Grand Master of Masons in the District of Columbia. The principal item of the program, and the one with which this report shall be concerned, however, was the report of the Executive Commission, which was presented by Brother Sturtz, the chairman of the Commission. His report was as usual divided into two parts: First, the general activities of the Association; and second, the program of Hospital Visitation.

It was noted with pleasure that another Grand Lodge had joined the Association in 1962. On January 24, 1962, the Grand Lodge of Colorado voted to apply for membership. The Association now has the largest membership in its history, being composed of 42 Grand Lodges. A note of sadness was injected into the meeting when Brother Jack Cunningham, the popular and able Executive Secretary of the M. S. A., tendered his resignation. It no doubt was one of the most difficult assignments that Brother Cunningham had ever been given, and he did so with much reluctance and regret, assuring the brethren that because of ill health, he now wanted to step aside and to spend the remainder of his time visiting those throughout the country with whom he had been associated and whom he had come to love. Brother Cunningham has been one of the stalwart servants of Masonry, carrying on his job in a most effective manner and creating Masonic good will everywhere he went. To know him was to love him, and there is no one who has ever felt the charm of his warm personality but wishes for him the very best that life can grant. Brother Cunningham's place was taken by another most able Mason, a man of keen intellect and depth of understanding, a man who has already served our Association well as our Editor, Most

Worshipful Brother Conrad Hahn. We have no reservation in predicting that Brother Connie will prove a most worthy successor in the position to which he has been elected. Certainly, he has our wholehearted support and our prayers for his administrative success.

Twelve different titles of the SHORT TALK BULLETINS were issued by the Association during 1962. These bulletins were well received and many of the lodges are using them in the preparation of program material. The Association also continued to issue its DIGEST and special reports. The Association has much valuable program materials which it is happy to make available to lodges who request it.

The Hospital Visitation Program continued to exemplify the great heart of Masonry in a manner easily recognized and greatly appreciated by those who have no other contact with us. The extremely limited finances of the Association still prevent the expansion of this program to include areas that are desperately in need of its service.

North Carolina has at the present time two M.S.A. hospital representatives, one who takes care of the hospitals at Camp Lejeune, Fayetteville, and Fort Bragg; and the other who takes care of the hospital at Oteen, which also includes a division at Swannanoa. Numerous bedside visits to sick Masons are made in North Carolina, and, as usual, the cost of such service to the Association for this great humanitarian program far exceeds the amount contributed by North Carolina to the Masonic Service Association for this purpose. Thus North Carolina in no true sense of the word is adequately supporting this great program, a program which is a beautiful example of Masonry in action and one which must be continued at all costs.

In North Carolina during 1962 our two hospital visitors made 7,099 bedside visits to Masons in the veterans' hospitals. Anyone desiring a deep appreciation of the services that are provided through this program has only to arrange for a visit with one of our hospital visitors. Such a visit will prove most inspiring indeed. This Hospital Visitation Program is financed by voluntary contributions resulting from appeals by the Grand Lodges and also by direct assessments to the membership, as well as by contributions from Grand Lodge funds.

It is recommended that the Grand Lodge of North Carolina continue its membership in the Masonic Service Association with a payment of dues which have been in the amount of approximately \$1,550, and that we furthermore continue our participation in the Hospital Visitation Program by allocating the sum of \$3,000 for this purpose in the budget for the coming year. Both of these items are the same amount as was provided in our budget for the preceding year.

Respectively submitted,

**REPORT OF THE SPECIAL COMMITTEE ON  
RESEARCH AND EDUCATION**

(Docket No. 18)

M. W. Brother Robert L. Pugh, P.G.M., *Chairman*, presented the following report of the Special Committee on Masonic Research and Education which was adopted, with that portion of the report involving finances being referred to the Committee on Finance:

*To the Most Worshipful Grand Lodge of North Carolina:*

Pursuant to the action taken by the last Grand Lodge meeting in Raleigh, the Special Committee on Masonic Research and Education, as had been recommended by Past Grand Master James W. Brewer, was appointed by the Most Worshipful Grand Master. Four of the committee members are ex-officio officers with full rights of membership: the Grand Master, the Grand Secretary, the Grand Lecturer, and the Chairman of the Board of Custodians. The other five members appointed by the Grand Master are as follows: Robert L. Pugh, PGM, Chairman; Worshipful Brother Fred Trethewey, Charlotte; Worshipful Brother Sinclair Tebo, Winston-Salem; Worshipful Brother Herman T. Green, Dunn; Worshipful Brother, A. D. Leon Gray, Oxford.

This committee began its labor during the year and agreed that it would do two things on an experimental basis to explore the possibilities of developing interest among the membership in North Carolina. First of all, it adopted a series of four booklets or pamphlets which are being used with tremendous success by several of the Grand Lodges in the United States, and which the committee adapted to use in North Carolina. These pamphlets are entitled, **ON THE THRESHOLD, THE ENTERED APPRENTICE, THE FELLOW CRAFT, THE MASTER MASON**, and were printed and distributed to the lodges. The first printing of these pamphlets has been exhausted and another printing now becomes necessary. They have been well received and a number of the brethren have been highly complimentary of the potential benefits of these pamphlets.

The committee also decided that it would publish a series of promotional letters to be sent to each lodge in the state. These letters would be issued one per month and would be composed of three parts: 1. instructions and other information from the committee; 2. a message from the Grand Master; and the third part to consist of a program for that particular month. Six of these letters have been, or are being, prepared. As of this hour, four of these have now been distributed to the lodges. Unfortunately, the first three of the letters were somewhat late in distribution, and for that reason perhaps the lodges did not reap the maximum benefit from them. This difficulty was successfully overcome in the fourth letter, and it is hoped that succeeding letters will reach the lodges in ample time for practical use.

This full program of research and education is a tremendous one. Grand Lodges throughout the world are exploring every possibility,

hoping that in some way additional means of creating interest and inspiration among the members can be found. The program has a tremendous potential, and the committee would like to continue its efforts, hoping that through this means some method can be found whereby renewed interest in Masonic activities can be realized. For this purpose it is asking that the sum of \$2,500 be reserved for use during the year.

## REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, Incorporated

(Docket No. 19)

The Board of Directors of the Masonic and Eastern Star Home of North Carolina, Incorporated, presented the following report which was read by M. W. Brother Charles A. Harris, P.G.M., Grand Secretary, entered on the record, and referred to the Committee on Finance and to the Committee on Masonic and Eastern Star Home:

*To the Most Worshipful Grand Lodge of North Carolina:*

During the past forty-eight years your Home has given the necessities of life, plus a few luxuries, to five hundred forty-two deserving people. Last year we admitted twenty-three new Guests though we only lost fourteen by death. Since we began the year with seventy-nine Guests, our facilities were expanded which made it possible for us to close the year with an enrollment of eighty-eight. At the year's end we were utilizing our infirmary to the limit though the daily average of patients for the year was only twenty-two. We hospitalized eighteen of the forty-eight infirmary patients and paid for two hundred eighteen days of hospital care, which amounted to \$6,124.02. Since our new west wing building was not completed until the 15th of December, we were not able to bring in the twelve Guests which would have given us a capacity enrollment of one hundred. Since January of the new year has passed, we are happy to tell you that we admitted these twelve persons and reduced our waiting list to seven approved applicants which is the lowest number we have had for the past five years.

Pursuant to the adopted resolutions of both Grand Bodies, our new west wing was completed on schedule as per contract cost of

\$126,947.20, including Architect's fee but excluding furnishings. The Masons' share of this expansion program, \$76,168.32 was paid from the Masonic Reserve Fund, leaving a current balance in the Masonic Reserve Fund of \$90,759.02. The thirty rooms and three offices are being furnished by memorial gifts of \$500.00 each from Lodges, Chapters or fraternally associated individuals. The 40% share of the cost of the new addition amounting to \$50,778.88 was underwritten by the Eastern Stars of North Carolina.

The response to the needs of the Home by the Masons and Eastern Stars was wonderful indeed. Our operating income receipts for the year was 17.2% greater than for the previous year. The Thanksgiving offering from the Subordinate Lodges was 15.4% higher than for 1961. Of course, our per capita operating cost increased from \$1,636.16 for 1961 to \$1,843.72 per guest for 1962. The average daily enrollment of guests in the Home was 80.

The Sunshine Fund furnished by the Eastern Stars and friends and The Carson York Rite Fund furnished by the Grand York Rite Bodies makes it possible for the Guests to have daily papers, magazines, extra sweets and bus fare which adds more joy and happiness to living at the Home.

Be assured that your Board of Directors intend to work even at a sacrifice for the progress of the Home and appreciate the opportunity of serving in this capacity. The most generous support of the Home by the Masons of North Carolina and others is deeply appreciated by all who live and work therein.

#### REPORT OF THE BOARD OF DIRECTORS OF OXFORD ORPHANAGE, Incorporated

(Docket No. 20)

The Board of Directors of Oxford Orphanage presented the following report, which was read by M.'W.'Brother

William J. Bundy, P.G.M., received, entered on the record, and referred to the Committee on Finance:

*To The Most Worshipful Grand Lodge of North Carolina:*

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent and the Departments of the Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the local Advisory Board in Oxford held their meetings and made full report to the Board of Directors.

We greatly appreciate the support of the State of North Carolina and the approval and increased support of the Duke Endowment Corporation.

We are most grateful for the tremendous interest and the magnificent response made by the Orphanage committees, the officers and members of the local lodges. Through their response to our call of need and through the generosity they expressed in the Thanks-giving-Christmas contributions, we were able to complete our year within our budget without any debt. We can now turn our full attention to the great need of making plans for the improvement of our children's cottages so that we may furnish them with a more wholesome, homelike life in our Orphanage. All of our buildings are adequately covered by insurance.

Again we urge each Mason to visit our Orphanage and share the life of our children and thereby find a spiritual joy in the glorious work we are accomplishing together.

During the year 1962, our Orphanage was almost filled to capacity. We closed the year with an enrollment of 306 children. We have children from sixty counties of which seventy are Masonic related children.

We highly commend Brother A.D. Leon Gray, Superintendent, his assistants and staff for their dedicated efforts in this great work, and we call attention to the fact that here are some of the wages of a Master Mason.

We recommend that the Grand Lodge appropriate the same amount for the support of the Orphanage for the year 1963.

Respectively submitted,

**W. BROTHER WILLIAM FRANKLIN WELLMAN, P. M.**

Andrew Jackson Lodge No. 576, A.F. & A.M.

(Docket No. 25)

M. W. CHARLES C. RICKER, *Grand Master*: "At this time, I would like to ask Most Worshipful Brother J. Giles Hudson, Past Grand Master, of Salisbury, to conduct west of the altar our own beloved 'Pop' Wellman, as he is so affectionately known to us 'Tar Heels'—W. F. Wellman of Salisbury."

M. W. J. GILES HUDSON, P.G.M.: "Most Worshipful Grand Master, it is with a distinct pleasure and honor that I present to you Brother William Franklin Wellman, the most beloved Mason in Rowan County."

M. W. CHARLES C. RICKER, *Grand Master*: "Thank you, Most Worshipful Sir. Brother Wellman, it is a high privilege to be a Master Mason for twenty-five years; it is an even greater privilege to be a Master Mason for fifty years; but to be a Mason for sixty years is a privilege that comes to but few men. Sixty years in the sight of God, or in the annals of history, is a comparatively short time, but sixty years in a man's life after he has attained the age of twenty-one is self-evidence of his exemplary way of living. We are aware that the past sixty years have been the fastest moving years in the history of the world. You, my Brother, have been a member of the Craft for sixty or more years and have seen more things happen faster than any mortal man before your time, yet during this period, you have not only kept abreast of the times, I am sure, no doubt in addition have played an important part in each new development. The scriptures tell us that we are allotted three score years and ten, but by reason of your strength and the will of God, and I doubt not that by reason of your conformity to the principles of Masonry, you have exceeded that allotment and have the prospect of many more useful years ahead. A man's life, it has been beautifully said, is laid in the loom of time to a pattern which he cannot see, but God sees it, and his heart is like a shuttle struck alternately back and forth carrying the bright threads of sorrow and despairs as the pattern of life is unfolded. When this life is finished, and God lifts up the finished garment, all of its changing hues are glanced out, it will then be revealed that the deep and dark colors of sorrows were as needful to the beauty of the finished garment as were the bright colors of joy. The beauty of your life, Brother Wellman, is truly one to be admired and it is only fitting that you should be so singularly honored at this time. This, my brother is the Masonic history of our beloved Brother Wellman.

M. W. CHARLES A. HARRIS, P.G.M., *Grand Secretary*: "William Franklin Wellman, born November 12, 1881, in Davie County, North Carolina. Initiated, February 20, 1903; Passed March 20, 1903; and Raised to the Sublime Degree of a Master Mason on March 26, 1903, in Mocksville Lodge No. 134, Mocksville, North Carolina. Affiliated with Andrew Jackson Lodge No. 576, in Salisbury, on July 30, 1924, the same day he demitted from Mocksville Lodge. Presented a Fifty-Year Veterans' Emblem and Certificate on April 15, 1954."

M. W. CHARLES C. RICKER, *Grand Master*: "Most Worshipful Brother Hudson, conduct our venerable Brother to the east on the right to be seated on my right.

(APPLAUSE—Music)

"And, now by the authority in me vested as Grand Master of Masons in North Carolina, I present you the Diamond Jubilee Award which I wish you to receive by your dear and life-long friend, Most Worshipful Brother J. Giles Hudson, (Ed. Note: The Diamond Jubilee Award Emblem was pinned on W. Brother Wellman by M. W. Brother J. Giles Hudson, P.G.M.) and your Certificate of Award. May the Supreme Architect of the Universe give you many more years of health, happiness and service to God."

(Brother Wellman responded with words of deep appreciation.)

**ADDRESS OF THE GRAND ORATOR**

(Docket No. 27)

The Grand Master recognized and presented W. Broth-  
er Sam J. Ervin, Jr., Senior Senator from the State of  
North Carolina, and Grand Orator of the Grand Lodge of  
North Carolina, who delivered the following oration:

*Most Worshipful Grand Master, Most Worshipful Past Grand Mas-  
ters, Distinguished Masonic Visitors from other Masonic Jurisdic-  
tions, and all other Brethren in Freemasonry:*

Let us consider for a few moments what Masonry teaches us by  
allegory, symbolism and lectures concerning God and man and Mason-  
ry and immortality. In considering these great teachings of Masonry,  
let us utilize as far as possible the language of poets who have delved  
into the mysteries of our great Order and who have preserved the  
concepts of Masonry relating to these things in unforgettable words.  
Let us consider the first great affirmation of Masonry.

Masonry observes the operation of natural laws. It sees the seed-  
tides in the harvest. It sees the procession of the seasons. It notices  
that the tides forever ebb and forever flow and it notices that in the  
natural world there is order and obedience to the natural laws. It  
observes the stars in the heavens and it observes them wandering in  
an orderly fashion in their orbits and Masonry declares that this is  
an orderly universe which obeys laws established by a great Law  
Giver. Masonry also observes man, and although Masonry recognizes  
that man walks upon this earth with feet of clay, it notices that man  
has the capacity to aspire to moral grandeur and Masonry declares  
that this universe and man are not the accidental products of aimless  
atoms wandering blindly in space. On the contrary, Masonry makes  
the first great affirmation that this universe and man are the crea-  
tions of the great Architect and Master Builder, and so Masonry  
says to us that there is a Master Builder, a great Architect whom we  
call God, and this great affirmation of Masonry puts Masonry in  
eternal conflict with the great ideology which we call communism,  
because communism declares that everything in this universe is ma-  
terial, and Masonry rebukes that and says that this universe is mate-  
rial in some aspect but it is also spiritual in others. While Masonry de-  
clares the existence of the Supreme Architect and a Master Builder,

Masonry allows to each of its members the right beyond that point to develop their own creed and to establish their own theology, and to me that is one of the great things about Masonry. I think it is well expressed by the poet...in his great poem entitled "Each In His Own Tongue," because Masonry after the acceptance of the truth of the great affirmation by the Mason, these other matters in the field of religion to the individual Mason and allow these to speak in his own tongue.

So make the Mason's first great affirmation that this is an orderly universe inhabited by men who were created in the image of the great Architect and Master Builder.

Then, I like to think of what Masonry says to follow with reference to men especially with reference to Masons, and I think that when we understand this, we understand why it is that all those on this earth who have sought to impose ecclesiastical tyranny or governmental tyranny have sought to suppress and destroy Masonry. Masonry says that every man is entitled to liberty of conscience, to liberty of faith, to freedom of intellect and that every man is entitled and has a right to stand unfettered and upright and unafraid, equal at the altar of Masonry and equal before God and equal before the law. Masonry does not seek to dominate government. Masonry seeks to bring to Masons at the Masonic altar the things which unite men rather than the things which divide men. It banishes disputes concerning matters of religion. It forbids the Masonic Order taking a position in politics, but nevertheless, notwithstanding the fact that Masonry has never sought to dominate government, that Masonry has never sought to impose its teachings upon any man by force or coercion those who do not believe that men should be free and those who have always tried to suppress and destroy this great altar because they recognize that the Masonic Order in its great historic demand that all men shall be free and that the human mind shall be free from all kinds of tyranny thwart the will of those who seek to enslave mankind. Masonry is concerned ..... with the characteristic of Masonry is well expressed in William Allen Dromgoole's poem, "The Bridge Builder," which has almost become a Masonic poem because it reflects the spirit of a Mason—

#### THE BRIDGE BUILDER

An old man going a lone highway  
Came at the evening cold and gray  
To a chasm vast and deep and wide  
Through which was flowing a sullen tide.  
The old man crossed in the twilight dim,  
The sullen stream had no fears for him,  
But he turned when safe on the other side  
And built a bridge to span the tide.

"Old man," said a fellow pilgrim near,  
"You are wasting your strength with building here;  
Your journey will end with the ending day,  
You never again will pass this way,  
You've crossed the chasm deep and wide,  
Why build you this bridge at eventide?"

The builder lifted his old gray head,  
"Good friend, in the path I have come," he said,  
"There followeth after me today  
A youth whose feet must pass this way.  
This chasm which has been as naught to me  
To that fair-haired youth might a pitfall be,  
He, too, must cross in the twilight dim,  
Good friend, I am building the bridge for him."

That poem represents, I think, in the finest fashion the character of a good Mason.

Then, let's get the third great speech of Masonry to which I wish to allude is that which is concerned with the indestructibility of the human spirit. A good many years ago, an editor of a newspaper wrote an editorial just before he went to a hospital and underwent a drastic operation from which he never recovered. I don't know whether he was a Mason or not. He must have been, but he entitled this editorial like an unfinished symphony and in this editorial, which is one of the most remarkable documents I have ever been privileged to read, he spoke of the fact that no matter how a man struggled and how he worked in this life, that he had a feeling that somehow or other he never did his best work; that the editorial writer never wrote the perfect editorial; that the painter never painted the perfect picture; that the musician never made the perfect symphony; that the architect never designed a perfect building, and so he expressed the hope that somewhere, sometime after this life that men would be free from the limitations of the flesh and do their best work, and in this man's prayer, his hope is very close akin to one of the basic teachings of Masonry; that is, the teachings which we emphasize in the legend of the third degree and in the symbol of the sprig of acacia.

In the fine phrase of an eloquent orator—in the night of death, hope sees a star and listening love hears the rustle of an angel's wing—and that is the teaching of Masonry. Masonry teaches that the soul of man is indestructible, that the spirit of man continues and Masonry feels that somewhere after we drop from our hands the working tools of this life that we enter a celestial lodge, in a sense, in which a man is freed from the limitations of the spirit and where his cabletow is not so short that it prevents him from fulfilling the dreams which he has here. We do not know what kind of a place this is, but there was a great Mason who had the great power of words wrote, I think, one of the most beautiful poems dealing with the lesson taught by the legend of the third degree and by the symbol of the sprig of acacia. I refer to Kipling, the great British poet who was also a great Mason—

"When earth's last picture is painted  
And the tubes are all twisted and dried,  
When the oldest colors have faded,  
And the youngest critic has died,  
We shall rest, and, faith we shall need it—  
Lie down for an aeon or two,  
Till the Master of all good workmen  
Shall put us to work anew.

## PROCEEDINGS OF THE

“And those who were good shall be happy,  
 They shall sit in a golden chair;  
 And shall splash at a ten-league canvas  
 With brushes of comets' hair;  
 We shall find real saints to draw from—  
 Magdalene, Peter, and Paul;  
 We shall work for an age at a sitting and  
 Never be tired at all!

“And only the Master shall praise us,  
 And only the Master shall blame;  
 And no one shall work for money,  
 And no one shall work for fame;  
 But each for the joy of the working,  
 And each, in his separate star,  
 Shall draw the things as he sees them,  
 For the God of the things as they are.”

It seems to me that these are the great teachings of Masonry. The teachings that there is a Supreme Architect and the Master Builder who built this universe and created man. That man is kin to the divine and that while he has . . . . . inspired to marvel grandeur and that man does best and fulfills his work best on this earth when he is free as freedom intellectual freedom, and also this great teaching that all of us who have this great hope that somewhere after we drop the working tools of life that we are going to have an opportunity to do a perfect job under the supervision of the Supreme Architect and the Master Builder.

**BRETHREN :**

Welcome, thrice welcome to this our 176th Annual Communication. May I briefly mention to the Masters and Wardens and their proxies present that you are the legal representatives of the more than 63,000 Masons in the State and that you are not only invited but urged to participate actively in the deliberations of Grand Lodge because you are the very life-blood of our organization. May I point out that Grand Lodge is not a mysterious "they" which sometimes is interpreted to mean the Grand Officers and officials but Grand Lodge is "we"; that is, the 63,532 Master Masons in the State.

Among the remarks made when the gavel of authority was turned over to me on April 18, 1962, I stated "This gavel I now hold in my hand to me is not necessarily a symbol of authority, but a trust—a trust which you brethren have given to me to conduct the affairs of this Grand Lodge during the ensuing year. By precept and example my illustrious predecessors have set a pattern that, by the Grace of the Almighty and your cooperation, I will strive to emulate and to carry on in the same traditional manner of Freemasonry that has been prevalent during the past 175 years of the Grand Lodge." My brethren, I have endeavored to fulfill this promise and respectfully submit the report of my stewardship.

**FRATERNAL DEAD**

The Supreme Architect of the Universe has spared our official line of Grand Officers and Past Grand Masters for which we are humbly and deeply grateful. However,

the grim reaper has not passed us by unscathed for 1,044 Master Masons have passed from the earthly lodges to the Supreme Lodge above. An appropriate memorial service will be held tomorrow in memory of our beloved dead.

#### PHYSICAL DISABILITY

It has been my unpleasant duty to disapprove many petitions for the degrees because of physical disabilities in conformity to Regulation 74-04 of The Code. However, I am firmly convinced that a petitioner should in a large measure be judged by what is in his heart and head and for that reason I am making a recommendation relative to one form of disqualifying disability which will be found elsewhere in this report.

#### DIAMOND JUBILEE AWARDS

By virtue of the authority in me vested by Grand Lodge at our 1962 Annual Communication, it was my privilege to present personally, in most instances, this beautiful and coveted award to Brethren having 60 or more years' membership in the Craft. It was necessary for the presentation to be made in their homes in many instances because of the physical condition of the recipient. It was a soul-rewarding experience on each occasion. The Grand Secretary will list in his report the names of our venerable brethren who received the Diamond Jubilee Award.

In many instances, after 60, 50, and sometimes even the 25-Year Certificates have been prepared by the Grand Secretary and a date set for presentation, the brother dies. For that reason, I am making certain recommendations which will be found later in my report.

Brother Harris also attended the Annual Communication of South Carolina, Illinois and Virginia as my representative.

I was ably represented at the Annual Communication of the Grand Lodge of California by Past Grand Masters Robert L. Pugh and James W. Brewer, Grand Treasurer.

#### INTERIM APPOINTMENTS

Because of the resignation of W. Brother Reuben Barnitz, P.M., C.L., member of the Board of Custodians, I appointed W. Brother G. Bland Church, P.M., C.L., as of March 8, 1963, to fill the unexpired term of W. Brother Barnitz.

**GRAND REPRESENTATIVES**

I have appointed several Representatives of the Grand Lodge of North Carolina near other Grand Lodges, having first received the nomination of the Grand Master of the Grand Lodge concerned in each instance. Commissions issued are as follows:

On May 10, 1962, to R. W. Brother Herbert H. J. Macey of West Vancouver, B. C., Past Master of Hollyburn Lodge No. 185 of West Vancouver and a Past District Deputy Grand Master of North Vancouver District No. 24, as Representative of the Grand Lodge of North Carolina near the Grand Lodge of British Columbia.

There have been no vacancies to be filled and no nominations to be made by me during my administration.

**DISTRICT DEPUTY GRAND MASTERS' CONFERENCE  
AND DISTRICT MEETINGS**

On June 2, 1962, a Conference of the District Deputy Grand Masters was held in Raleigh with many District Deputy Grand Lecturers in attendance. A four-year program for subordinate lodges promulgated by M. W. Brother James W. Brewer in 1961, then Grand Master, myself, then Deputy Grand Master, R. W. Brother W. Edward Burrier, then Senior Grand Warden, and R. W. G. Dudley

Humphrey, then Junior Grand Warden, was explained to the new District Deputy Grand Masters as well as to all others present. The four-year program will end at the expiration of the term of R. W. Brother G. Dudley Humphrey in 1965.

It was announced at this conference that combined District Meetings would be held, where practical, one meeting to be held for two districts. The district in which the meeting was being held would be host and the next year the meeting would be held in the opposite district, that district being host at that time. This plan was faithfully carried out and I was present at each scheduled District Meeting, accompanied by the Grand Secretary, the Superintendent of the Masonic and Eastern Star Home and of Oxford Orphanage. Line Officers of the Grand Lodge as well as Past Grand Masters in most instances were present. Only in rare instances was absence of a District Deputy Grand Master or of representatives of a lodge in the combined District meetings noted. The District Deputy Grand Lecturers of both districts were also invariably in attendance. I am indeed grateful for the wonderful cooperation of our District Deputy Grand Masters and District Deputy Grand Lecturers.

#### **CORNERSTONE**

On Friday, February 8, 1963, at 2:30 P.M., I had the happy privilege of laying the cornerstone for the new Temple of the New Bern York Rite Bodies, New Bern, North Carolina. I want to offer my congratulations to this fine group of dedicated Masons for this magnificent undertaking.

#### **LODGE DEDICATION**

On Saturday, November 24, 1962, at 2:00 P.M., I had the privilege of dedicating the beautiful Masonic Temple in Sparta, North Carolina. The brethren of Sparta Lodge No. 423 are to be commended for the completion of this wonderful tribute to Masonry.

#### **LODGE INSTITUTED**

It was a great deal of pleasure and honor to institute Meridian Lodge U. D. in Charlotte, North Carolina, on Thursday, September 27, 1962, at 12:00 Noon. This is the first "day-light" lodge in the State and it again displays the growth and interest of the fine group of Masons in the City of Charlotte. The reports which have been received from this lodge certainly reflect the feasibility of the institution of other "day-light" lodges.

## PROCEEDINGS OF THE

**LODGES CONSTITUTED**

During this past year, I had the honor of constituting five new lodges which were granted charters by the Grand Lodge at our last Annual Communication in Raleigh. The capable leadership in these lodges is reflected in the fine reports which have been received from these lodges. My congratulations to these brethren for a job well done.

The lodges constituted are as follows:

Winton Lodge No. 723, Winton, North Carolina, May 1, 1962.

Berne Lodge No. 724, New Bern, North Carolina, May 1, 1962.

Grantham Lodge No. 725, Granthams No. 7 Township, (New Bern) North Carolina, May 2, 1962.

Shallotte Lodge No. 727, Shallotte, North Carolina, May 3, 1962.

Keystone Lodge No. 726, Charlotte, North Carolina, May 4, 1962.

**DISPENSATIONS**

I have granted several dispensations during the year for lodges to hold meetings for special events in places other than in their regular lodge halls, to elect officers to fill vacancies caused by resignation or death and one (1) dispensation for a lodge to erect a one-story lodge building.

**OFFICIAL OPINIONS****Opinion No. 1**

Referring to your letter of July 18, 1962, to our Grand Secretary regarding the invitation to your lodge from the local Junior Chamber of Commerce of Yadkinville to join with it and with other civic organizations in the erection of a sign board at the entrance of Yadkinville, North Carolina on which would be the advertisement of the meeting place, date and hour of stated communications and with Masonic emblems, with similar advertisements by sponsors of the venture.

I am of the opinion that the subject is governed by Chapter 31 and Regulation 97-02 (5) of THE CODE. You will note that this Chapter governs joint enterprises, and this Regulation defines what would be un-Masonic conduct in the use of Masonic emblems and name, particularly on non-Masonic projects.

This proposal is certainly a joint enterprise with non-Masonic groups for the purpose of advertising, whether for money-profit or not, and I am of the opinion that REG. 97-02 (45), line 7, where it says "... by way of advertising ..." automatically eliminates further consideration of the project by Yadkin Lodge No. 162. [SECS. 2-04 and 4-02; REG. 49-01 (3)]

This Official Opinion must be read in your lodge and entered on the minutes at the first stated communication after its receipt.  
(approved)

**Opinion No. 2**

Referring to your letter of July 12, 1962 to our Grand Secretary regarding the invitation to your lodge from the local Junior Chamber

of Commerce of Marshville to join with it and other civic organizations in the erection of a sign board at the entrance to Marshville, North Carolina on which would be advertisement of the meeting place, date and hour of stated communications and with Masonic emblems, with similar advertisement by sponsors of the venture.

I am of the opinion that the subject is governed by Chapter 31 and Regulation 97-02 (5) of THE CODE. You will note that this Chapter governs joint enterprises, and this Regulation defines what would be un-Masonic conduct in the use of Masonic emblems and name, particularly on non-Masonic projects.

This proposal is certainly a joint enterprise with non-Masonic groups for the purpose of advertising, whether for money-profit or not, and I am of the opinion that REG. 31-01, line 3, where it says "... for any purpose. . ." and REG. 97-02 (45), line 7, where it says "... by way of advertising. . ." automatically eliminates further consideration of the project by Beaver Dam Lodge No. 276. [SECS. 2-04 and 4-02; Reg. 49-01 (3)]

This Official Opinion must be read in your lodge and entered on the minutes at the first stated communication after its receipt.  
(approved)

### Opinion No. 3

It has been brought to my attention by the Grand Secretary that Brother Ernest William Sams who has applied for affiliation with your lodge from Gastonia Lodge No. 369, was elected to membership in your lodge on September 17, 1962, without the application having been duly certified by the office of the Grand Secretary.

It is our opinion that the ballot having been taken before the application was certified by the Grand Secretary, it is illegal and void under the clear and positive language of Regulations 76-01; 76-01 (1); and 83-15.

Since the Grand Master is authorized to order another ballot, a dispensation is hereby granted to Leaksville Lodge No. 136, to ballot again on the Application for Affiliation of Brother Ernest William Sams at its stated communication of October 1, 1962.

The records of the Grand Secretary and those of your lodge shall be made to conform to this opinion and the result of the reballot.

If the applicant is rejected, his membership shall be the same as it was before your lodge took any action thereon.  
(approved)

### Opinion No. 4

I have before me the file in the matter of Brother Cohen Webster Parker, a member of our Aulander Lodge No. 516 who was raised in the old Luke McGlaughan Lodge No. 504, now defunct, on April 26, 1912, and note your request for a ruling in the matter of his eligibility to receive a 50-Year Veterans' Emblem and Certificate.

The record shows that he demitted from Luke McGlaughan Lodge No. 504 on July 18, 1913, to affiliate with Aulander Lodge No. 516, but the date of his affiliation with the latter lodge is unknown, and is probably due to missing lodge records which were destroyed by

fire. The return from No. 516 for the Masonic year ending October 31, 1913, does not list him as a member, but the 1914 return does list him; but the date of his affiliation is not given. It is possible that he affiliated with No. 516 soon after the beginning of the next Masonic year, which was November 1, 1913.

The record book shows further that he demitted from Aulander No. 516 on January 21, 1921, and affiliated with Queen City Lodge No. 602 on February 25, 1921.

Because of the fact that the records in this case are inconclusive, and by virtue of the authority given me in Regulation 88-05 of THE CODE, I hereby declare that Brother Cohen Webster Parker is eligible to receive the 50-Year Veterans' Emblem and Certificate on or after the date of this letter.  
(approved)

#### Opinion No. 5

With reference to your request for a ruling in the matter of Mr. James Benjamin English, whose petition for the degrees was submitted to a ballot in Perseverance Lodge No. 59 on February 5, 1963 without first having been certified by your office, this is to advise that the ballot was ILLEGAL and VOID, because it violated the provisions of Regulations 73-13 and 76-01 of THE CODE, which require the report of the Grand Secretary to be filed with the lodge *before* the ballot.

You advise that the petition is now in order for certification, and it will be certified and returned to the lodge at once. Since the Grand Master is empowered to order another ballot, a dispensation is hereby granted to Perseverance Lodge No. 59 to ballot again on the petition of Mr. James Benjamin English at the stated communication of that lodge on March 19, 1963, provided that all members of the lodge shall be given not less than 10 days' notice by first-class mail under sealed cover of the reballot and the time and place therefor.

You will issue such directives to the lodge as may be necessary to carry out this Order.  
(approved)

#### Opinion No. 6

I have reviewed the matter of the election of Mr. James Willis Green, Jr., in Person Lodge No. 113, which ballot took place on February 12, 1963 without the petition for the degrees having been certified by your office.

This ballot was ILLEGAL and VOID because it is a violation of the provisions of Regulations 76-01 and 73-13 of THE CODE, which make it mandatory for a petition to bear the certification of the Grand Secretary before a ballot can be taken.

A dispensation is hereby granted to Person Lodge No. 113 to reballot on this petition at the stated communication of this lodge on February 26, 1963, since you advise that the petition has now been certified.

You will issue such directives to the lodge as may be necessary to carry out this Order.  
(approved)

**RECOMMENDATIONS**

1. I recommend that certain portions of Chapter 90 of THE CODE be amended to provide for an alternate funeral service which will permit the Master to assemble the brethren at the church, funeral home or place of service or interment, without the formal opening and closing of the lodge. Regulation 90-03 should be amended by deleting therefrom the words: "open as a Master Mason's lodge" in the third sentence of said Regulation, causing said sentence to read as follows:

"A subordinate lodge shall conduct all other burial rites, and the ceremonies shall be under the direction of the Master; no dispensation is required."

As an alternate, I recommend that the Master, after conferring with the family as to the time, place and etc., be permitted to assemble the brethren of his lodge for the purpose of holding a Memorial Service without the formal opening and closing of the lodge. The record of such service should be recorded at the next stated communication of the lodge. Therefore, I recommend that Chapter 90 of THE CODE be amended by adding another section, to read as follows:

"If conditions are such that the Master deems it proper and advisable, he may assemble the brethren at the church, chapel, home or other place where the religious service is held, or at the place of interment, without formal opening of the lodge. The Master, in such cases, may waive or dispense with further ceremonies of opening, by so declaring. The record of such services shall be recorded at the next Stated Communication of the lodge."

(NOTE: This recommendation was referred to the incoming Grand Master for further investigation and report. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

2. I recommend that the section of THE CODE requiring pallbearers to be Master Masons be deleted and Regulation 90-13 be amended to read as follows:

"At Masonic burials, the active pallbearers shall all be Master Masons, unless the family of the deceased brother desire that one or more active pallbearers, close friends of the deceased and his family, who are not Master Masons, in which event such close friends of the family shall be permit-

ted to serve as pallbearers along with those who are Master Masons. Those who are Master Masons may also serve as pallbearers for the religious services. It is not required that honorary pallbearers be Masons."

(NOTE: This recommendation was referred to the incoming Grand Master for further investigation and report. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

3. I recommend that an automobile be provided for the Grand Master and the Grand Secretary.

(NOTE: *Approved* by Committee on Finance on Page 148, Docket No. 42, under Item 6, and Budgeted under Item D-9 on Page 146. C.A.H., P.G.M., G.S.)

4. I recommend that the 25-Year, 50-Year and Diamond Jubilee Awards be presented posthumously if the brother should die before the scheduled date of presentation and that Regulation 88-04 be amended by adding thereto a subsection to read as follows:

"The awards provided in Regulation 88-02, 88-03 and 88-06 may be presented posthumously should the brother to receive the award die before the scheduled date of presentation, or if the Grand Master, for good cause, shall so direct."

(NOTE: This recommendation was *approved*, and REG. 88-07 (new) was adopted. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

5. I recommend that the Grand Master appoint a committee with power to act to hold a "Masonic Heritage Week," in which the Grand Lodge as well as all Masonic Appendant and Masonic connected organizations in the state will participate, to be fashioned more particularly after the program of the Grand Lodge and appendant Masonic organizations of Kentucky.

(NOTE: *Approved* and *adopted*. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. SEE Report Committee on Finance, Docket No. 40, Page 148. C.A.H., P.G.M., G.S.)

6. I recommend that the Grand Master appoint a committee to ascertain the merits and/or demerits of dual and/or plural membership with recommendation to be made at the next Annual Communication of the Grand Lodge.

(NOTE: *Approved* and *adopted*. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

7. I recommend that a special committee be appointed by the Grand Master to explore and study the feasibility of making loans from the foundation for a certain percentage of the costs of erecting or renovating Masonic Temples at a low rate of interest, or of establishing a revolving Building Fund for loans to the subordinate lodges with recommendations to be made at the next Annual Communication.

(NOTE: *Approved and adopted.* SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

8. I recommend that the Diamond Jubilee Award be made by the Grand Master or his personal representative and that Regulation 88-06 be amended by inserting after the words: "by the Grand Master only", "*or his personal representative*", causing said section to read:

"The Grand Lodge hereby establishes a Medal or Emblem to be known as the Grand Lodge of North Carolina Diamond Jubilee Veteran's Emblem to be presented to Master Masons, members of lodges under the jurisdiction of the Grand Lodge, who have been Master Masons in good standing for a total of at least sixty years or more preceding the date of the award. This medal, together with a suitable certificate to be presented in the name of the Grand Lodge by the Grand Master only *or his personal representative*, and the cost thereof to be borne by the Grand Lodge. The Emblem shall be of the same design as the North Carolina Veteran's Emblem, except that the Emblem shall be platinum and the figures shall be 60 instead of 50."

(NOTE: This recommendation was *amended* as to the wording of REG. 88-06 and was *approved* as amended. SEE Report on Masonic Jurisprudence on Pages 153-154, Docket No. 42. C.A.H., P.G.M., G.S.)

9. I recommend that Regulation 74-04 (9) pertaining to Epilepsy, be amended to read as follows:

"Epilepsy, unless the petitioner has not had or suffered an attack or seizure for two years immediately preceding the date of the receipt of the petition for degrees."

(NOTE: This recommendation was referred to the incoming Grand Master for further investigation and report. SEE. Report of Committee on Masonic Jurisprudence No. Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

10. I recommend that 50-year members be exempt from the payment of dues to their lodge and that Regulation 85-

35 be amended by adding thereto the following words in quotations, causing the section to read as follows:

“Dues shall go on until the member dies, demits, is excluded, suspended, or expelled; unless he be lawfully excused by the lodge, ‘or until he shall have been a Mason in good standing for a total of 50 years, in which event he shall not thereafter be required to pay dues.’ ”

Regulation 54-01 should be amended to read as follows:

“The sum of Two Dollars and Fifty Cents for each member of the lodge at low twelve on December thirty-first, except for those who have been Masons in good standing for a total of 50 years.”

(NOTE: This recommendation was referred to the incoming Grand Master for further investigation and report. SEE Report of Committee on Masonic Jurisprudence on Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

11. I recommend that we continue our usual appropriations to the Oxford Orphanage, Charity, The Masonic Service Association, The Grand Masters’ Conference, The Grand Secretaries’ Conference, Masonic Relief Association of the U. S. and Canada, George Washington Masonic National Memorial Association, The Masonic Service Association for Hospital Visitation, The Grand Chapter of DeMolay, the Order of Rainbow for Girls, and that we increase the annual appropriation for the Masonic and Eastern Star Home of North Carolina, Inc., to \$21,500.00.

(NOTE: Approved by Committee on Finance. SEE Docket No. 40 C.A.H., P.G.M., G.S.)

12. I recommend that we amend Regulation 89-04 of THE CODE to make it unnecessary to send the proposals for Honorary Membership to the Grand Secretary’s office for certification before a ballot can be taken. It is unnecessary to send proposals for Life Membership, for Advancement, etc.

(NOTE: This recommendation to *amend* REG. 89-04 was *approved* as amended. SEE Report of Committee on Masonic Jurisprudence, Page 154, Docket No. 42. C.A.H., P.G.M., G.S.)

#### THE GRAND MASTERS CONFERENCE

The Grand Masters Conference was held the week of February 18-22, 1963, in Washington, D. C.

The discussion of the mutual problems and ideas with the Masonic leaders from all parts of this continent, as well as several foreign countries, was certainly a most enlightening experience for which our North Carolina delegation is most grateful.

Attending this conference with me were R. W. W. Edward Burrier, D.G.M., and Mrs. Burrier; R. W. G. Dudley Humphrey, S.G.W.; R. W. Sam A. Hennis, Jr., J.G.W.; M. W. James W. Brewer, P.G.M., Grand Treasurer; M. W. Charles A. Harris, P.G.M., Grand Secretary; W. Alfred A. Kafer, Jr., J.G.D.; W. Robert N. Bass, Jr., Grand Marshal; M. W. William J. Bundy, P.G.M.; M. W. #### **OXFORD ORPHANAGE**

I am happy to report that I was able to attend all Board of Directors' Meetings and was a frequent visitor on other occasions during the Masonic year. The members of the Board, the staff at Oxford Orphanage and the Committee on Oxford Orphanage have worked in the closest of harmony and cooperation and our efforts have been crowned with success as the Superintendent's Report will indicate.

Too much credit cannot be given Rev. A. D. Leon Gray, superintendent, for his able leadership and his devotion to our children, in which he is ably assisted by his wonderful wife. In addition to his administrative duties as superintendent, he has traveled thousands of miles in bringing pertinent information of the Orphanage direct to the Masons over the State, attending every District Meeting, conducting sectional meetings with Superintendent Robbins of the Masonic & Eastern Star Home in every part of the State, performing marriages of former students, conducting funerals and preaching sermons upon the request of various brethren. He is truly an ambassador of Masonry in all segments of society, both to the Masons and profane. We would do well to continue, yes, to increase our moral support of our wonderful institution.

#### **MASONIC AND EASTERN STAR HOME**

Under the able leadership of our beloved Superintendent, the Rev. Troy G. Robbins, and his efficient staff, the morale and well-being of our Guests are at an all-time high. I make

this statement from personal observations in my frequent visits and inspections in all departments at the Home during the Masonic year. The officials of the Grand Chapter, Order of the Eastern Star, on the Board of Directors and Executive Committee have worked in complete unison with the Masonic members and harmony and concord exists between our two groups at the Home. Special mention should be made of the untiring efforts of the President of the Corporation, W. Brother Robert N. Bass, Jr., in behalf of the operation of the Home; particularly since during the year the new wing providing 25 more rooms was built and is now occupied by Guests and Administrative Officers.

Reverend Troy G. Robbins, Superintendent is to be highly complimented for the able manner in which he is administering the affairs of the Home and the many, many other duties he is requested to do well beyond the call of duty. He is another Ambassador of Good Will of Masonry throughout the State and the Masons of North Carolina are fortunate indeed to have a man of his caliber and Masonic stature as superintendent. We are also indeed fortunate to have W. Brother William K. Price, whose services, because of his astute business acumen, are invaluable to the superintendent.

#### HONORARY MEMBERSHIPS

I acknowledge with sincere gratitude the following Honorary Memberships during the year:

Perquimans Lodge No. 106, Hertford

#### APPRECIATION

May I express my grateful thanks and appreciation to the Grand Lodge Officers, District Deputy Grand Masters, District Deputy Grand Lecturers, members of Boards and Committees for their assistance and wonderful cooperation.

The following have rendered invaluable service to me by way of advice and counsel for which I shall be forever grateful:

M. W. Brother Charles A. Harris, Grand Secretary, who has been my "right hand"; R. W. Brother W. Edward Burrier, Deputy Grand Master, who has been my "left hand"; M. W. Brother Charles B. Newcomb, P.G.M., our "Senior Masonic Statesman"; M. W. Brother William J. Bundy, P.G.M., Chairman of the Jurisprudence Committee; M. W. Brother Robert L. Pugh, P.G.M., Chairman of the Finance Committee, and more particularly in his capacity as the Chairman of The Special Committee on Masonic Research and Education; M. W. Brother John C. Vance, P. G.M., my "Masonic Daddy"; and M. W. Brother Maxwell E. Hoffman, P.G.M., my "Masonic Granddaddy" for their timely and valuable advice on things Masonic; M. W. Brother James W. Brewer, P.G.M., Grand Treasurer; the Grand Chaplain, W. Brother Emmett D. Chandler; the Grand Lecturer, W. Brother Nathaniel C. Dean; M. W. Brother J. Giles Hudson, Judge Advocate; W. Brother Emery B. Denny, Chief Justice of the Supreme Court of North Carolina, Grand Historian; M. W. Brother Charles H. Pugh, P.G.M., Grand Reviewer; and W. Brother Sam J. Ervin, Jr., U.S. Senator, who has taken time out of his busy life to be Grand Orator; W. Brother Robert P. (Pete) Dudley, Assistant to the Grand Secretary, who has spent unlimited time, including nights and Sundays and after his regular office hours in furnishing me with pertinent data and information incident to my office as Grand Master; Mrs. Martha Carson, my secretary, and many others whose names will not be mentioned because of time and space in the Proceedings. I bespeak for my successor the same co-operation that has been mine and feel certain that it will be forthcoming from all the brethren of whatever rank or degree.

### CONCLUSION

It is needless to state that this has been the busiest year of my life, having spent some 48 percent of my time, attending some 138 meetings and traveling approximately 38,000 miles in the service of Grand Lodge. Without the consent and approval of the officials of the Grand York Rite Bodies of North Carolina in whose service I am employed as Grand Secretary-Recorder, I would not have been able to serve as Grand Master, and to them I am deeply grateful. I am sure

you will be charitable in allowing me to say for the record, that, without the love and sympathetic understanding of my wife Nellie and my family, since I had to be away from home half a year, I would not have been able to meet the demands of the office of Grand Master.

And now, my brethren, with mixed emotions and humble heart may I just say, "That which is done is done, the future will determine whether it be for good or ill, and may the Supreme Architect add his approval and blessings to my sincere efforts as Grand Master during the Masonic year of 1962-63."

Respectfully submitted,

*Grand Master*

### REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE, Incorporated

(Docket No. 30-A)

The following report of the Committee on Oxford Orphanage was presented and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

Obedient to the trust imposed in us as the committee on Oxford Orphanage for the year 1962-63, we submit this our annual report for the aforesaid Masonic year.

We have visited the orphanage on *several occasions* throughout the year, and have at all times found the buildings in good condition, the children happy and apparently in good health.

We find the school to be, in our opinion, the equal of any high school in the State, and we commend the entire staff of the Oxford Orphanage for their excellent work, and dedication to duty in the service of these (formerly) unfortunate children.

We find that the changing of times is making more and more imperative a program looking to the higher education of the graduates of our orphanage school. Although there is considerable activity in all of the Masonic bodies, and we commend the great strides that are being made in this field, we urgently appeal to the Masons throughout the State to come to the aid of the graduates of our orphanage school, and provide a plan of assured higher education, for those who desire it, and are qualified.

Respectfully submitted,

*Committee on Oxford Orphanage*

**REPORT OF THE GRAND HISTORIAN**  
(Docket No. 30-B)

The following report of the Grand Historian was presented and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

Our former Grand Historians have insisted for many years that the Secretaries of the respective local lodges should keep accurate and comprehensive minutes of the official proceedings of the lodge, and that local lodges should observe certain anniversary occasions.

If accurate and comprehensive records are made and preserved in local lodges, such records will be an authoritative source upon which future historians may rely and from which an accurate history of our Masonic labors may be written.

The Grand Lodge of this jurisdiction granted no charter to a local lodge during the years 1862 and 1863 due to the War Between The States; therefore, we have had no 100th Anniversary observance in this jurisdiction since our last meeting of the Grand Lodge.

During the last Masonic year, I have received from Brother E. W. Bridges of Greensboro, North Carolina, much valuable data relative to the Masonic records of Governors of North Carolina who were Masons. Considerable information was supplied in connection with earlier Governors, but beginning with Governor J. C. B. Ehringhaus, much valuable data was supplied on each of the following: Governors Ehringhaus, Hoey, Broughton, Cherry, Umstead and Hodges. This material has been filed with the Grand Secretary of the Grand Lodge where it will be available as data for future historians.

Respectfully submitted,

EMERY B. DENNY, *Grand Historian*

**PRESENTATION OF BOOK ON THE HISTORY OF  
THE GRAND LODGE OF THE DISTRICT OF COLUMBIA**

M.'W.'CHARLES A. HARRIS, P.G.M., *Grand Secretary*: "Most Worshipful Sir, I have the pleasure of acknowledging the receipt of a very valuable book here on the history of the Grand Lodge of F.A. A.M. of the Most Worshipful Grand Lodge of the District of Columbia by its Grand Master who is present, Brother Charles B. Gilley:"

M.'W.'CHARLES C. RICKER, *Grand Master*: "Most Worshipful Brother Gilley, would you come to this station?"

M.'W.'CHARLES B. GILLEY, *Grand Master of the District of Columbia*: "Thank you Most Worshipful Grand Master, Distinguished Guests, and Brethren of the Grand Lodge of North Carolina: I was very grateful for the reception of the invitation to North Carolina. It gave me the opportunity to come back near the section where I was born, in East Tennessee. North Carolina has a great Masonic history. We in the District of Columbia think we have a good one. I want a copy of our Grand Lodge history to be in your Grand Lodge that every Master Mason in North Carolina can be aware of what we are doing in the District of Columbia and hope that when any of you brethren visit our jurisdiction, you will take the opportunity to visit one of our forty-eight lodges. Thank You!"

**REPORT OF THE JUDGE ADVOCATE**

(Docket No. 31)

The Judge Advocate presented the following report which was read, received and entered on the record:

*To the Most Worshipful Grand Lodge of North Carolina:*

I hereby submit my annual report as Judge Advocate:

Since the Annual Communication in Raleigh in 1962, I have tried, handled and completed thirteen cases. One case is pending for hearing.

I wish to state I have received full cooperation of the Members of the Craft, Officers of the Lodges, Trial Commissioners, and the Grand Lodge Officers. To each and all I extend my appreciation.

Respectfully submitted, April 16, 1963

J. GILES HUDSON, P.G.M., *Judge Advocate*

**REPORT OF THE COMMITTEE ON APPEALS**

(Docket No. 32)

The Committee on Appeals presented the following report, which was read by M. W. William J. Bundy, P.G.M., Chairman, and upon motion, duly seconded, was adopted by sections and then adopted as a whole:

*To the Most Worshipful Grand Lodge of North Carolina:*

The Committee on Appeals respectfully submits the following report:

1. Although no action was required by this Committee, and no report to the Grand Lodge is required thereon, we have carefully reviewed all cases completed since the Annual Communication in 1962, in which the punishment imposed was suspension for a definite period of time, and find that the proceedings in such cases, there being only three in number, were regular in all respects.

2. We have reviewed the record in all cases which have been completed since the Annual Communication in 1962, and now pending before the Committee, wherein the accused has been expelled under the provisions of Regulation 99-22. We particularly directed our attention to the strict compliance with this Regulation, and in each of the following cases we recommend that the decision of the Judge Advocate be affirmed by the Grand Lodge:

**TRIAL DOCKET NO. 179:** In the matter of charges preferred against a Master Mason of Cannon Memorial Lodge No. 626, A.F. & A.M.

Expelled: September 16, 1961.

**TRIAL DOCKET NO. 181:** In the matter of charges preferred against a Master Mason of Blackmer Lodge No. 127, A.F. & A.M.

Expelled: March 10, 1962.

**TRIAL DOCKET NO. 190:** In the matter of charges preferred against a Master Mason of Robbinsville Lodge No. 672, A.F. & A.M.

Expelled: July 3, 1962.

TRIAL DOCKET NO. 193: In the matter of charges preferred against a Master Mason of Greenville Lodge No. 284, A.F. & A.M.  
Expelled: July 12, 1962.

TRIAL DOCKET NO. 196: In the matter of charges preferred against a Master Mason of Belmont Lodge No. 627, A.F. & A.M.  
Expelled: September 15, 1962.

TRIAL DOCKET NO. 198: In the matter of charges preferred against a Master Mason of Holland Memorial Lodge No. 668, A.F. & A.M.

Expelled: February 18, 1963.

3. We have reviewed the record in all cases which have been completed since the Annual Communication in 1962, and now pending before this Committee, in all of which the punishment was expulsion, and in one of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of the Trial Commissioners, the service of notice upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Trial Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106 inclusive, of THE CODE of 1948, as amended. Your Committee approves the decision of the Trial Commissions in the following cases, and recommends that the decision and judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 185: In the matter of charges preferred against a Master Mason of Mooresville Lodge No. 496, A.F. & A.M.  
Expelled: March 2, 1962.

TRIAL DOCKET NO. 186: In the matter of charges preferred against an Entered Apprentice of Sanford Lodge No. 151, A.F. & A.M.

Expelled: March 10, 1962.

TRIAL DOCKET NO. 187: In the matter of charges preferred against a Master Mason of Allen Graham Lodge No. 695, A.F. & A.M.  
Expelled: March 30, 1962.

TRIAL DOCKET NO. 188: In the matter of charges preferred against a Master Mason of Black Mountain Lodge No. 663, A.F. & A.M.

Expelled: April 14, 1962.

TRIAL DOCKET NO. 191: In the matter of charges preferred against a Master Mason of Excelsior Lodge No. 261, A.F. & A.M.

Expelled: August 17, 1962.

#### APPEALS

1. In the matter of charges preferred against a Master Mason of Friendship Lodge No. 700, A.F. & A.M. The decision of the Judge Advocate was expulsion (TRIAL DOCKET NO. 169), as of the date of the decision, March 15, 1962. The accused appealed from the decision, contending that he filed answer to the complaint, and therefore the Judge Advocate was without authority to render a decision. The accused filed purported answers, but did not deny that he pleaded guilty and was adjudged guilty of offense denominated by the laws of Florida, the state where the offense was committed and where the

accused was tried, as a felony. The accused contends the offense, at the time, was not a felony, but we hold otherwise; the law is clear. We have carefully reviewed the Proceedings and find same to be in accordance with the requirements of Chapters 98 to 106 inclusive, of THE CODE of 1948, as amended. We find no error, and recommend that the action and decision of the Judge Advocate be affirmed.

2. In the matter of charges preferred against a Master Mason of Doric Lodge No. 568, A.F. & A.M. The decision of the Trial Commission on June 30, was not guilty. The complainant lodge appealed from said decision. We have carefully reviewed the Proceedings of the Trial and find same to be in accordance with the requirements of Chapters 98 to 106 inclusive, of THE CODE of 1948, as amended. We find no error in the trial, and recommend that the decision of the Trial Commission be affirmed.

Right Worshipful Brother G. Dudley Humphrey, a member of this committee, did not sit with the committee or participate in the hearing of this matter.

#### APPLICATIONS FOR RESTORATION

1. In the matter of the Application for Restoration of C. R. K. to Masonic Rights and Privileges. The application was filed with the Grand Secretary more than thirty days before this Annual Communication. This applicant was dismembered on March 26, 1960 (TRIAL DOCKET NO. 160). A true copy of application with statement of the grounds upon which the applicant seeks restoration was served on Hamlet Lodge No. 532, A.F. & A.M., in accordance with Chapter 109 of THE CODE as amended, on January 1, 1962, more than ninety days before this Annual Communication, but evidence thereof became misplaced and was not available at the Grand Lodge in 1962, for which reason no action was taken then. Said lodge opposes restoration. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the applicant was dismembered are such that he is not entitled to restoration at this time. For this reason, this Committee recommends that the Grand Lodge deny such application for restoration.

2. In the matter of the Application of J. P. E. for Restoration to the Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before the Annual Communication. This petitioner was dismembered on August 14, 1951 (TRIAL DOCKET NO. 17). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Joppa Lodge No. 530, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1848, as amended, more than ninety days before this Annual Communication. Said lodge has not taken official action recommending the approval of this application although several individual Masons have recommended favorable consideration. This Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered was such that he is not entitled for restoration at this time. For that reason, this Committee recommends that the Grand Lodge deny such application for restoration.

3. In the matter of the Application of Paul Clark Wheeler for restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on October 25, 1955 (TRIAL DOCKET NO. 37). A true copy of the application with statement of the grounds upon which the petitioner seeks restoration was served on Fellowship Lodge No. 687, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 5, 1963, more than ninety days before this Annual Communication. A number of distinguished Masons in the city of Durham where the petitioner resides and formerly held his Masonic membership strongly recommends his restoration and gives testimony as to the petitioner's good reputation and character and rehabilitation. After carefully examining the records in this matter this Committee recommends that the Grand Lodge restore Paul Clark Wheeler to all the Rights and Privileges of a nonaffiliated Mason.

**MEMORIAL SERVICE**

(Docket No. 33)

Solo: "*One Sweetly Solemn Thought*"-----KENNETH D. HEINBAUGH

Selected Scripture For

Responsive Reading-----Led by W.'Brother E. P. BLAIR

Lord, let me know mine end, and the number of my days; that I may be certified how long I have to live.

*For man walketh in a vain shadow, and disquieteth himself in vain; he heapeth up riches, and cannot tell who shall gather them.*

And now, Lord, what is thy hope? Truly, my hope is even in thee.

*Lord, thou hast been our refuge, from one generation to another.*

Before the mountains were brought forth, or even the earth and the world were made, thou art God from everlasting, and world without end.

*So teach us to number our days, that we may apply our hearts unto wisdom.*

O satisfy us early with thy mercy; that we may rejoice and be glad all our days.

*Let thy work appear unto thy servants, and thy glory unto their children.*

The Lord is thy keeper: the Lord is thy shade unto thy right hand.

*The Lord will preserve thy going out and thy coming in, from this time forth, and even forevermore.*

Fear thou not for I am with thee; be not dismayed for I am thy God; I will strengthen thee; yes, I will help thee; yea, I will uphold thee with the right hand of my righteousness.

A Memorial Prayer was offered by W. Brother Emmett D. Chandler, Grand Chaplain.

## REPORT OF COMMITTEE ON NECROLOGY

(Docket No. 34)

The following report of the Committee on Necrology was delivered by W. Brother Edward P. Blair, P.M., and entered on the record:

We pause again, My Brethren, in grateful consideration of 1,044 Master Masons, who have already answered the final summons of the Supreme Architect of the Universe—a summons that each one of us must some day answer for ourselves, each in his own way.

It is fitting, too, that we pause here about this Sacred Altar for this Memorial Service, as it was around such an altar that our Brethren, who we now eulogize, paused for a moment of prayer before they began their journey into the mountain tops of Freemasonry. And from these lofty peaks in our Movement, they came a bit closer to their Brethren through the priceless jewels of fellowship with which they were invested and the glorious avenues of service which were opened for them on their way.

These, Our Brothers, are beyond censure and acclaim alike. This Chapter of their Life has been written, and they are now serving in that "all perfect Celestial Lodge above where the Supreme Architect of the Universe presides." We must surely know, My Brethren, that if God would guide through the boundless sky the path of a migrating bird on its unerring flight, then surely he would not place man on this earth longing for Immortality only to mislead and misguide him.

The immortal Socrates said to his friends in his last discourse, "Let a Man be of good cheer about his Soul. If only it is arrayed in its proper Jewels in Temperance, Justice, Nobility, and Truth. Thus adorned it will be ready when the hour comes to start on its journey to the other world and there it will dwell in Mansions far fairer than here."

I submit to you, My Brethren, that these our Brothers were arrayed with their Proper Jewels and with Justice, Nobility, and Truth. They laid no claim to perfection. They preferred only to serve as the Almoners of God's grace in the rich quarries of our Movement. They were men whose hearts had been strangely warmed by the needs of children and the low whisper of the aged and infirm. Many of us have been strangely warmed by the needs of children and the low whisper of the aged and infirm. Many of us have been among those lifted by the gentleness of their presence. Many are the smiles that these Brethren brought to men, women, and children alike in all walks

of life. Many are the hearts that were gladdened and made happier by the touch of their outstretched hand and the sound of their voice. But, this is not a time of Sadness or Mourning. This, My Brethren, is a time when we find ourselves driven irresistibly to the conclusion that there must be another Chapter in the Book of Human Existence. It is strengthened and warmed by the resurrection of the Man of Galilee.

Last year, three of our Past Grand Masters stood around an altar dedicated to God, and offered brilliant tributes to three Past Grand Masters who, too, had answered their final summons. Theirs, too, was a Life of Service to others. It is inconceivable to believe of the Human Spirit as going down to its final oblivion, or its richest capacities crushed, and its finest aspirations unrealized.

Doesn't your mind, My Brethren, make the same kind of demand? Think of the finest and best person you have ever known. Think of the Saints, the Prophets, the Truly Great in terms of Service to their Master; were they made to live Life and do their work only to be confined to an earthly grave. What a waste of Creative Skill, of Rich Intelligence, of Noble Personality. Could anything, My Brethren, be less rational than Handel's Hallelujah Chorus, but no Handel; Socrates' Phaedo, but no Socrates; the great pictures of Raphael, but no Raphael; nor the mind that conceived them. What about Jesus of Nazareth; was a personality like his swept away at death into complete nothingness at the early age of 33. Believe this, My Brethren, and there is nothing left for any of us but frustration, chaos, and bitter disappointment from which there is no meaning.

It is well indeed that such a Memorial Service be a fundamental part of Our Most Worshipful Grand Lodge of North Carolina for those Brethren who have gone on before and that it should happen so near to Easter Time. Easter Sunday is the greatest Sunday in the entire year. It is the very core of our Christian Way of Life. The Cross would be the saddest symbol in all history, unless it had as its counterpart the Resurrection of the Human Soul. If Good Friday were the end of everything for Jesus, if He, the fairest Spirit that the Earth has ever known, equally with the wicked Herod, should drop through the blind trap of death into nothingness, Life would have neither Rhyme, nor Reason. It cannot be so. As the Disciple Peter said, "It was not possible that He should be holden of death."

Yes, My Brethren, we can take another look. There is another Chapter in the Book of Human Existence. There are untold multitudes to whom the presence of the Galilean was as real as the consciousness of right and wrong. There are untold multitudes who would chant aloud with the Immortal Poet, Whittier, when he said,

*"Yet in the maddening maze of things,  
And tossed with storm and Flood,  
To one fixed trust my Spirit clings,  
I know that God is good."*

This fact, My Brethren, can sustain us in our darkest hours. It can send us along the road of Life with a song on our lips, as it did those whom we memorialize this day. There is and there must be a perennial source of Strength and Inspiration, an abiding energy, whose life-giving powers are available for all men.

We, as Master Masons, should use this God-given power. It is our Way of Life, too. It is the basis of our Movement. Let each one of us while here sip again from the fountains of Truth, rekindle our faith, and renew our silent compact with those whom we Eulogize this day that their deeds may live on and on as long as the ages roll.

*"Give me a Faithful Heart, Likeness to thee  
That each departing day henceforth may see,  
Some work of Love begun,  
Some wanderer sought and won,  
Something for Thee."*

These are the underlying tenets of our Movement. It is one in which Man can truly find himself, can truly save himself, and can truly project his feet upon the way of Life. For surely his Spiritual Frontiers are broadened in the beautiful mountain tops of Freemasonry.

*"Oh, may I join that choir invisible  
Of those immortal dead who live again."*

### **M. W. JOHN CATLETT VANCE, P.G.M., RECOGNIZED**

M. W. CHARLES A. HARRIS, P.G.M., *Grand Secretary*: "Most Worshipful Grand Master, I won't make him walk down to the altar, if it is agreeable with you, but I want to present to you and to the brethren of the Grand Lodge of North Carolina and our distinguished guests a distinguished Master Mason from Buncombe County, a man who, I believe is your 'daddy' in Masonry, Sir. He was not able to get here yesterday, but I am glad to present him to you today, Sir.—Most Worshipful John Catlett Vance, Past Grand Master of Masons in North Carolina." (APPLAUSE)

M. W. JOHN CATLETT VANCE, P.G.M.: "My brethren, it is a pleasure for me to be here after two or three days of sickness and I thank you for your prayers for my improving health. I am glad to be here, sorry I missed all the meetings. First time I had missed the Grand Lodge meeting since 1914. Next year, I will have been a Mason fifty years, if I live that long. It is a pleasure for me to be here with you and welcome you back—come back again and remember, we are glad to have you."

**REPORT OF THE GRAND LECTURER**

(Docket No. 35-A)

The following report of the Grand Lecturer was presented, and the following motion was adopted:

"That the Report of the Grand Lecturer be received and entered on the record and that the recommendation in that report be adopted."

*To The Most Worshipful Grand Lodge of North Carolina:*

The year 1962 was one in which considerable progress was made in the field of ritualistic proficiency and Masonic Education. The various Grand Lodge Officers and others have given generously of their time and kindly counsel and are due the credit for whatever achievement that has been accomplished.

To M. W. Grand Master, Charles C. Ricker, I am indeed thankful for his valuable assistance and support in promoting the educational program.

I shall always be grateful to M. W. Charles B. Newcomb, Past Grand Master, Past Grand Secretary, and members of the Board of Custodians for without their guidance, wise counsel, and ever-ready willingness to help when needed, the job of Grand Lecturer would have been extremely difficult. I am particularly indebted to my long-time personal friend M. W. Charles A. Harris, Past Grand Master and Grand Secretary, for his assistance and cooperation.

I would like to pay special tribute to our hard working and dedicated group of District Deputy Grand Lecturers. These brethren take pride in their work and are due much praise and recognition for their contribution to Masonry in raising the level of ritualistic proficiency and promoting the Lodge System of Masonic Education throughout our Grand Jurisdiction. The District Deputy Grand Masters are to be congratulated on their assistance and fine cooperation given the District Deputy Grand Lecturers in carrying out their various assignments.

To W. Brother William H. Hardy, who made the arrangements for the exemplification at this session of Grand Lodge and to all the bretheren for their participation, I extend my sincere thanks and appreciation. You brethren are to be congratulated on a job well done.

**REPLACEMENT OF DISTRICT DEPUTY GRAND LECTURER**

We were saddened by the death of Brother Bert Cagle, who was District Deputy Grand Lecturer of the 56th District. Brother Cagle passed away June 17, 1962. His unexpired term was filled by Brother Clarence W. Burrell. This was the only replacement made during the year.

**LECTURE SERVICE**

Again it is my pleasure to report that all lodges in this Grand Jurisdiction are current as to Lecture Service for the year 1962. I am grateful to the District Deputy Grand Lecturers and Certified Lecturers for making this the sixth consecutive year in which this perfect goal has been attained.

**REPORT ON RITUALISTIC WORK AND ACTIVITIES**

All fifty-seven Masonic Districts in the State have filed a report on the conditions and activities of the various lodges in their respective district as required by THE CODE, forty-eight Districts report that two or more Schools of Instruction were held and nine held only one school during the year.

A careful study and analysis of these reports indicates that interest in the ritualistic work continues to improve throughout the state and that steady progress is being made towards having proficient degree work in every lodge.

**MASONIC EDUCATION**

It is interesting to note the increase in number of lodges using the Lodge System of Masonic Education. The reports indicate 346 lodges are now using this system. The remaining 19 lodges, we hope will avail themselves of this important tool in the coming year.

There is a definite need of more education and we can easily broaden the scope in this field by making greater use of the various educational programs and particularly the Lodge System of Masonic Education.

\*In order to make the present program more effective and obtain greater results, I recommend a District Deputy Grand Lecturers' Conference be held each year. The Conference would offer an opportunity to expound the fundamental principles on Masonic Education and its proper application as prepared and adopted by our Grand Lodge.

\*This recommendation was approved by the Grand Lodge.

## REPORT OF THE COMMITTEE ON CHARTERS AND DISPENSATIONS

(Docket No. 36)

The following report of the Committee on Charters and Dispensations was read by Worshipful Brother Berl M. Kahn, P.M., C.L., unanimously adopted by sections, and then unanimously adopted as a whole:

*To The Most Worshipful Grand Lodge of North Carolina:*

The Committee on Charters and Dispensations met on April 16, 1963, and examined the Petition for Charter and other documents of Meridian Lodge U.D., Charlotte, North Carolina.

Officers of this lodge under dispensation talked with the Committee and we are satisfied that they meet the requirements of THE CODE relating to chartering new lodges.

We therefore recommend that this lodge be granted a charter to work under the Grand Lodge of A.F. & A.M. of North Carolina.

We also recommend that Meridian Lodge be given the number 728.

This committee recommends that the members listed below be named as principal officers of Meridian Lodge:

Marshall Edward Propst, Master  
Lee Albert Burke, Senior Warden  
John Rankin Litaker, Junior Warden

We wish to take this opportunity to commend the members and officers of this lodge, the District Deputy Grand Lecturers and the District Deputy Grand Masters for their fine work they have exhibited in the formation of this new lodge.

The petitions of Cary Lodge No. 198 and Garner Lodge No. 701, A.F. & A.M., for concurrent jurisdiction with four lodges in Raleigh and Millbrook, as Docket Nos. 12-A and 12-B, have been carefully examined by us and we find them in proper form and we recommend that the Grand Lodge simultaneously approve same.

Respectively submitted,

BERL M. KAHN, P.M., C.L., *Chairman*

ROSCOE M. WYNN, P.M.

WILLIAM S. GALLIMORE, JR., P.M.

ALFRED A. KAUFER, Jr., P.M., *Senior Grand Deacon*

## REPORT OF THE BOARD OF DIRECTORS OF THE NORTH CAROLINA MASONIC FOUNDATION, INC.

(Docket No. 37)

The following report of the Board of Directors of the North Carolina Masonic Foundation, Incorporated, was read, received, entered on the record, and referred to the Committee on Finance:

*To The Most Worshipful Grand Lodge of North Carolina:*

The Board of Directors of The North Carolina Masonic Foundation, Incorporated, respectfully presents the following report of in-

come, disbursements, assets and liabilities of the Permanent Fund, the Drewry Memorial Grand Secretary's Fund, the B. F. Moore Legacy, and the Taylor Grant Fund, for each of which the Foundation is the Custodian, and which constitutes its entire business for the calendar year ending December 31, 1962:

#### **PERMANENT FUND**

The attached exhibits are taken from the report of the Auditor for the calendar year 1962, and we have retained identification of the exhibits for convenience. They present fully and in detail the record of our transactions and, therefore, we use these exhibits as a part of our report.

1. The statement of income and expenses will be found on Exhibit "E".
2. The inventory of investments in Savings and Loan Associations will be found on Exhibit "F".
3. The inventory of investments in the United States Government Bonds will be found on Exhibit "G".
4. The inventory of investments in corporate bonds will be found on Exhibit "H".
5. The inventory of investments in corporate stocks will be found on Exhibit "I".
6. The statement of assets and liabilities will be found on Exhibit "D".

#### **DREWRY MEMORIAL GRAND SECRETARY'S FUND—1962**

We use the exhibits of the Auditor in presenting the details of our handling of these funds, for the same reason stated above (See PERMANENT FUND—1962).

1. The statement of receipts and disbursements will be found on Exhibit "L".
2. The inventory of investments in bonds and stocks will be found on Exhibit "K".
3. The statement of assets and liabilities will be found on Exhibit "J".

We report that the total income on this account (\$3,412.00) was paid to the Grand Lodge of A.F. & A.M. of North Carolina.

#### **B. F. MOORE LEGACY—1962**

We use the exhibits of the Auditor in presenting the details of our handling of these funds, for the same reason stated above (See PERMANENT FUND—1962).

1. The statement of assets and liabilities and the statement of receipts and disbursements will be found on Exhibit "M".

We report that the total income on this account in the sum of \$47.50 was paid to Oxford Orphanage, Inc., in accordance with the provisions of the will of our late Brother Bartholomew Figures Moore.

#### **GRANT FUND—1962**

We use Exhibit "N" of the Auditor's report to show the status of this Fund, the entire amount of the same (\$783.13)—the original

principal in the amount of \$500.00 plus accumulated income in the amount of \$283.13—being deposited in a savings account in the Raleigh Savings and Loan Association, Raleigh, North Carolina.

For complete information on this subject, we refer to page 187 of the Proceedings for 1947, page 165 of the Proceedings for 1948, page 182 of the Proceedings for 1949, and pages 64 and 119 of the Proceedings for 1950.

We report that the total income on this account in the sum of \$30.41 was added to the Fund, as has been the case with all previous income on the same.

#### **COMBINED STATEMENT OF ASSETS AND LIABILITIES OF THE NORTH CAROLINA MASONIC FOUNDATION, INC. Custodian**

A statement showing the assets and liabilities of the Permanent Fund, the Drewry Memorial Grand Secretary's Fund, the B. F. Moore Legacy, and the Grant Fund, being all of the accounts and funds administered by The North Carolina Masonic Foundation, Incorporated, will appear on schedule a attached hereto.

#### **PERMANENT FUND INCOME AND DISBURSEMENTS**

We believe that the several exhibits and schedules submitted herewith show in sufficient detail the source of income, and the objects of disbursements. It will be noted, however, that total income from investments (Permanent Fund) was \$47,328.75, and that expenses amounted to \$2,728.01, leaving the net income of \$44,600.74 which, less \$15,000.00 paid to the Grand Lodge, was added to the surplus, the total of the said surplus (of the Permanent Fund of the Grand Lodge) having been \$1,180,037.99 as of December 31, 1962.

**PRESENTATION OF CERTIFICATES OF MERIT FOR  
100% PARTICIPATION IN THE  
GEORGE WASHINGTON MASONIC FUND**

(Docket No. 38)

M. W. Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, announced that the time had come to present the Certificates of Merit to the lodges that had participated 100% in the George Washington Memorial Fund since the 1962 Annual Communication.

BROTHER PUGH: "Most Worshipful Grand Master, as we announced yesterday, we have these Certificates of Merit to be awarded to the lodges that raised their 100% quota since the last Grand Lodge session in Raleigh. Last year a Certificate of Merit was presented to each lodge reaching its goal of 100% participation in the Grand Lodge's program of raising a fund equal to one dollar per member over a period of four years. This Certificate was presented to fifty-eight lodges. This year's Certificates of Merit will be presented to thirty-five lodges that have reached their goal of 100% participation since that time. The total amount raised is \$21,529.72. We are about one-third of the way financially, but about half of the way chronologically. In other words, in the remaining two years allotted to us for this program, we will have to raise the other two-thirds of our quota. Consequently, we must bend every effort and be as diligent as possible in the next two years.

"If the Master of the following lodges, or his representative, will please come forward as the name of his lodge is called, the Grand Master will be happy to present to you this beautiful Certificate of Merit, signed by the Grand Master and by the Chairman of this Committee, recognizing such outstanding achievement."

## REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

(Docket No. 39)

The following report of the Committee on Fraternal Correspondence was read by M. W. Brother Charles H. Pugh, P.G.M., Chairman, received, entered on the record, and unanimously adopted *as to the recognition of the Sovereign Grand Lodge of India and the Grand Lodge of Belgium. The matter of the recognition of the Grand Lodge of Cuba, in Cuba; and the recognition of the Grand Lodge of Cuba in Exile in the State of Florida and the visitation of its members in the Grand Lodge of North Carolina, was referred to the incoming Grand Master. The report was then adopted as a whole:*

*To the Most Worshipful Lodge of North Carolina:*

We herewith submit our second annual report as Fraternal Correspondent of this Grand Jurisdiction. As we stated in our report last

year, we felt entirely inadequate to attempt to make as efficient report as did our beloved Past Grand Master, Dr. Wallace E. Caldwell.

However, we found to our delight a source of information and an ability to make momentous decisions in our Grand Secretary, Brother Charles A. Harris, P.G.M. Most of the deciding recommendations found in this report are due to his careful observations into expressions that can be understood by the Craft.

Several years before I had any idea of ever attempting to occupy this position, I had attended the *Conference of the Commission on Information for Recognition* held in Washington each year in connection with the Grand Masters' Conference and other Masonic Organizations. I fully intended to be in Washington in February of this year, but serious illness prevented my attending. However, our very efficient Grand Secretary did attend, and consulted with those present, as well as a personal interview with Dr. Thomas Roy, Secretary of the Commission. Most of the recommendations made in this report are a result of his efforts at that time.

I also had some communications with Dr. Roy, as well as the Annual Report of this Commission in Washington in February. Brother Harris has kept me informed in regard to activities of some of the Grand Jurisdictions.

#### INDIA

From information received from several sources and upon the recommendation of Dr. Roy and the Commission on Recognition, together with the following comment in the Proceedings, we quote:

"The Grand Lodge of India, organized in November 1961 is making good progress. Two Lodges were consecrated in the first ten months of its existence, and one more Lodge voted to join, which meant leaving one of the older Grand Lodges with constituent Lodges in India. The Grand Lodge of India now has 149 Lodges. Mr. P. M. Sundaram, who was the first Grand Secretary was appointed Deputy Grand Master, and Worthy M. P. Dube was appointed to act as Grand Secretary."

I recommend that the Grand Lodge of India be accepted as a Sovereign Grand Lodge and recognized as such. (Adopted)

#### BELGIUM

Since last year a large number of Jurisdictions in the United States and Canada have recognized the Grand Lodge of Belgium. Since that time, several more of the Grand Jurisdictions in the United States have fully recognized Belgium and upon the suggestion of Dr. Thomas Roy, Secretary of the Commission, and upon the insistence of our Grand Secretary, Charles A. Harris, that Belgium be recognized and being reliably informed that they meet all the requirements we demand of them, I recommend that Belgium be included in the number of other Jurisdictions with which we are in full formal Fraternal Relations.

I move the adoption of this part of the report. (Adopted)

#### CUBA

In our report last year, we commended the Grand Lodge of Florida for its humanitarian attitude in assisting Masons who had

fled from Cuba and for its support of the Grand Lodge of Cuba in Exile in the State of Florida. However, since that time the picture has changed to a certain extent and certain Edicts have been issued that are not clear in their meaning.

I, therefore, recommend that the recognition of the Grand Lodge of Cuba in Cuba; and the recognition of the Grand Lodge of Cuba in Exile in the State of Florida and the visitation of its members in the Grand Lodge of North Carolina, be referred to the incoming Grand Master for his action.

I move the adoption of this part of the report. (Adopted)

I now move the adoption of the report as a whole. (Adopted)

Fraternally submitted,

CHARLES H. PUGH, P.G.M., *Chairman*

**REPORT OF THE COMMITTEE ON FINANCE**

(Docket No. 40)

The following report of the Committee on Finance was presented by M. W. Brother Robert L. Pugh, P.G.M., Chairman, and unanimously adopted:

*To the Most Worshipful Grand Lodge of North Carolina:*

Your Finance Committee reports that they have checked the report of the Grand Secretary and the audit of the Grand Auditor, and find that the Grand Secretary's Office received the following amounts from the sources tabulated and in parallel columns are shown estimates made in 1962:

ITEM I:	ACTUAL	BUDGET
1. Charges to Lodges, Per Capita, Initiation Fees, Charity and other charges-----	\$187,790.00	\$178,430.00
2. Drewry Memorial Fund-----	3,412.00	3,000.00
3. Refunds—Audits -----	700.00	700.00
4. Other receipts (Refunds, Demits and 175th Anniversary Medals)-----	1,897.44	—0—
5. G. W. M. N. M. A.-----	12,205.22	—0—
6. Dividends from Savings and Loan-----	1,982.20	2,000.00
7. Received from N. C. Masonic Foundation--	15,000.00	—0—
8. Sale of Books-----	3,915.25	4,000.00
Total -----	\$217,903.11	\$188,130.00
Less Credit Balance used by Lodge No. 407-----	11.00	
	<u>\$217,892.11</u>	

**ITEM II:**

Estimates of our income for 1962 were very close to actual receipts for the year, with the exception of Item 4: "Other Receipts" in the amount of \$1,897.44. This was unanticipated. Since the net income received from the Masonic Foundation did not remain with the Grand Lodge but was ordered transferred to the Permanent Fund, and since the G.W.M.N.M.A. funds are transferred to a separate account, administered by the Grand Treasurer, these items did not appear in the Anticipated Income.

We have carefully checked the Report of the Board of Directors of the North Carolina Masonic Foundation, Inc. We recommend that the net income from this Fund be left in the Foundation.

We are delighted to report that on December 31, 1962, there was due from lodges only \$37.50, which we consider an exceedingly small Accounts Receivable. This amount is due from only two lodges.

## RECOMMENDATIONS

1. We recommend that an honorarium of \$1,200.00 be paid to Brother Percy C. Stott out of the Charity Fund, the same to be paid by May 1, 1963.

2. We recommend that the sum of \$2,000.00 be allocated to the Special Committee on Masonic Research and Education for its use during the year, and \$400.00 for the Committee on Special Masonic Ceremonies.

3. We have included in the budget allocations to make possible all recommendations in the Grand Master's Report under his Recommendation No. 11.

4. We recommend approval of the Resolution by the Representative to the George Washington Masonic National Memorial Association clarifying particular items set forth on pages 83 through 86 in the Proceedings of our Grand Lodge held on April 18, 1961, Docket No. 19, and also at the annual communication held on April 16, 1962, and set forth on pages 92 and 93, as Docket No. 21, of the Proceedings of that session.

5. We recommend allocation of the requested \$100.00 for the preliminary work leading to the publication of "A Digest of the Masonic Law of North Carolina" for the years 1926 through 1962 by the Code Commission.

6. We recommend continuation of the policy of purchasing an automobile for the use of the Grand Master, as recommended by the Grand Master, using a 1962 Series Cadillac or its equal, the same to be traded in at the end of the year by the Grand Lodge. It is further recommended that in making future purchases, the Grand Lodge shall obtain three competitive bids.

7. We endorse the Grand Master's recommendation for a Masonic Heritage Week as approved by the Committee on Jurisprudence, but since, at the present time, we are not aware of its cost, we suggest that if the Grand Master decided to activate such a program, the expenses incurred shall be taken out of the Contingency Fund.

8. We, furthermore, recommend that the Grand Lodge re-appraise all of its activities and services to determine the feasibility and practicability of reducing its expenses, without, at the same time, decreas-

ing the quality of any of its essential services. We are concerned about the annual rise in expenditures and believe that such a re-appraisal might be beneficial at this time.

Respectfully submitted,

ROBERT L. PUGH, P.G.M., *Chairman*

**GRAND MASTER CHARLES CARPENTER RICKER**

We wish to commend this great Mason for his untiring efforts in behalf of the Fraternity during his year. He has not only visited all sections of our own Grand Jurisdiction and carried the message of Masonry to our own brethren, but he has ably represented us in person or has sent another able representative to many other Grand Jurisdictions, so that North Carolina is now known everywhere as a friendly and hospitable Grand Jurisdiction.

Many of our Distinguished Guests from other Grand Jurisdictions are with us solely because of their love for our Grand Master, and many others who were not able to be with us spoke of him in glowing terms and declined our invitation with deep regret. The letters of regret received in the Grand Secretary's office reveal the esteem in which this great Mason is held throughout the land.

His untiring labors, done without ostentation; his humility; his innate courtesy; his readiness to serve his brethren and Freemasonry have endeared him to the Masons of North Carolina, and in many other Grand Jurisdictions. The Grand Lodge of North Carolina is fortunate to have had him for its Grand Master, and he leaves this exalted office with the high esteem, brotherly love and affection of all of us.

Respectfully submitted,

### **PRESENTATION OF PAST GRAND MASTER'S APRON TO THE GRAND MASTER**

### **GAVEL PRESENTED TO GRAND MASTER WILLIAM EDWARD BURRIER**

In a brief ceremony, M. W. Brother Robert L. Pugh, P.G.M., presented the Gavel to M. W. Brother William Edward Burrier, Grand Master of Masons in North Carolina.

### **INSTALLATION REMARKS OF M. W. BROTHER WILLIAM EDWARD BURRIER**

*Grand Master of Masons in North Carolina*

Most Worshipful Brother Bob Pugh, our Installing Officer, and M. W. Brother Dick Bundy, our Installing Marshal, are both worried to death. They tell me I have a maximum of thirty seconds, claiming that I can say nothing in twenty-five words or less. As I feel this evening, I don't know just what to say. It's true that for five or six years I have been preparing—I have been naturally anticipating for some time arriving at the oriental chair and yet as I suggested to the Board of General Purposes yesterday, it still comes as a terrific shock. I have been hearing our distinguished and illustrious predecessors refer to their Masonic grandsons and their Masonic great grandsons. Some five or six years ago, Brother Jimmie Johnston appointed me but I hesitate to call him "daddy" because Jimmie just had a baby daughter born two weeks ago. At my age, I am afraid I can't claim fraternal kinship with a two-weeks old baby.

Brother Bob Pugh, in his charge to me at the altar, spoke of privileges and responsibilities. It is quite a coincidence that two weeks ago today Bob Pugh and I together attended a Masonic Degree at which time we discussed, with no thought of this in mind, the statement that was made "your privileges are not near so important as your responsibilities." Now, truly my Brethren, I don't feel lightening has struck, I don't feel that there has been a Messianic appearance today, I don't believe that tomorrow morning is going to be Resurrection Morning, I just promise you that I will do my best to carry on with the program established two years ago with my illustrious predecessors, Jimmie Brewer and Charlie Ricker—God bless them—and my right hand here, Dudley Humphrey—and will try to give a good administration.

This is the one hundred seventy-sixth session of this Grand Lodge. If I can be but a reasonably good link between those one

hundred seventy-six years and the one hundred seventy-six that follow, I will be very happy and thank you so much for your support and your help. With God's help, we will have a good year. (APPLAUSE)

**HONORARY MEMBERSHIP CERTIFICATE  
IN MAGNOLIA LODGE NO. 20, COLUMBUS, OHIO,  
PRESENTED TO GRAND MASTER**

**M. W. ROBERT L. PUGH, P.G.M.:**

"We have a very unique situation at this time by the singular circumstance and most unusual in services of this type because the lodge in which our Most Worshipful Grand Master was raised to the Sublime Degree of Master Mason is now represented by the present Master of that lodge, Brother Bill Stout, and I am very pleased to recognize Worshipful Brother Stout at this time—Brother Stout."

**W. BROTHER STOUT:**

"Most Worshipful Grand Master, I have the distinct honor of presenting you a Certificate of Honorary Membership in Magnolia Lodge No. 20 of Columbus, Ohio. This is indeed an honor for me and I hope you will cherish this as long as you live, and here is another thing, a little token of our sincerity and we hope you have a successful year."

(Ed. Note: Certificate of Honorary Membership and an 8-transistor radio presented to M. W. Brother Burrier, Grand Master.)

**M. W. BROTHER W. EDWARD BURRIER, Grand Master:**

"God bless you, Worshipful Brother Bill! I knew you were coming. I have known for some time you were coming. Helen and I, as young honeymooners, moved to Columbus and we adopted it and I petitioned your lodge and was scared to death. It took three months to get in; that is, before they received me. We have been back about six times. We were there just about six weeks ago. Thank you and Andy White so much, and convey to my brethren in Magnolia Lodge that I shall treasure this Honorary Membership with my dearest treasures. Thank you so much." (APPLAUSE)

**CERTIFICATE OF APPRECIATION OF THE  
GRAND LODGE OF OHIO  
PRESENTED TO**

**M. W. BROTHER WILLIAM EDWARD BURRIER**

*Grand Master of Masons in North Carolina*

**M. W. BROTHER ROBERT L. PUGH, P.G.M.:**

"We also have with us this evening the Past Grand Master of the Grand Lodge of Ohio and the present Grand Secretary, Most Worshipful Brother Andrew White, whom we are also pleased to recognize at this time—Most Worshipful Brother White."

**M. W. BROTHER ANDREW J. WHITE, JR., P.G.M., Grand Secretary of Ohio:**

"Most Worshipful Brother Pugh and Most Worshipful Grand Master: This really is not a novel experience in Ohio. You are not, Sir, the first of our brethren to achieve the dignity and responsibility

of being the Grand Master in another state. A few short years ago, the late Brother George G. Hoole, who was raised in my own lodge, became the Grand Master of Masons in the State of Montana and he received a similar recognition from my lodge which conferred upon him an Honorary Membership. Far back in the pages of history, Most Worshipful Brother Louis Cass, who had served as Grand Master of Masons in Ohio, left Ohio to settle in the Michigan territory and he became the first Grand Master of Masons in the State of Michigan upon the organization of that Grand Lodge. We do not have, Sir, in the Grand Lodge of Ohio a declaration similar to that which your Grand Lodge tenders to distinguished Masons, but we could not let this opportunity pass to share with Magnolia Lodge the pride which it feels in your attainments. I think I ought to say to you, however, that our pride as members of the Grand Lodge of Ohio is tinged a bit with shame as well—shame that we let you get away from us. So by order of the Grand Master of Masons in Ohio, I bring you a little token of our esteem. It reads as follows:

‘This expression of appreciation is presented to  
Most Worshipful BROTHER WILLIAM EDWARD BURRIER  
Grand Master of Masons in North Carolina  
by the Grand Lodge, Free and Accepted Masons of Ohio  
in token of the friendship and affection of  
the brethren of his mother Grand Lodge in recognition of  
his high position  
and his distinguished service to Freemasonry.’

“It is signed by our Grand Master and by me as Grand Secretary. Receive it in good health and have a wonderful year. We expect you in the Grand Lodge of Ohio in October.”

**M. W. W. EDWARD BURRIER, GRAND MASTER:**

“Thank you, Andy. You have a place for Helen and me, we will be there.”

### **PAST GRAND MASTER’S JEWEL PRESENTED TO M. W. CHARLES CARPENTER RICKER**

*Past Grand Master of Masons in North Carolina*

A Past Grand Master’s Jewel was presented to M. W. Brother Charles Carpenter Ricker, P.G.M., by M. W. Brother Maxwell E. Hoffman, P.G.M.

**M. W. MAXWELL E. HOFFMAN, P.G.M.:**

“Friend! I can call you ‘Charlie’ now. It has been twelve months since I could call him ‘Charlie’. He has been my Grand Master since then. Brother Charlie has put the Grand Lodge of Masons in North Carolina on the map during the past twelve months. He has done an outstanding job. Now this is not a reward for what his work has been. It is a memento that he may be able to wear for the rest of his existence and I am sure that there is no award that could be put upon a man of any more distinction than this, not even the honor of the Golden Fleece of the Roman Eagle and I hope that you will wear it with pleasure and distinction to yourself and honor to this Fraternity.”

(M. W. Brother Ricker accepts the Jewel with a few brief words of appreciation.)

**FAMILY OF M. W. BROTHER CHARLES CARPENTER  
RICKER, P.G.M., RECOGNIZED**

**M. W. BROTHER ROBERT L. PUGH, P.G.M.:**

"We would like to express our appreciation also Most Worshipful Brother Ricker to your family who have been so patient and so tolerant during these past twelve months because I am sure that you were away from them many and many an hour, when it would have been much more pleasant to have been with them. Will Most Worshipful Brother Ricker's family please stand and let's present them at this time to this fine audience?"

(Ed. Note: Mrs. Ricker and the children stand.) "His good wife, Nellie; his daughter, Mary Katherine; the second daughter, Carolyn; and his son, Ricky. This is the Ricker family." (APPLAUSE)

**FAMILY OF M. W. BROTHER W. EDWARD BURRIER,  
GRAND MASTER, RECOGNIZED**

**M. W. BROTHER ROBERT L. PUGH, P.G.M.:**

"Now, I would like to present the family of our new Grand Master. It isn't often that a Grand Lodge has the opportunity of expressing to the families of our leaders our deep and sincere appreciation for their contribution because indeed it is a tremendous contribution. We are grateful for all that they furnish in the way of inspiration, tolerance and devotion. We are very pleased at this time to present the wife of our Grand Master, Helen—if you will please stand—and his daughter, Joyce Lee and her husband, the Reverend David Wright a Methodist minister from Winston-Salem, and his other daughter, Judith Ann, or 'Judy,' who is a Sophomore in High Point College. These ladies and brethren are the family of our Most Worshipful Grand Master." (APPLAUSE)

**APPRECIATION**

**M. W. BROTHER ROBERT L. PUGH, P.G.M.:**

"The music during this Grand Lodge Communication has been a very attractive feature. We would like to express our appreciation to those who have contributed so much in that respect. The general organist has been Brother Louis (Shug) Lampkin, from Charlotte. The soloist for the Memorial Services this morning and for the Installation Services this evening, Brother Kenneth Heinbaugh, and the organist, Brother Julian Helms. We express our deep appreciation to you for your fine contribution to this Grand Lodge Communication in the area of music (APPLAUSE)."

"There is a distinguished group from Charlotte present this evening, also, and would like to recognize them at this time who have come especially to see our Grand Master installed in this exalted position. Will you brethren and sisters from Charlotte please stand at this time? We would like to recognize you and express to you our appreciation. (Group stands and is applauded.)"

"Our two light men over in the balcony have been very, very faithful. They have tried their best, and I know it has been difficult at times to spot the brethren as they were marching down the aisle, but they have done a beautiful job of it. Brethren, we would like to express to you our appreciation for the fine contribution that you have rendered. Will you please stand and take a bow? (APPLAUSE)

"To everybody who helped to make this a marvelous Grand Lodge Communication, Thank You, we appreciate it ever so much!

"Having accomplished the purpose for which we were assembled, you will stand and we will have the benediction solo by Brother Kenneth Heinbaugh. Thank You, and Good Night!"

Solo—By Brother Kenneth Heinbaugh.

# **RULES FOR THE GOVERNMENT OF THE LECTURE SERVICE**

(June 14, 1957)

(Promulgated by the Board of Custodians June 11, 1948, effective July 1, 1948, and amended in 1953, 1956, and April 17, and June 14, 1957).

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. (a) The revised and amended Regulation 35-09, effective April 17, 1957, reads as follows:
  1. REG. 35-09. Each subordinate lodge shall engage the services of a Certified Lecturer for instruction in the ritualistic work for one week or the equivalent thereof every two years.
  2. At least fifteen consecutive calendar months shall elapse between the dates of such instruction.
  3. However, the Board of Custodians in its discretion, and upon application, may excuse a lodge from this requirement for not more than one year from the date of its application; and thereafter the Board in its discretion, and for good reasons, and upon another application, may excuse the lodge for not more than one additional consecutive year (making a limit of two consecutive years that such lodge may be excused), and after which no further excuse shall be granted such lodge until after it has been actually instructed as hereinbefore required.
  4. A lodge that has been excused shall obtain the required instruction in the ritualistic work through the Lecture Service within one year after the last day of the period for which it was last excused.
  5. A lodge that has not been lectured *within four years* shall not be excused.

## **EXAMPLE SHOWING OPERATION OF THE ABOVE**

20-21	TOTAL years from date last lectured		<hr/> 4 years
13-20	It can NOT be excused again until after it is lectured.		
18	MUST be lectured within 1 year AFTER 1-1-61	1-1-62	1 year
	Years between lecture service, maximum		<hr/> 5 years

- (b) For the instruction required in Regulation 35-09, as quoted above in lines numbered 1 through 5, the Grand Lodge will allow credit, or will refund to a lodge the fee, as set forth in Rule 5 below.

(As amended and approved by the Board of Custodians. 6-14-57).

5. The required one week of instruction may be complied with in either of the two following methods:

- (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also that there shall be instruction on each of not less than five different days, *all within seven consecutive days*, and for this class of service the fee shall not exceed \$50.00 per week, or

(As amended and approved by the Grand Lodge. Page 185. Pro. 1956).

- (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 for twenty-four hours of instruction. (See Rule 13).
6. The Board of Custodians recommend that the instruction be rendered on consecutive days, whenever it is practical or if circumstances render it more efficient, but this is not mandatory.
7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.
8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B," for which he shall *not* receive compensation; but this class of instruction shall not be considered as compliance with Regulation 35-09.
9. The Grand Lodge will refund to a lodge, or will allow it a credit for, the fee actually paid out as set forth in Rule 5, when the lodge is instructed for the minimum of one week in every consecutive two years as required in Regulation 35-09, and in these rules. If the lodge does *not make a payment* for the instruction the Grand Lodge will not allow a credit nor make a refund, but a *report* of the instruction given shall be made as required under Rule 13.
- (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within ten days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09, and these rules, the lodge is entitled to a refund for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.

- (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary on Official Form No. 38 before December 20 of each year. (See Rule 13).
  - 10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall:
    - (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
    - (b) Transportation expense shall not exceed eight cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
    - (c) Comply with Rule 13, below.
  - 11. A lodge *not entitled* to instruction in the Ritualistic Work, under Regulation 35-09, and these rules, which accepts instruction from any Class "A" Certified Lecturer, will pay the fee, as defined in Rule 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge. (See Rule 13).
  - 12. A lodge may obtain *special* lecture service or instruction as often as it desires. But the lodge, in such case, will pay all fees as set forth in Rule 5 (a) or (b) and such expenses incident thereto which exceed one week in every two consecutive years as set forth in Rule 4, without reimbursement from the Grand Lodge. A report of any such work done must be made as required in Rule 13. (See also Rule 10).
  - 13. Within ten days after *any* lecture service is rendered a lodge under Rule 5 (a) or (b), whether or not it is *paid for* by the lodge, shall be reported by the Secretary of the lodge to the Grand Secretary on N. C. Official Form 38, for the Grand Lodge records. [See also Rule 9 (b)].
  - 14. In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work.
- (As approved: Pro. 1953 P. 161. Effective 4-22-53).
- 15. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.

PROCEEDINGS OF THE  
**RULES FOR GOVERNING THE OFFICIAL STANDARD  
OF THE WORK AND THE VOCABULARY**

●

(In effect June 8, 1962)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-03(1) as adopted new April 18, 1962 and Regulation 30-08, as adopted in 1948, and amended in 1957.

(Amended and promulgated by the Board of Custodians at Raleigh, N. C., June 8th, 1962).

Rule 1. The Grand Secretary shall be the Custodian of all unissued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

Rule 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

Rule 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

Rule 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

Rule 4 (a) This subdivision of Rule 4 provides that in addition to the categories entitled to the loan and use of the Official Standard of the Work as set forth in the foregoing paragraph (Rule 4), any lodge subordinate to this Grand Lodge may have the loan and use of not more than five (5) additional copies of the Official Standard of the Work to be loaned and used as hereafter provided.

If a lodge should apply for any or all of the said extra five (5) copies of the Official Standard of the Work it may loan not more than one (1) copy to a member of said lodge who may apply to the secretary thereof in writing and who desires to prepare himself to take the examination for proficiency in the ritualistic work, either

Class "A" or Class "B", as set out in REG. 35-07 and who pays the fee, if any is charged for the use of the same, which copy is not transferable in any manner whatever to any other person, and any such transfer, or attempt to transfer the same, shall be a serious Masonic offense.

Such application shall be made on the form prescribed by the Grand Secretary and filed with the secretary of the lodge of which the applicant is a member. A member of a lodge outside of this state cannot have a copy of the Official Standard of the Work.

The Official Standard of the Work may be loaned under this subdivision to a member for not more than one (1) year, and it may be renewed by the same member for an additional year, but it shall not be loaned to the same member for more than two (2) consecutive years. If the member shall pass the said examination for proficiency, either Class "A" or Class "B", he shall be entitled to have the loan and use of one copy as such certified member and as provided in the first paragraph of this Rule 4; however, if he shall fail to pass said examination within the said two (2) years he shall not be entitled any longer to have the said copy and he shall return the same to the secretary of his lodge. If he should transfer his membership to another lodge, either within or without the state, he shall promptly return the said copy to the lodge issuing it, and a failure or refusal to deliver up the said copy at any time upon demand by the secretary of said lodge or by the Grand Secretary or by the Grand Master shall be a Masonic offense, for which expulsion shall be the penalty upon conviction.

The secretary of the lodge may, in his discretion at any time, call for and examine any copy of the Official Standard of the Work loaned to a member of his lodge under this subdivision, and if he deems it necessary, he may proceed under the provisions of Rule 6, which Rule shall also apply in all respects as a part of this subdivision as far as it can be made to apply.

Any fee deposited for the loan and use of said copy issued hereunder shall be fixed from time to time by the Grand Secretary, but not to exceed \$5.00.

If the Grand Secretary should require a fee for the loan and use of the said copy of the Official Standard of the Work under this subdivision, the fee shall be refunded to the member making the payment upon return of the said copy to the secretary. If the said copy should be lost, destroyed or for any reason cannot be produced, the said fee shall not be refunded.

All laws, rules and regulations of this Grand Lodge, including the "Rules for Governing the Official Standard of the Work and the Vocabulary," now in effect or that may be hereafter promulgated, shall apply to and govern the application, loan and use of any copy of the Official Standard of the Work issued under and by virtue of this subdivision, except Rules 3, 5(a) and 5(b); and excepting also as this subdivision may amend Rule 4 hereof by adding this subdivision (a) providing for another category qualified to obtain the loan and use of a copy thereof.

[See Regulation 30-03(1) enacted April 18, 1962; 30-06(1) enacted April 19, 1961 but repealed April 18, 1962 and 30-08 enacted April 22, 1948, and amended April 17, 1957].

Rule 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so receiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule 4.

(b) In case a brother, who holds a copy of the Official Standard of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07(4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

CHAIRMAN OF COMMITTEE ON  
FRATERNAL CORRESPONDENCE

## REVIEW OF COMMITTEE ON FRATERNAL CORRESPONDENCE

In reviewing the Proceedings of the various Grand Lodges, you can really appreciate the Universality of Masonry. Although we have attempted to prepare the Reviews for the Grand York Rite Bodies of North Carolina for over ten years, this is our second attempt to review the Proceedings of the Grand Lodges.

We want to thank Grand Master Ricker for giving us the opportunity of reading and examining a large majority of the Proceedings of the Grand Jurisdictions with which we are in Fraternal Relations. We also want to thank our very efficient Grand Secretary for his help, advice and definite help, especially relative to the recognition of Foreign Grand Jurisdictions.

With the world at large in a state of tension, turmoil and trouble, it is pleasing to report that Freemasonry in all English speaking countries particularly, have enjoyed another year of peace, prosperity and usefulness. For this and for the liberties which we enjoy under the benign governments of Anglo-Saxon countries, we must give thanks to the Great Architect of the Universe.

Of course, the other side of the picture is different. Some of our Grand Jurisdictions that would be considered the outstanding leaders of the Craft continually show a net loss at the end of their fiscal year, while some of those that would not be considered ultra progressives are always in the net increase column. Many methods have been advanced to remedy this situation of continual net losses.

Other items that are major objectives of Grand Jurisdictions are the use of legitimate publicity through the celebration of anniversaries, laying of cornerstones, dedications, public installations, support of DeMolay, Rainbow Girls and other youth organizations. Masonic Employment Bureaus have been used, and other attractive objectives that would give Masonry favorable notice.

Some of the most prominent undertakings found in a large majority of Grand Lodges, are Masonic Institutions, Childrens' Homes, Homes for the Aged, and the ever-increasing interest in Masonic Education.

The subject of Masonic Education with periodicals available to the entire Craft is being considered in a large number of Jurisdictions. Ritualistic proficiency to be considered in a different category from Masonic Education is also mentioned.

Most of the problems and difficulties usually referred to by Grand Masters are in the process of being solved; or, at least, efforts are being made in their several directions. The one unsolved problem that still faces us is the grave and ever perplexing problem of poor attendance, decrease in membership and a definite lack of interest. Many answers have been put forward but none have been very effective. The general opinion seems to be counter-attractions, the various demands of a modern society, and all of these being opposed by a majority of the brethren improperly and inadequately prepared and informed concerning the purposes, aims and beliefs of Freemasonry,

with a scant knowledge of their duties, obligations and responsibilities of membership and certainly ill equipped for definite leadership.

The master of a Lodge should be equipped to be a Master of Ceremonies during the entertainments, "Ladies Nights", have a proper knowledge of the Ritual of the three degrees, and be able to properly convey to the anxiously waiting candidates, but in addition, he must be well versed in the "Masonic Education" part of his duties that is fast becoming very popular in a large number of Grand Jurisdictions.

He should have a thorough knowledge of the customs, usages and laws of the Fraternity, especially as they are interpreted in his Jurisdiction. He should have a working knowledge of the history, principles and objectives of the Fraternity that he may appreciate its genius; and thus, in truth and fact, be able to communicate Light and Truth to his less informed brethren.

We have reviewed some 25 or 30 Grand Jurisdictions separately. In some instances, we have used a considerable amount of quotations from Grand Masters addresses and excerpts of Grand Orations on several occasions. Some of these are so inspiring that it is hard to omit any part of some of them, but space forbids so much. It is our intention, if appointed next year, to individually review some of those Grand Jurisdictions not referred to in this report. These cover some of the subjects discussed by Correspondents and officers of several Grand Jurisdictions.

#### ALABAMA

142nd Annual Communication, Montgomery, November 20-21, 1962.

M. W. Arlis R. Fant, Grand Master. No. Lodges, 434, Members July 14, 1962, 75,988, Net Loss 523.

This is the first time in 22 years that they have shown a net loss.

R. W. Brother Hugh Moses, Grand Orator, delivered a very inspiring address.

We quote a few paragraphs from this excellent discourse:

"In considering a subject for my remarks on this occasion, I could think of nothing more timely and certainly of more universal concern than of man's integrity . . . His trustworthiness, so to speak, or the abiding degree of loyalty and sincere devotion he can apply to his obligations. Obligations to our Lodge and principles of Freemasonry . . . obligations to our families and our churches . . . obligations to our community and our fellowmen, with whom we are so closely associated here in this complex and intermingled way of life . . . our obligations to our positions in the community, whether in an official capacity or as a valued citizen . . . to the various duties of trust which it falls our lot to perform in the interest of our fellowman.

"One cannot live and practice the lessons of an obligation such as ours without integrity. Integrity is soundness of character, that quality of mind and spirit which we associate with honesty and good faith. It is the foundation upon which virtue and morality rest. It is the cornerstone of right relationships between individuals and groups. It is an indispensable ingredient of good business and the professions. Everything we are, everything we have, everything we hope for rests upon the integrity of man.

"A nation's greatest wealth is not found in the coffers of its financial institutions, nor is it found in the assets of its industries or its natural resources. A nation's greatest asset is in the integrity of its citizens and the responsibility of its government.

"The position of Masonry on these matters is clear cut. How grateful I am that Masons, such a great group of progressive-minded men, are concerned about these dangers. Americans must become aware of the ideals upon which the American way rests. This is the task that Masons are so well-qualified to perform. I cannot help adding a word of concern, however, that there are too many Masons who do not themselves believe enough in Masonry to stand with Masonry. Too many accept the privileges of Masonry but not the responsibilities."

"The Grand Jurisdiction of Alabama is solidly supporting the youth organizations. Eight cornerstones were laid during the year."

State of the Craft—The Grand Master discusses this as follows:

"Our membership is in a state of decline. It is necessary for me to report a small net loss this year of 523. While we are more concerned with quality rather than quantity, we need a growing fraternity to aid and assist in maintaining our American way of life. A certain level of membership must be maintained to support ourselves; that is, to fulfill our obligations to the residents of our Masonic Home and to keep our Outside Aid Program in effect. Certainly we should not lower our standards in taking members but live in a manner as individual Masons that will influence good men to want to unite and become a part of this ancient and honorable Order. We know that there is enough quantity of the proper quality that we can continue to be a growing institution."

A recommendation was made relative to Masonic Education and Publications. An extensive report by the Foreign Correspondent especially in regard to Cuba is very interesting.

No Reviews are published.

#### ALBERTA

57th Annual Communication, Edmonton. June 13, 14, 1962. M.'W.'. M. G. Merner, Grand Master. 171 Lodges, 19,330 members. Net Gain 93.

Only four Lodges have more than 400 members each, and 35 had 50 members or less and one new lodge instituted.

The Grand Master said:

"Masonry continues to advance and progress in this Jurisdiction. It is regrettable that there were 187 suspensions for non-payment of dues, 42 more than last year. This problem merits the active consideration of each Lodge Officer."

He was very emphatic about the use of Rituals bought from book stores. He cautioned the Brethren not to buy rituals from book stores, because Master Masons are not entitled to rituals, besides those bought in stores are not correct and in most Jurisdictions are illegal. He also warned them not to give rituals to candidates as it was not permissible and candidates should be taught without ritual. He also cautioned against the indiscriminate use of intoxicating beverages and said:

"The world is changing and its habits with it. Let us as Masons not be the style leaders when it comes to serving of liquor at every function. We have many young men in our Craft, some of whom have never had a drink. We have alcoholics in our midst who are daily working with the problem of alcohol. Let it not be said that a Mason or Masonry was ever responsible for getting a young man started or assisting an alcoholic to slip back into his former status."

#### ARIZONA

80th Annual Communication, Phoenix, Ariz. April 23, 24, 1962. M.: W.: Harold W. Holley, Grand Master. Lodges Jan. 1, 1962, (59) Membership Dec. 31, 1961, (12,762). Net Gain, 173.

We first quote from the address of the Grand Orator at the dedication of the Lodge Building of Thunderbird Lodge No. 48 on April 8, 1962.

"Every Freemason knows that he was made a Mason in a Lodge. He was Initiated in a Lodge opened on the Entered Apprentice Degree, Raised in a Lodge of Master Masons. It is a commonplace to refer to the consecrated and dedicated rooms in which a Lodge meets as 'the Lodge' yet, technically, this is an incorrect usage of the word 'Lodge' as we know it.

"It is easier to ask, 'What is a Lodge' than to answer. Before it receives a charter or dispensation, it is only a voluntary association of Master Masons. After it receives either, it is no longer a voluntary association: a member may not get out of it except by Lodge action through the granting of a demit, or as a penalty—expulsion or suspension. Nor can any man not a mason join it without its permission, nor any Mason become a member of it without its granting his request.

"A voluntary association generally may ask other men to join it; while a Lodge cannot legally ask any man to join.

"A Lodge is not created by a Grand Lodge, yet it cannot come into being without action by a Grand Lodge. A Lodge first begins by the voluntary act of a group of Freemasons. The Grand Lodge can and does give a charter, which is assurance to all men and Masons that the chartered lodge is regular, duly constituted, obeys the laws of Masonry, is part of Masonry, and is, in certain well-defined matters, under the authority of the Grand Lodge. Legally speaking, a Masonic Lodge is a body of Masons possessing a Charter from a Grand Lodge, with certain rights, privileges, duties, and responsibilities to itself, its Grand Lodge, and the community in which it exists.

"Masonically, a Lodge is something quite different. It is not a legal body, a thing, an association, a partnership, a club, a society. It is the embodiment of the spirit of Freemasonry in a group of Masons who write in one set of purposes, in one place, at set times, for the performance of certain duties. When a Lodge is not meeting, it exists only in men's hearts. Without meetings a Lodge has no power, performs no work, exists only as an idea. Members of the Lodge can carry out the will of the Lodge between meetings, but the Lodge, between meetings, has no active existence except—and this is a very large exception—as the Lodge is Freemasonry and Freemasonry may and often does exist in men's hearts though they never go to Lodge.

"What then, is a Lodge? A piece of parchment, A gathering of brethren which once a week does Masonic work? This thing which

exists without material of visibility—this idea which persists—has a profound power over the hearts of men. It can and does perform miracles. It gains the greatest cooperation and exacts from willing givers the hardest of labors—it transforms duties into privileges. It sings in men's hearts as they go about their daily vocation and makes them try to be better than they are. Yet never has a Lodge been held in the hand or seen with the eye. It is as ethereal as the perfume of roses while being as powerful and positive as the temple building which houses it. That is why it is such a well-beloved paradox.

"We have just completed the dedication and consecration of this Masonic edifice, the culmination of the visions and the dreams—yes and even the physical efforts of the members of this Lodge. In this Temple will be held the meetings of this group of men identified as members of the relatively new—yet already strong—Lodge of Freemasons. We feel certain that the moral, religious, political, and philosophical truths promulgated by this great fraternity of ours, when practiced outside the Lodge room by the members of this Lodge, and demonstrated by their efforts to be better citizens, husbands and fathers, and better Masons, CAN AND WILL be a powerful force for GOOD in the community."

We also refer you to the following excerpts from the Grand Master's address:

"The system of dividing the jurisdiction into districts and assigning a district to the elective officers as we have done for the past two years is bearing fruit and I would strongly recommend that it be made a permanent policy.

"Again this year the main subject of the Seminars was Ritual. Most of the Craft on being questioned, seem to be of the opinion that this should be varied next year. With this thought in mind and having consulted with the District Officers, I have requested the Committee on Masonic Education and Service to prepare a program for next year's Seminars. Having in mind that with the many other duties it is indeed hard for a Grand Master to get together with the other Officers and outline a program. By having a program prepared for them it is my hope that the Seminars can be started at an earlier date than the past two years.

"A study of the meeting dates of the Lodges in the several districts would seem to indicate that consideration should be given to some possible changes. If it were possible for some of the Lodges to change their stated meeting day, scheduling the visitation program could be more advantageous to the Grand Master and the District Officers. This would eliminate numerous trips into the same area and visitations could be scheduled to several Lodges on one trip."

They have a very active and progressive Committee on Publication and also another Committee on Masonic Education and Service. We quote:

"So now my brethren we come to the termination of my report. Like many others who have preceded me, I had many plans; again like them, because of the lack of time and the many demands made upon your Grand Master, many of my ideas never passed beyond the planning stage.

I have endeavored to give you good leadership. If I have failed it is not from lack of trying on my part. I would strongly impress

upon you the importance of continuity. If Masonry is to progress we must all chart our course and all must help set the sails. We must remember that past practice and past history are fine for our guidance in the future. But we must never forget that past practice does not always meet the present need. We must awaken from our lethargy and stop resting on the laurels of yesterday if we are to progress.

"We must ever keep in mind that Freemasonry is not an "exact ritual" alone, but that it is the exact formula by which we may each interpret it according to our own needs and thinking.

"I would like to express my deep appreciation to all who have been of so much assistance to me this year. To the Officers who have served with me and have always been willing to do whatever they could, I am deeply grateful. To the Grand Trustees and our Grand Treasurer from whom I have sought advice, I am also greatly appreciative, as well as for the many words of encouragement.

"I shall ever be grateful to M.W. Brothers J.A.E. Ivey and Gerald Craig, who as Grand Secretary and Acting Grand Secretary, have been most cooperative and helpful and to Brother Ray Akin, Assistant Grand Secretary, who too, has contributed much to my tenure of office.

"I would be remiss were I not to thank the Officers and Members of Arizona Lodge No. 2 for their assistance and good wishes during the year.

"For the privilege and the high honor which have been mine to enjoy, I thank from the bottom of my heart those of you who elected me to the highest office which was in your power to bestow."

There is also a special report of the Masonic service and education committee.

The address of the Grand Orator is a masterpiece. We only wish we could quote it in its entirety, but space forbids: His subject "Whence and Whither" compels us to quote the following:

"In our ritual a certain question is asked employing the two words: 'Whence and Whither'. I will today ask this question in a modified form: 'Whence came you as citizens, as husbands and fathers, and as masons, and whither are you travelling with the legacy in these capacities which has been given you?' The answer to the first part of this question, to a great extent, involves history and cannot be changed. If properly evaluated, however, it can be of assistance in deciding how to plan our future course of action. It is of value also in correctly appraising the present status we have reached in these capacities. It should also indicate to us that such a status is dynamic rather than static, and requires our constant care to maintain. Under the guise of the traditional prohibition of the discussion of anything of a 'political or religious' nature on the floor of the Lodge, I feel that in many cases an outright apathy has developed in the thinking of many of our fraternity regarding these two general fields. This apathy was brought to my attention recently when a principal officer of one of the Grand Lodges of the Southwestern United States was asked by a member of one of his constituent lodges, "Why would it not be proper for Masonry to sponsor the attendance of certain members at a seminar on Anti-Communism, in order that they might

bring back to their Lodges information obtained at this seminar?" This Grand Lodge Officer, who should have been representative of the fraternity, its teachings, beliefs, and philosophies replied, 'I believe that this is one of those political subjects we can't discuss on the floor of the Lodge'. I submit that if this sort of thinking had been employed by our founding fathers, those inspired groups of men, MOST of whom were Masons, who framed our Constitution and wrote our Bill of Rights, this great Nation of ours would not have come into existence. The Boston Tea Party was not conducted by a group of men hiding behind a cloak of traditional prohibition of political discussions! There is a profound difference between the discussion of partisan politics and the discussion of political philosophy.

"Few of you will deny, I believe, that our present times can be potentially of the most perilous of all history for our nation and our great fraternity. There are only 36 million members of the Communist parties of the world, but they control the lives, and the destinies, of a billion people—and they have dead-serious designs on the other two-thirds of the human race. We are living in the middle of a paradox. Communism is utterly materialistic. Our nation has an ideological foundation. Our fraternity has grown only where men are free. The two great obstacles to a materialistic state such as you find in Communism or Socialism are churches, which has a fundamental belief in God, and the Masonic Fraternity. There are no Masons behind the Iron Curtain. There are few Masons left in Cuba. There are no Masons in any country tyrannized by a dictator. No government of that nature can exist in the light of the teachings of our Order. The two are at opposite ends of the pole.

"We are endeavoring to compete with a materialistic power using material means, while they are conquering us with ideology. They spend \$5 billions a year in the battle for the minds of men, while we spend less than \$100 million. Our foreign program at this moment seems to be—give the people of the world good jobs, good food, good homes and electric lights to enable the non-communist portions of the world to sit down in comfort, read the Communist literature, listen to the Communist radio, and learn to love them and hate us. As to whether they achieve their goal in 1973, their target date, is somewhat of an academic question unless we respond correctly and without delay. It is not a question of what we can do; it is instead 'what MUST we do' if we are to survive.

"Few Americans have any use for Communism, but their former curiosity about it has turned to the over simplified conclusion that Communism is just a contemptible mask for Russian aggression, and their response to it has been, on the whole, spasmodic, tolerant, gullible, half-credulous, and even indifferent. Yet just as the Christian idea and belief lay behind the Crusades, so the ideas of Marx, Engels, and Lenin, who were able and original thinkers have had the consequences, (among others) of a multi-billion dollar weapons system aimed from Moscow at every major nation of the West, the complete subjugation of a third of the world's population behind the Iron Curtain, and a softening of the national moral fibre of another third outside the Iron Curtain—principally in the so-called neutral nations. The least we can do is take these ideas seriously, study their lingo, and try to figure out what hit us before it is too late."

## CALIFORNIA—1962

113 Annual Communication, San Francisco. Oct. 8-12 1962. M.'W.'. Guy B. Mize, Grand Master. Membership 1961, 243, 346—1962, 244, 242 Net Gain, 896.

They had the unique experience of presenting a 75 year veterans Button and Emblem to a member.

They have four Research Lodges and are much interested in *Masonic Education*.

The Grand Oration by Dr. Robert B. Watts, Grand Orator, is a wonderful display of Oratory. His subject was "Whirling Wheels." This was one of the finest Orations it has been our privilege to read. The Grand Master was so impressed with its importance that he ordered it printed and a copy sent to each lodge. We quote:

"But let us return to our inner wheel and examine briefly the two remaining spokes which represent the right of all men to national freedom and religious liberty. We all know how the torch of individual freedom, once lighted by our ancient brethren, kindled the determination of men through century after century which followed to achieve still more complete freedom for all mankind. This unceasing quest for freedom is at the very core and essence of Freemasonry, and, together with its humble dependence upon God, readily explains both the attraction and the power of our Order.

"As rapidly changing scenes of the past flick past in memory, we see our Brethren standing behind the barons who forced Magna Charta from King John of England at Runnymede in 1215. We see them as they furnished the French Revolution with much of its strength and with its great rallying cry of 'Liberty, Equality and Fraternity!' We see them in Indian dress at the Boston Tea Party, warning a foreign monarch that there were limits of oppression beyond which his subjects could not be pressed.

"We look at the scenes of heroism at Valley Forge and elsewhere throughout the Colonies, and we see the mystic seal of the Square and Compass deeply impressed upon our nation's fight for freedom. We watch the Constitutional Convention of 1787 which followed victory and see there the careful labors of Freemasons. And we read with pounding pulses the ringing words of freedom's charter which they wrote in the immortal preamble of our Constitution.

"As political liberties expanded there grew apace the right of every man to believe and to worship as he sees fit—and here again we thrill as we see the handiwork of our Brethren in sweeping away the strangle-hold which long had held men's consciences in thrall.

"Thus the never ending struggle of men, and of Masons, has come down to us. Slowly, over the generations, the rhythm of the inner wheel becomes more in harmony with the outer, Slowly but magnificently, the spokes of individual dignity, personal freedom, national freedom and freedom of conscience have expanded and held firm.

"All these firms, all these accomplishments over the centuries, are both our common birthright and a part of the swirling clouds of glory which surround and adorn each one of you. Of these things are you made. And for these things, to which each of you have added so much by your own devoted labors, I sing your praise.

"But truth demands that I stop not here with words of praise—for it must also be said that the continued possession of our freedoms demands of us both vigilance and exertion. Heed the words of Goethe's 'Faust':

"'Whate'er you have, bequeathed you by your father, Earn it in order to possess it.'

"Strong as we are in our nation's military might, we are but slowly awakening to the realization that deadly danger surrounds us. For all too long we Americans have indulgently gauged others by our own peaceful intents and purposes. We have been far too prone to assume that our liberties and freedoms are automatically to be ours forever—without exertion by us. We have tended to think of our Constitution in terms of a rare document kept safely on display at Washington—instead of seeing in it the living bulwark which our Brethren raised against arrest, torture, loss of our property and death itself, without due process of law.

"Now that we have begun to realize more and more the chilling possibility of nuclear attack against us, all too many of our citizens are thinking of meeting any such attack on a 'survival only' basis. Yet I assert that any such timorous objective may well destroy free civilization, taking us along with it. 'Survival only' is not a policy. It is the delusion of a nation marked for suicide. It is a faulty stone which I pray that you, as Master Craftsmen, will firmly reject. The great Edwin Burke described the danger very neatly when he commented, 'All that is necessary for the triumph of evil is that good men do nothing.' Let us heed those words and never lay down our working tools.

"To you, the very flower of Freemasonry, must go the leadership in this resurgence of spirit—this recovery of an understanding long buried in the rubbish of the Temple. In the words of the Prophet Isaiah, the call is made to you '... lift up a standard for the people!' That you will succeed is not open to doubt. Your stature in the Craft, your proven abilities as leaders, and the clarity of your vision, all combine to assure that the mighty structure of freedom so truly built by our predecessors will rise to new heights by your accomplishments in our times. And, thus, with our labors ended, we shall watch the whirling wheels move on, as '... time and the world are ever in flight.'

"My Brethren, I salute you.

*"I do not know beneath what sky  
Nor on what seas shall be thy fate  
I only know it shall be high,  
I only know it shall be great."*

The Grand Orator was received with a standing ovation.

The Grand Master directed the Grand Secretary to have the Oration printed and copy thereof mailed to each Lodge.

We observe that Past Grand Masters Robt. L. PUGH and James W. BREWER of N.C. were present. We feel reasonably sure that the N.C. exhibit of leadership compared favorably with those of the Golden Gate.

It was indeed a pleasure to review this massive Proceedings of a great Grand Jurisdiction.

After El Paso Lodge No. 13 had opened a Lodge for the purpose of receiving the Grand Master and his officers, a short ceremony of welcome to officers of El Paso Lodge No. 13 relinquished their stations and places. Previously the flag of the United States had been received with reverent attention, reflecting the true devotion of all Masons to the principles as enunciated in the Constitution of the U. S. This was performed by 14 Knights Templar in Uniform, members of the Denver area Knights Templar Escort.

Most Worshipful Brother Snyder thanked the brethren for their rendition of this part of the Ritual.

The Grand Lodge was then opened in *ample form* by Most Worshipful Grand Master Leon Snyder and the business was begun in proper manner.

## CONNECTICUT

174th Annual Communication, Hartford. April 5-6, 1962. M. W. Paul D. Collier, Grand Master. 133 Lodges, 47,212 Members 12/31/61. Net Loss, 433.

The Grand Master presented an address that would be an inspiration to any Mason in the U.S. who could have had the privilege of reading it. We will quote one subject to which he refers:

"I am confident that Masonry is making steady progress in Connecticut. Our number one project is our Home and Hospital. We should keep acquainted with its problems and needs and stand in readiness at all times to help, knowing full well that it is operated on such a sound financial basis, that the Craft will not be overburdened in its support. Our hearty thanks go to the Board of Managers.

"Our support for the George Washington Masonic National Memorial, the M.S.A., our youth program, and our educational program combined do not constitute a financial burden. Because of our fortunate position, there should never be any real conflicts of interest. Where else can we get so much, such a package deal, for less than \$10.00?

"One of the principal goals of our society, sincerely espoused by the teachings and activities of Masonry, is the constant reduction and final elimination of prejudice. Let us work for this goal at all times, in all places and with all men. We cannot achieve universal brotherhood until we can meet 'upon the level,' 'act by the plumb' and 'part upon the square.'

"The organizational pattern varies greatly among our constituent lodges. In many lodges little if any provisions are made, through assignments to individuals or committees, to develop programs and ideas for improvement, which have been tested, and are generally accepted, by the Craft. If the Lodge organization would provide for these programs and ideas by putting interested and capable men to work, we would begin to experience more accomplishment. The Grand Lodge has twenty five Standing and Special Committees which make it possible to preserve continuity and develop programs. The constituent lodge has the same need to preserve continuity and develop programs over periods of time exceeding one year. Let's look well to developing an organization in the constituent Lodge, that will put men to work on important programs.

"Local initiative proves its superiority when good workers, good idea men, and capable leadership are available. Local autonomy can not be tolerated, however, if it deliberately or by neglect does nothing

"May the constituent lodges do so well that they become an inspiration to others, rather than having to be cajoled into necessary activities."

#### DELAWARE

157th Annual Communication, Oct. 3-4, 1962. Wilmington, Del. M.'.

W. Harry C. Johnson, Grand Master. Number Lodges, 25. Members Reported June 24, 1960, 8,829. Members reported at the Annual Communication 1961, 8,956. Net Gain 127.

Ten Grand Jurisdictions were represented including our own R'. W. W. Edward Burrier, Deputy Grand Master, who will be Grand Master of Masons in North Carolina at the close of this Grand Communication. Seventy-six Grand Representatives were present, one of the largest number we have observed.

The Grand Master then presented his report. After reporting his dispensations (only 4), he then reported the unusual statement that he had personally, or had by other officers, presented 35 Masons with certificates of appreciation for having served as a member of Free-

masonry for 50 or more years. He stated the large number of visitations within the Jurisdiction and a much larger number outside. He is very emphatic in his belief of the benefit of Ladies night, as a method of entertaining and honoring their ladies.

He speaks very favorably of the Masonic meeting in Washington, D.C. and also the value of the Grand Secretary's Conference. He also discusses Ritualistic work, the Order of DeMolay.

Under the State of the Craft he states:

"In my judgement, it is beyond the power of any Grand Master to fully analyze or definitely determine the exact status of Freemasonry in his jurisdiction as of today. The cross currents of human thinking are very evident; the changing concepts of social, economic and political ideas have their effect upon a stabilized way of life. Masonry is involved, not of its own accord, but because it cannot avoid the unsettled conditions of any given time.

"I am confident that the 9,000 Masons in this Jurisdiction can be a vital force in preserving our way of life. We cannot help but appreciate the amicable relationship that develops when brethren meet and fellowship together as Masons. Men of varying personalities, interests and vocations in coming together cultivate a better understanding of each others problems. Serving as officers of the Lodge and participating in the ritualistic work develops the ability to become leaders in the community, thereby contributing to a better community life.

"There is nothing lacking in Masonry in Delaware that increased interest and enthusiasm for the Order cannot overcome. We serve Masonry by being better Masons ourselves. We are constantly gaining or losing new petitions by the way we live as Masons. The basis upon which new members are sought is through favorable opinion developed by the organization; how brethren act and live. We as Masons therefore determine in a large measure the future of our organization."

There is a full discussion of the report of the planning committee. A planning committee which had been previously appointed made a report involving five recommendations.

Past Grand Master W. Steward Almond is their very efficient and capable Foreign Correspondent.

He follows a short, brief discussion of several Grand Jurisdictions.

We will quote a few of his Reviews of individual Jurisdictions. We first quote his foreword of 1962:

"Fourteen years have passed since this reviewer started on the very rewarding experience of serving as Foreign Correspondent for the Grand Lodge, A. F. and A. M. of Delaware. As he approaches the assignment for the fifteenth time, he wishes to express his appreciation to the Masons of Delaware for affording him the opportunity of studying worldwide Masonry through the medium of the proceedings of the various Grand Lodges with which we hold Masonic fellowship and Brotherhood, and which reach his desk through the cooperation of our R. W. Grand Secretary.

"Further, he is deeply grateful for the words of commendation for his efforts in the expression of Brother Scribes. It is a very gratifying to know that the reviews which have been presented in the past meet with approval of those who take the time, or have the opportunity to read them.

"At the risk of arousing the ire of some of our 'distinguished' Masonic leaders, this Scribe, after reviewing some 80 Proceedings, is still concerned about the verbosity of most Grand Masters and their urge to report in too much detail the 'hardships' of their terms of office. Some of the reports run to 75, to 100 pages, listing every move and visit from those which are essentially Masonic duties, to visits which by no means can be considered part of a Grand Master's official work.

"Finally, I wish Masonic speakers would keep their speeches Masonic—I once heard a high official in the Government deliver an address before the Grand Masters' Conference in which he tried earnestly to sell the administration's foreign policy, but the nearest he ever got to Freemasonry was when he used the word 'brotherhood.'

"In my book, the old Maestro among speakers of our Craft was the late Carl H. Claudy. He never told a funny story, he had no platform presence, his voice was not particularly pleasing and he engaged in no pyrotechnics. But never did I hear Carl Claudy speak to an audience that was not spellbound. And never did I hear him make a Masonic address that was not Masonic.

"After all, what excuse is there for a Masonic speaker to discuss anything else but Freemasonry? If men want to hear sermons, they can go to church; if they want to hear political speeches, they can go to a political rally; if they want to be entertained by Mr. Funny Man, they can find much better talent on their T.V. set—and shut it off at will.

"I have no objection to a Masonic sermon if it stays clear of sectarianism (although precious few of them do). But I balk at thinly disguised partisan speeches inflicted upon Masonic audiences—speeches that could have been delivered more appropriately before the Chamber of Commerce, or the National Association of Manufacturers, or the Union League. And I resent bitterly the rabble-rouser who seizes the opportunity to deliver before an audience of Freemasons the inflammatory speech he should have made to the Ku Klux Klan, and, in so doing, repudiates everything our gentle Craft stands for."

This is one of the best Reviews we have covered and the Proceedings of this small Jurisdiction shows that it is not small Masonically.

#### FLORIDA—1962

133 Annual Communication, Jacksonville, Fla. April 17-19, 1962 M.: W. Fletcher G. McQueen, Grand Master. 286 Lodges—69,183 Members—872 Net Gain.

So much has been said about the Cuban situation and since the various Grand Jurisdictions are at a loss to know what course to pursue, we are merely quoting a proclamation which is called a *United Prayer* and signed by the Grand Master and Grand Secretary. We quote:

"On the 1st day of December A.L. 5961, A.D. 1961, the following Proclamation was made and issued to the Lodges in this Grand Jurisdiction as well as to the Masonic World:

"WHEREAS, there exists today a grave threat to the security and well being of the people of the United States of America, and to the people of the Free World, and

"WHEREAS, a man has failed in his struggle for LOVE, PEACE and HARMONY among men and Nations, and

WHEREAS, we desire to correct our faults, to amend our ways and openly admit and confess our lack of ability to lead without the Divine Guidance and Blessings of Almighty God, and

"WHEREAS, we feel the need of a continuous united action under Divine Leadership,

"NOW, THEREFORE, I DO NOW PROCLAIM AND DIRECT, that this Grand Jurisdiction of Florida, Free and Accepted Masons, at all regular meeting of the Particular Lodges, set apart two minutes for the specific purpose of Prayer to Almighty God, asking for His forgiveness of our worldly ways; our indifferent attitude and our complacency of we, the people, of this Nation and this World, and

"BE IT FURTHER PROCLAIMED AND DIRECTED, THAT the Masonic Order of this Grand Jurisdiction of Florida strongly recommend to all Grand Jurisdictions that they promote this program and recommend that each Masonic Lodge within the United States and of the Free World, set apart a period of prayer as we do.

"BE IT FURTHER RESOLVED, that we, as Members of the Masonic Order, urge each and every Civic, Religious, Business, Social and Fraternal Club and Society, within the United States of America and the Free World, to adopt this plan of Prayer as a permanent part of their program, and that the people of the Free World be asked to join in continuing prayer to Almighty God for forgiveness of our erring ways and ask Divine Guidance for the leaders who have been chosen to lead the people of the World through this troubled time.

"BE IT FURTHER PROCLAIMED AND DIRECTED that every honorable means and media be used to arouse the people of this Nation, and this World, to the dangers and the plight which we face today and to point out the true and only solution to these pending disasters in 'DIVINE GUIDANCE.'

"This Proclamation made and issued to be effective from this date the 1st of December, A.L. 5961, A.D. 1961."

His closing paragraph is characteristic of a Grand Master who has probably faced more difficult problems than most any other Jurisdictional territory. We quote:

"As I bring my report to a close, let me in my humble way express my sincere and lasting appreciation for the honor that you, my brethren, have bestowed upon me to represent you as your Grand Master. I have strived to walk humbly among my brethren and with my God, and I feel that the Craft in this Grand Jurisdiction has enjoyed a wonderful year in Masonry.

"Certainly I cannot find adequate words to say everything I feel nor to express my deep appreciation to all of the Elected Grand Lodge Officers, Past Grand Masters and all of my Appointed Grand Lodge Officers.

"I will ever be grateful to the dedicated group of men who have served so well as District Deputy Grand Masters this year; I personally feel that no Grand Master in this Grand Jurisdiction or in any other has had a more dedicated and cooperative group of Masons as their Deputies.

"My personal appreciation to R.'W.' John C. Polhill who has served as Chairman of our Legal Advisory Committee and who has done an outstanding job, exercising every possible effort in settling large Estates for the benefit of our Masonic Home Endowment Fund, a record which will be hard to surpass in years to come.

"To R.'W.' Daniel R. Partin I wish to express my deep and sincere appreciation for the manner in which he has conducted the affairs of our Masonic Home and has cared for our aged resident members in the Home. To this Mason, our Brother, is due much credit.

"Also, let me express my appreciation to R.'W.' William A. Whitcomb for his cooperation as Grand Secretary and for the service and assistance rendered by the office staff in the Grand Secretarial Offices.

"It is the greatest satisfaction to me to have had the honor of serving as your Grand Master in the finest Fraternity on the face of the earth and particularly so in the best Grand Jurisdiction in the world."

He made 27 Rulings, issued 88 dispensations, seven new Lodge Buildings were dedicated. The Grand Lodge participated in 30 District meetings. It was a very busy year. They also had a public installation of Grand Officers.

The Grand Orator is originally from Iowa. He is at present Dean of the College of Arts and Sciences at the University of Florida at Gainesville.

We will quote only a few paragraphs from this address, although the entire discussion would be good reading material. Dr. Ralph E. Page, Past Master, delivered the Oration. We quote:

"Freemasonry has exerted an influence in American Society during the entire life of our republic. No serious student of American History can ignore the tremendous effect which our ancient and Honorable Fraternity has had upon the growth and development of American Democracy. Consequently, any decline in this influence must be considered as a potential threat to the foundation of our entire Democratic structure.

"A decline in the type of influence which we are committed to exert would be a matter of serious concern at any time and under any circumstances. It is particularly disturbing in the light of present-day problems and conditions. Today, perhaps more than in any other period of History, the world needs the principles and practices inculcated by Freemasonry.

"It is a strange and contradictory environment in which we live. It is an age which we sincerely believe has no equal in human history. We seem to be balanced on the razor's edge between glory and catastrophe. We are equally close to each and we seem uncertain as to which fate to choose. We are living in a queer and self-contradictory world—so near to glorious living; so near to complete disaster. In the light of current conditions, it should be obvious to everyone that the principles of Freemasonry are more important to our continued well-being than has ever been the case. At the same time, it appears to be unpleasantly clear that the influence of Freemasonry is steadily declin-

ing. The tremendously important question which confronts us is 'What can the Grand Lodge of Florida do to improve the situation?'

"I suggest that there is little to be gained by attempting to explain the present state of affairs. I am not particularly interested in assessing blame or in attempting to justify what has happened. It appears to me that we must accept what is an unfortunate fact and direct our combined efforts toward the solution of a potentially desperate situation.

"I am personally very much disturbed by an attitude which permeates our thoughts and actions in every phase of life. This is the almost universal tendency to avoid individual responsibility. My major thesis is that this tendency must be recognized and reversed if Free-Masonry is to resume its role in American life."

The Grand Master in his address spoke highly of the Masonic Leadership in Kansas. He emphasized the importance of a committee on Public Schools, a better-informed public. He spoke highly of the opportunity of being a Mason in Kansas.

"Greetings to our visitors from other Grand Jurisdictions—we are glad you could come, and hope that you will enjoy Kansas Masonry. It has been my privilege to enjoy your hospitality in many of your Jurisdictions, and learn much of Masonry as you practice it, we hope this may be reciprocal.

We are living in an era of changing times, perhaps better said to be a period of international unrest, brought about by:

1. Creation of many new independent countries throwing off the yoke of colonialism.

2. The race for space—between communists and free peoples. Placing men in orbit, and plans for exploration of other solar bodies.

3. The establishment of communism in the Western Hemisphere in Cuba.

4. Tense international situation over the Berlin question.

“The Problems of The Nation were:

1. To halt communism.

2. Medical aid for the aged.

3. School aid—public and parochial.

4. Civil rights.

5. Farm problems.

6. Unemployment brought about by change over to automation.

“The problems of the State:

1. The school problem—the cost of educating our youth through college.

2. Record rainfall in 1961—Leaveworth recorded 63.7 inches of moisture the highest on record.

3. The great snows of 1961-1962 which made many forget the snows of the olden times—when we were kids.

4. The further industrialization of the state—now less than half of our population is rural and directly dependent upon agriculture.

5. The celebration of the Centennial of the State of Kansas, a time when nearly every community had its own celebration.

“Your Grand Master was in his 13th year as a Member of the State Legislature, and has had a part in most State legislation over the last few years, including home rule for cities, retirement program for public employees, civil rights legislation, improvement of mental hospitals, and mental health programs, state aid to elementary and secondary schools, and financing greater college enrollments, as well as many others.

“These are the conditions, problems and the environments in which Freemasonry and our Grand Lodge has operated during the past year, and perhaps the past few years. These are problems which have exercised some influence upon the success or failure of our effort to promote the welfare of our Fraternity and to advance the cause of Freemasonry.

“I am sure that the record which we have written during the past year has not been studded with glittering achievements, but we have done the best we could in our humble way and we hope that our effort has brought a little measure of appreciation for our heritage, and a desire to promote this great and glorious work.”

He also thought highly of the opportunity to present 50 year Veterans emblems, dedication of Lodge Halls, Temples, and the laying of Cornerstones, the value of visiting other Grand Jurisdictions, Ritualistic Proficiency Music, Masonic Education (other than Ritualistic).

#### LOUISIANA—1962

151st Annual Communication, New Orleans. Feb. 5, 6, 7, 1962. W. W. Morris Shapiro, Grand Master. Total Membership entire State December 31, 1961—51,234. 276 Lodges. Net Gain—31.

On Sunday Feb. 4, 1962, Louisiana celebrated the sesquicentennial celebration of the Grand Lodge in Louisiana.

A number of tributes were made to outstanding men in Masonry and in history.

Tribute was paid to Benjamin Franklin; Henry Clay; Andrew Jackson; General Lafayette; C.C. Claiborne, who was the first American Governor of Louisiana; Albert Pike; and many others of equal prominence. We regret we cannot quote more of these wonderful extracts of addresses made.

However, we will limit it to the presentation address of a 50-star American Flag to the City of New Orleans by the Grand Master, M. W. Morris Shapiro, to Mayor (Brother) Victor H. Schiro. We quote:

"On this occasion when we are privileged to celebrate the 150th Anniversary of the Grand Lodge of Louisiana, Free and Accepted Masons. We consider it proper that we rededicate our allegiance to the symbol of a free people under God, the Flag of the United States of America.

"What is the significance of this proud emblem? In the words of Charles Evans Hughes: 'This flag means more than association and reward. It is the symbol of our national unity, our national endeavor, our national aspiration. It tells you of the struggle for independence, of union preserved, of liberty and union, one and inseparable, of the sacrifices of brave men and women to whom the ideals and honor of this nation have been dearer than life. It means America first; it means undivided allegiance. It means that you cannot be saved by the valor and devotion of your ancestors that to each generation comes its patriotic duty; and that upon your willingness to sacrifice and endure as those before you have sacrificed and endured rests the national hope. It speaks of equal rights; of the inspiration of free institutions exemplified and vindicated; of liberty under law intelligently conceived and impartially administered. There is not a thread in it but scorns self-indulgence, weakness and rapacity. It is eloquent of our common destiny.'

"And what is our destiny? The present age is the most critical in man's history. The development of destructive force beyond the ability of the mind to properly comprehend, the control of such force by men who have no respect for the dignity of man, thirsting for power, uncontrolled by moral principles, have created an ever increasing menace to our existing civilization. We must demonstrate to all the world that our vast accumulation of material things, wealth, luxury and comforts of life have not in any manner diminished our purpose, have not dimmed our faith, and that now, as in time past, we shall furnish the determination, the strength and the character to maintain our priceless freedom.

"In keeping with the obligation let us pledge today to the white in our flag which represents the purity of life's most priceless possessions, our home, our family, our country and our God. Let us pledge allegiance today to the blue in our flag, which symbolizes the strength of character in a nation determined to withstand the forces in the world today which would make man a slave to his government and deprive him of his freedom. Let us pledge allegiance to-

day to the red in our flag which memorializes the blood that has been spilled on the battlefields of the world to maintain our priceless freedom. A freedom, God being our helper, we will preserve.

"And now Honorable Sir, it is my happy privilege as the representative of the fifty-one thousand Masons of the State of Louisiana to present to the City of New Orleans this beautiful and respected flag. We trust that this presentation will be a constant reminder of our pledge to set the example in our community, state and nation in all matters of patriotism, to make those sacrifices which may be necessary for the continuation of the American and democratic way of life. Let there be no misunderstanding in our contact with our fellowman that we, as Masons, are of one mind, one heart and one purpose in our love for our country and the principles and ideals for which it has always stood. We join the citizens of New Orleans and all inhabitants of our great land in the preservation of our beloved flag and in the determination that no dictator or tyrant shall ever tear it asunder.

"And now, let us bow our heads and offer homage to our Heavenly Father who holds the destiny of all mankind in the hollow of his hand:

"Lord of the Universe; shield and guide us,  
Trusting Thee always, thru shadow and sun.  
Thou hast united us, who shall divide us.  
Keep us, O keep us the Many in One.  
Up the banner bright,  
Sprinkled with starry light,  
Spread its fair emblems from mountain to shore,  
While thru the sounding sky  
Loud rings the nation's cry,  
UNION AND LIBERTY. ONE EVERMORE.  
Amen."

Then follows Mayor Shiro's acceptance address. We quote:

"*Grand Master Shapiro*: it is with a deep sense of humility and pride that I accept this 50-star flag of the United States of America, a flag which is the symbol of freedom throughout the world.

"I feel humility in that the God in whom we trust has permitted me to stand here before you in the shadow of the father of our country and receive this beautiful flag in the name of the people of New Orleans.

"I also feel a deep sense of personal pride in the heritage willed by such men as Benjamin Franklin, Henry Clay, Andrew Jackson, Albert Pike and George Washington.

"In times like these, when the world faces chaos—when elements contrary to the American way of life threaten our freedom, it is well that we pause and take inspiration from the example of valor and leadership of these great men who carved our destiny.

"We salute our founding fathers and those who followed them, because in so doing we gain strength and confidence to face the future.

"I can only offer one comment to your message. That is—we will do our patriotic duty, we will make the sacrifices necessary to save our freedom. Our Union will be preserved."

## MAINE—1962

143rd Annual Communication, Portland. May 1-3, 1962. M. W. Leon M. Sanburn, Grand Master. 209 Lodges. 47,741 members 12/31/61. Net Loss 88. M. W. Raymond M. Rideout, Grand Master-elect.

Among the many distinguished visitors presented to Maine's Annual Communication was M. W. W. Edward Burrier, Grand Master of Masons of North Carolina.

In the Grand Master's address, he states under condition of the Fraternity, he found the general overall condition healthy. Most Lodges and most districts show good interest and activity. This good interest and activity seems to be most prevalent in those lodges where the officers with the help of the Past Masters under the leadership of hard-working Worshipful Masters who know how to plan programs and promote fellowship.

He states that he was pleased about the good condition of Masonry in Maine and was very optimistic about the future of Masonry.

The Masonic Education and Lodge Service Committee is creating greater interest and attendance.

We are quoting the conclusion of his report:

"I want to take this opportunity to express to the Grand Lodge of Maine my appreciation for conferring upon me the highest honor within the gift of Masonry. I have tried to do my best to discharge with honor the responsibilities of the office. It has been a wonderful and rich experience which I shall always cherish.

"I will repeat what I have said previously in this report. I am optimistic about the future of Masonry in Maine. Masonry is based upon true and, and often tried, fine principles and philosophy. There is nothing wrong with Masonry that deep, clear thinking and plain hard work will not correct."

In discussing a partial history of Maine Masonry M. W. Brother Ralph J. Pollard said:

"Prior to the formation of our own Grand Lodge, 31 Lodges were successfully established in Maine. The first of these derived its Charter from the English Provincial Grand Lodge at Boston, the second from the Scottish Provincial Grand Lodge, and the other twenty-nine from the present Grand Lodge of Massachusetts.

"When Maine was admitted to the Union in 1820, these 37 Lodges with the full approbation and authority of their Mother Grand Lodge of Massachusetts united in establishing the M. W. Grand Lodge of Maine. The Honorable William King, first Governor of our State, was duly elected Grand Master of Masons in Maine. His Excellency had been raised in Lincoln Lodge at Wiscasset in 1797 and had later served as Worshipful Master of Solar Lodge at Bath.

"The new Grand Lodge enjoyed leadership during its early and formative years. Its second Grand Master was M. W. Simon Greenleaf, the famous jurist, author of Greenleaf on Evidence. Professor of Law in Harvard University, and one of the ablest Masonic thinkers and writers of his day. His wisdom inaugurated that conservative tradition which has ever since remained one of the distinguishing characteristics of our Grand Lodge. Brother Greenleaf was raised in

Cumberland Lodge at New Gloucester, was an affiliated member of Portland Lodge, and was the first man to be elected an honorary member of that venerable body.

"The Morgan episode occurred in 1826. For more than fifteen years thereafter the Masonic Fraternity passed through a period of great adversity resulting from the attacks of the short-lived anti-Masonic party. As a political venture, this party was a complete failure, but it did succeed in temporarily turning a large section of the general public against the Fraternity and in stirring up a veritable frenzy of passion and prejudice.

"While this excitement persisted, Masons were frequently denied the sacrament of religion, were driven from public office, were ruined in their businesses and were dismissed from their employment. Wives were estranged from their husbands and children from their parents. In these trying times it required courage of no mean order for a man to remain a Mason. The timid and the weak quit the Fraternity in droves. Only those of the highest courage and the sternest virtues had the fortitude to face the storm.

"Here in Maine, Masonry fared much better than in many of our Sister States. The Grand Lodge itself never failed to meet in Annual Communication to transact its business, to elect its officers, and to dispense its charity. Only a few of our subordinate Lodges surrendered their charters. Many became dormant, but a few Lodges bravely managed to keep going through it all."

#### MINNESOTA—1962

109th Annual Communication, St. Paul, Minn. March 21, 22, 1962.  
M.'W.'Stafford King, Grand Master, M.'W.'Harvard B. Olsen,  
Grand Master, Elected. No. Lodges 291, Members 69,972, 12/31/61  
Net Loss 126.

The address of the Grand Master was very entertaining and inspirational. We offer nothing better than a few quotations from this address:

"We are come to day into our One Hundred Ninth Annual Communication, to review the record of the past year, to elect new officers and to plan our work with them.

"I welcome you here, and in the beginning, express my gratitude to you and my appreciation for the high honor you conferred upon me last year—under circumstances which you will recall made it impossible for me to thank you at that time.

"As Freemen and Freemasons we must be ever mindful of the challenges of this day and this age. In it we find two great ideologies meeting head-on. On the one hand, is the Communist ideology, which teaches that man as such is but the chattel of the State—and expendable in its glorification. On the other hand, is the Masonic ideology that men by Divine Right are free and equal—that they are builded in the image of God—and that by Divine Gift they are capable of self-government.

"Let us be rededicated to the concept of freedom as it is set forth in the Great Light upon that Altar, and as it has been expressed to us in those two great Charters of Human Rights—THE MAGNA CHARTA and the CONSTITUTION OF THE UNITED STATES.

"Masonry is neither a religion, nor an academy, nor a political party. It is religious, without sectarianism. It is educational, without profession. It is political, without partisanship.

"As free Masons, conscious of our dedication to man's individual freedom, we join hands with our freedom-loving Brethren everywhere, for freedom to be enjoyed must be shared—must be defended—must be proclaimed. If Masonry has any purpose, and it has, it means that we must stand firm against the insidious encroachments of uniformity and statism upon the rights of individual freemen everywhere.

"Today I share with you the comfort and the joy of having with us so many of our Distinguished Brethren from other Grand Jurisdictions. They are our neighbors and our friends.

To them we say:

"'Welcome, we are glad you came. Our house is your house. May your visit with us be a pleasant one, and through you, we send to your Brothers back home our sincerest fraternal good wishes—our respect and admiration.'

"Through the past year, your Grand Master and other Grand Lodge Officers were privileged to visit the Grand Lodge Communications of our neighbors, both in the United States and Canada. Upon every such occasion, we were warmly received, and from every such visitation, we were enriched by additional Masonic learning and strengthened by the warmth of fraternal association.

"I hope that in some way we may bestow upon our visiting Brethren the wholesome hospitality which we have enjoyed in our visits to their Jurisdictions.

"One hundred nine years ago, St. John's Lodge No. 1, Cataract Lodge No. 2, and St. Paul Lodge No. 3, bound together as the Grand Lodge of Ancient Free and Accepted Masons of Minnesota.

"The total membership of the three Lodges at that time, and therefore, the Charter Membership of the original Grand Lodge, was 124.

"Our progress through the years has been constant—until one year ago, we were 292 Lodges with 70,097 members."

Brother Edwin A. Martini, M.'E.'.Grand High Priest of the General Grand Chapter of Royal Arch Masons, was the Grand Orator. His address was a masterpiece. We will quote a few paragraphs:

"Masonry is a philosophy builded on brotherhood. It is a relationship of man with his neighbor and their group well-being. We have voluntarily associated ourselves and in the pursuit placed our trust in God and on bended knee taken a solemn obligation to conduct ourselves on a high social and ethical plane with all mankind, so that no dissension should exist among us.

"Ours is a great heritage—Masonry can trace its origin to societies having comparable beliefs and objectives, interpreted from time to time in the environment of the ages, which existed long before the birth of Christ. Throughout the centuries, we have become numerically strong; symbolically we have borrowed the tools and instruments of operative Masonry, so that we might mold our bodies into living temples before God and lay a firm foundation for a society in which men may build to dwell in peace and harmony.

"Masonry is synonymous with democracy; the goal and ultimate hope of both is Freedom and Equality. With this thought in mind, great nations have been born and our leaders have always participated in their creation and labored unceasingly for the preservation of those objectives in establishing a free world. It is repetitious to say that in these United States our growth paralleled the development of this great nation, and that even as this country has become a leader in guaranteeing freedom and equality to those within its borders, so, too, we have never faltered in the pursuit of these fundamental rights. It must be our continued purpose to assist in the preservation of the principles which have made this country great.

"In less than two centuries, we have become a nation of nearly two hundred million people, and nearly one-fourth of that growth has occurred in the last two years. During this same decade, however, we have shown losses. Why? Is it because there is no longer need for institutions such as ours, allied as we are with a faith in God as taught by the Church; or is it because we have become complacent and accepted the freedoms which we have enjoyed as a continued certainty? Have we, as a result of that apathy, permitted subversive forces, individual, organized, social or philosophical, to make inroads on all that we hold to be just, right, and true? It seems a logical conclusion, without more, that we must again become aggressive in the pursuit of these God-given rights so as to be good men, good brothers, good citizens—all to preserve the freedom and democracy we hold dear.

"Masonry is not a difficult subject; you as officers and leaders of Masonic bodies in your respective communities have learned its lesson and in turn must teach. Masonry would take all men by the hand and leading them to its altar, would point to the open Holy Bible and urge each to faithfully direct his steps through life by the light he shall find therein. You are charged with a knowledge of the contents of that Great Light and have accepted the opportunity to assist others to conduct themselves according to its divine teachings. Yours is an enviable position and a noteworthy trust and in it you cannot fail."

#### MISSISSIPPI—1962

144th Annual Communication, Jackson, Miss. Feb. 13-14, 1962. M.: W.C. E. Walters Jr., Grand Master. 243 Lodges, Members 8/31/61, 50,779. Net Loss 2.

The report on Fraternal Correspondence has much to say on the Cuban situation. They are considering Luxemburg, Belgium, Ecuador, Honduras. We quote on the situation in Cuba:

"The situation in Cuba presents a peculiar and vexing problem to Grand Lodges of the United States. Following the rise of Fidel Castro and his brand of communism, the Grand Master and several Grand Lodge Officers fled the country and set up a 'Grand Lodge of Cuba in Exile' with the approval and within the jurisdiction of the Grand Lodge of Florida. Meanwhile, a group in Cuba reportedly continues to function as the Grand Lodge of Cuba. Thus we have two groups, each claiming to be the legitimate representative of the Masons of Cuba. If we admit the legitimacy of one, we must exclude the other from our fraternal circle. To which, then, shall we extend the hand of brotherly love and relief? I can see no possible hope that Free-

masonry will be allowed to exist openly in a country controlled by communism. Yet, it is obvious that a handful of men living in exile in another land cannot truly represent the Masons of Cuba. We can only wait and hope that another year will clarify the situation and show us the road we should follow."

He announced the resumption of cordial Fraternal Relations with the Grand Lodge of Nova Scotia following their action at the last meeting of this Grand Lodge.

"As in preceding years, a few threads are common to the fabric of Grand Lodge operation throughout the world. The usual percentage of Grand Masters' reports tell of difficulties centered upon poor lodge attendance, the stiff competition offered by television, organized sports and the like, and about the usual number of special dispensations having been granted, reprimands given, and questions answered. Like the poor, these problems have ever been with us and shall be.

"If there is any one trend that I have found this year it is in the direction of more and more Grand Masters displaying the fortitude to take actions and make decisions which, while they may not have met with popular approval and acclaim, constituted the only just and proper course under the circumstances and the law. It has seemed to us that for the past year or two there has been either (1) a considerable increase for stern disciplinary measures, or (2) a generation of Grand Masters more of whom have the conviction that enforcement of the codes, both moral and Masonic, is essential to the continued welfare of the Masonic fraternity. Traditionally, this attitude characterized our leaders of the past, and it is heartening to find a resurgence of insistence on rectitude by those who direct the destinies of our Grand Lodges.

"While the nation as a whole still shows a net gain in membership, it is noted that the number of Grand Lodges showing a loss is greater and the net gain figures are much lower than even last year. This is a matter of great concern and the trend seems to have no end in the foreseeable future. Concern is also expressed over the advancing average of the composite typical Mason which indicates that our losses by death among our older members is not being balanced by the admission of young men into our fraternity, and will be reflected in membership figures for some years to come. Lest you be confused by this talk of membership losses, let me remind you that at the time of reporting in 1960 there were just a bit over a half a million more Masons in the United States than were reported a decade before in 1950. This makes the picture somewhat more encouraging."

Although this is not exactly a Review, it is one of the best discussions on the condition of Masonry today.

The Grand Master is very pessimistic about Masonry in Mississippi. We quote his conclusion:

"Brethren, observation in travel over the state and a review of the records are convincing that Masonry in Mississippi is on the decline in numbers, interest and influence. There has been a steady decline in the past six years in the net increase and this year we closed with a net loss of two members. This should be a cause for alarm and an awakening to the reality that a solution to this problem must be found

immediately. The record indicates that a constant decline in the number of Master Masons raised, an increase in suspensions and deaths are the major causes. If Masonry was just another Club or social function then we might better understand that novelties come and go, but I submit to you that Masonry is more than that. It is a philosophy of life which, if adhered to, will produce GODLY MEN, respectable citizens and leaders of our Nation for today and tomorrow of which we can be proud, and I believe there was never a time in world history that such were needed more than today.

"To solve this great problem we must each one resolve here and now to give our very best to the cause of Freemasonry. To do this we must maintain a strong FAITH IN GOD, OUR FELLOWMAN AND OURSELVES."

### MISSOURI

141st Annual Communication, St. Louis, Sept. 25, 26, 1962. M.'W.'. Robert H. Mann, Grand Master. Membership: June 30, 1962, 121, 676. Net Loss in Membership 934, although they had raised 2,686.

Under courtesies they state they had requested 110 degrees to be conferred by sister Jurisdictions; while Missouri had been requested to confer degrees 51 times.

The unusual number of 316 Brethren received 50-year buttons.

The list of dispensations issued was in keeping with most Grand Jurisdiction—too many.

The address of the Grand Master was well prepared and contained some very valuable suggestions. It is difficult to believe that a Jurisdiction of this size and with able leadership would show a loss of 934.

Missouri has usually been blessed with capable leadership. We cannot be reminded of Missouri Masonry without instantly thinking of Ray Denslow.

We are quoting the closing paragraph of the Grand Master's address. Quote:

"Brethren of the Grand Lodge, on tomorrow afternoon I shall have turned over to a worthy and capable successor the gavel of authority of this Grand Lodge. There are no qualms on my part and there should be none on your part about the kind of leadership we shall have in the days to come. It will be vigorous—it will be highly intelligent—it will be kindly without being sentimental—it will be exacting in the matters where that quality is required.

"In leaving the office of Grand Master, I have every confidence in the permanence of our Order—in the quality of men it will attract—in the high character of its charitable endeavors—in the type of citizenship it will engender—and the lasting imprint it will impart to the individual character of its members.

"The Masonic Fraternity in our country is nearly five million strong and if we all pull together there is no question but that we can exert a tremendous force in shaping the patriotic character and integrity of our country. We here in Missouri are carrying the torch of Masonic purpose and endeavor in a creditable manner and with, I hope, some substantial benefits to our fellow citizens."

Following his address, Harry S. Truman, Past Grand Master of Missouri and former President of the United States, was introduced by the Grand Master and spoke briefly on a variety of Masonic subjects.

### MONTANA

98th Annual Communication—June 25-26, 1962, Helena, Montana M.: W. J. R. P. Reinemer, Grand Master. Membership Dec. 31, 1961, 25,897. Membership December 31, 1962, 26,688. Net Gain 791.

A large number of distinguished guests of other Grand Jurisdictions included H. Dwight McAllister of South Carolina.

The Grand Master was very much pleased with the additional interest they had given DeMolay during the year. We quote Montana's '62:

#### "YOUTH"

"I have long considered the youth of our state and nation as the most valuable asset and the greatest resource we have. They are God's richest blessing to us, and in them lies the future of our great Nation and the heritage we hold so dear.

"Last year we added a standing committee to our Grand Lodge Committee for DeMolay. We have given DeMolay and the other youth organizations a lot of lip service but little or no other backing as far as the Grand Lodge is concerned. During this past year we have seen what small groups of Masons can do in the example set for us by members of Ashlar Club of the Glasgow Air Force Base. This wonderful group of Masons formed a Club to sponsor the DeMolay and Rainbow groups on their Base. I congratulate them and urge the Masons of Montana to follow the example they set for us. I know some of the Lodges are doing Youth work already but there are a lot of Lodges which are doing nothing."

The fine results of his year can be attributed in a large degree to the unusual number of visitations he made both in Montana and in other Jurisdictions. He attended the Grand Masters' Conference in Washington, D.C., in February. He was impressed with some of the programs, but did not favor the report of the Commission on Information for Recognition. We quote:

"For me, the big let down came in the report of the Commission on Information for Recognition. The long and detailed report was a shining example of Masonic leaders sidestepping the issues facing Masons today. In spite of the information we have been securing for over a year through the offices of the MSA and the Grand Lodge of Florida in regard to the communism in Cuba and what has happened to Cuban Masons, this group came in with a report, much to the disgust of Florida that true Masonry probably exists in Cuba today and should be considered. Any student of Masonry and communism knows the two cannot exist side by side unless the communists allow it to for some sinister purpose to benefit themselves. This action is what caused your Grand Master to issue his Edict of April 15, 1962, on communism and supporting the action of the Grand Lodge of Florida.

"Another disturbing thing that bothered us was the talk about the colored problem in Masonry by some of the Eastern Jurisdictions during the recess periods. To me this problem should never raise its

head in Masonry. The colored people have their Masonic Fraternity as represented by the Prince Hall group. They are happy and we are happy, so I'm sure that if this subject is ever brought upon the floor of the Grand Master's Conference, it will sound the death knell of the conference.

"At the meeting of the George Washington National Masonic Memorial, it was my duty to present checks amounting to \$4,739.70 which Montana Masons contributed this year. P.G.M. Van Demark did a good job in collecting this money and we owe him our thanks. I wish I could report to you that the Pennsylvania Plan which we adopted a few years ago was completed, but I'm sorry to say this is not true. We have a long way to go until we complete our obligation to this Memorial. I'm sure that if Van's health had held up, he would have collected a lot more.

"As I looked at this beautiful Memorial and walked through its rooms and halls, I couldn't help but think of the hunter that caught a bear by the tail and couldn't let go. A number of years ago the Masons of our land decided to build a Memorial to George Washington. It was to be a dignified Memorial that wouldn't cost too much. It is now quite evident that the wrong kind of people got in control of this Memorial and that they went on a wild spending spree, for the building is not yet completed and over seven million dollars have been spent. We are obligated to complete our payments under the Pennsylvania Plan and I urge the membership to do this as soon as possible, but I also think we should let the Association know that we do not approve of unnecessary spending and that once the Montana quota is in we will not support it any more except by fees collected under the provisions of Standing Resolution XXXIV.

"Last year you voted the sum of \$300.00 to go toward the expenses of collecting the funds called for under the Pennsylvania Plan. I feel that this \$300.00 should have come out of the money collected and not out of our Grand Lodge. I recommend that if there are any more expenses required to complete the Pennsylvania Plan we take the necessary amount from the funds collected, in others words make it self supporting."

Montana has a wonderful system on *Masonic Education and Research*. It has become very well established and has attracted some inquiries from other Grand Lodges.

#### NEW MEXICO—1962

85th Annual Communication, Albuquerque. March 19, 20, 1962. M. W. Ray J. Lofton, Grand Master. 63 Lodges. 15,280 members, including 154 plural members. Net Gain 103.

They had 12 "Special" Communications during the year for various purposes. They laid Cornerstones; dedicated Temples and other activities that was interesting to the public.

After the formal opening of Grand Lodge, there was the usual address of welcome, and an equally short but beautiful response, the large number of distinguished guests were introduced and at various times during the sessions were recognized for a few brief remarks.

Fifteen Past Grand Masters of New Mexico were also recognized and accorded the usual honors.

The address of the Grand Orator on "Tapestry of the Nations" should be read by all to whom it is available. We are quoting one paragraph:

"Most Worshipful Grand Master, and distinguished Masons. You call this an Oration. Most Worshipful Grand Master, I certainly am not in that same category as Anthony at the burial of Caesar, nor of Bob Ingersoll at the Tomb of Napoleon. Certainly that connotation indicates that man has tremendous perception and brevity of expression. So I come not to you as an Orator, nor do I come to you with any profundity of thinking. I come not as a Grand Old Master, nor as a bard sublime whose footsteps he hopes will echo down the corridor of time; but I come just as an humble poet, whose songs come straight from his heart, as showers from tears, showers from the clouds of summer, and tears from the eyelids start. It is good for men of good heart to have concourse together. I have a little poem that I give many times, that I think is very appropriate,

'If your nose is close to the grindstone rubbing it,  
if you keep it there long enough, you'll soon forget,  
that there are such things as flowers which bloom,  
and birds that sing.

Three things your world will compose—  
yourself, your stone, and your darned old nose,  
so it is good for man to meet together,  
I sought for my soul and my soul I could not see,  
I looked for my God and my God eluded me,  
I sought for my brother, and there I found all three.'

"So it is in that spirit of intense humility—a humility that was born when I first put on the Lambskin or the white leather apron, that I come to you not with profundity of thought; but just simple expressions from an humble individual."

#### NORTH DAKOTA—1962

73 Annual Communication, June 18, 19, 20, 1962. Bismarck, N. D. M. W. J. J. Marvin Kyle—Grand Master. Membership Dec. 31, 1961—13,691. Membership Dec. 31, 1960—13,789. Net Loss 98.

The flags of two nations, the Stars and Stripes and the Union Jack were presented by members of our Armed Forces, closing the ceremony by singing together "America," "God Save The Queen," and "Two Empires by the Sea."

The address of welcome was given by W. Brother John L. Miles, Worshipful Master of Mandan Lodge No. 8, and a beautiful response by R. W. Bro. Edward A. Haakenson, Deputy Grand Master, responded. A beautiful tribute of flowers was presented to the Grand Lodge by Mrs. Albert R. Bruhjell in memory of her late husband who was Senior Warden of Bismarck Lodge No. 5 at the time of his passing.

A very large number of distinguished guests were presented and warmly greeted by Grand Master Kyle, and reminded them of the very cordial relations that always existed between them, conducted them to the East, where they were accorded Grand Honors, and invited to take seats on the platform.

All representatives of other Grand Bodies were warmly greeted and stated that he was pleased to have all Appendant Bodies represented. All Past Grand Masters were given special recognition, but special attention was given the 50-year Masons, using these words:

"We have met my brothers, to bestow a kindly greeting to those who more than fifty years ago were made Masons.

"Some years ago they knelt at yonder Shrine,  
And there received the glorious Light of Masonry divine.  
And what has been our Brother's guide through this dark vale of  
tears,

On what support have they relied for half a hundred years?  
"These fifty years to move within the compass was their care,  
For fifty years their guides have been the level,  
plumb and square.

Faith, Hope, and Charity they strove to cherish in their breasts,  
For fifty years fraternal love have been their bosom's guests.

"Brethren of fifty years or more, we welcome you here tonight. I think I can call each of you by name, but to facilitate the proceedings I think you will pardon me if I do not leave the platform to shake your hand and I will ask M.'W.' Brother Fanta to escort you to the Grand East so that we can accord you fine brethren the Grand Honors of Masonry."

Outstanding greetings were given by Brother Arthur D. Cumming, Grand Master of Alberta, Canada.

They are emphasizing the need of more assistance and help to the Order of DeMolay. This seems to be an ever increasing sentiment over practically all the Symbolic Jurisdiction.

A long list of Lodge activities shows that Masonry in North Dakota is a virile, active organization.

Bro. John D. Cunningham, Executive Secretary of the Masonic Service Association, gave a most inspiring and thought provoking address. We quote one item from his address:

"What is wrong with Freemasonry? Let us sever the Cords of the bundle, unwrap the parcel and examine just a few of the items covered by this general heading.

"First, and one of the problems surely to be discussed at every conference, be it a formal conference or one of those you know what sessions, is poor attendance. Now I ask all of you old-timers, is this new to you? Weren't we plagued with the problem of poor attendance 25 years ago? Didn't we do just as much crabbing and just as little about it a generation ago as we are doing now? I defy you to examine the attendance records of your lodge, then make a graph of that attendance. You will discover to your surprise that the line on the graph has more ups and downs than a roller coaster in your local amusement park. Poor attendance is not a new problem; it will always be with us. But let me tell you this, and this is the reasons for the ups and downs on the graph, when you have good leadership, when you have good programing, you certainly have good attendance. Select your officers for their ability, interest and good reputation and dedication and you will have a strong, healthy, well-attended lodge. Just to put a brother in line because he is a good fellow or a 'friend

of mine', or faithful to the lodge, is not only detrimental to the lodge, and to your friend, but it nearly always results in embarrassment for friend when the escalator of automatic advancement with which we are cursed lands him in the East of your lodge or the Grand East of your Grand Lodge. If he is a sincere individual he realizes his inadequacy and he feels badly about it, but the fault is yours because you started him. You must look ahead in selecting your leadership, and must realize that some time this individual will have sole responsibility for the success of your lodge or your Grand Lodge.

"Ritual is frequently discussed at these conferences and sessions, but often not as thoroughly as some of you think. Every one agrees that ritualistic perfection is greatly to be desired, but all seem to have confidence in the ability of most interested Masons to achieve perfection in memorizing the ritual. But to be able to recite from memory is not sufficient—it is the delivery that counts. This brings to memory a story I heard years ago. Edwin Booth, the great actor and elocutionist, attended a large civic meeting accompanied by the elderly pastor of his church. The Master of Ceremonies, seeking to add to the attractiveness of his program, requested that Edwin Booth recite the 23rd Psalm. Booth was reluctant to recite it, but finally he acquiesced, with this proviso, 'When I have concluded, please let my Reverend friend speak the same words.' Booth rose to great heights, gave one of his best performances. When he concluded there was a thunderous burst of applause, everyone arose, then he turned, took the old minister by the arm, placed him before the microphone and sat down. The quavering voice of the old minister started, 'The Lord is my Shepherd,' right on through the very same words, and when he had concluded you could have heard a pin drop. Men were sitting with bowed heads and with tears in their eyes. Edwin Booth arose and he said: 'Now you see what I mean. I know the words, but he knows the Master.'"

The report of the committee on Public School Education was full and complete. Preceding the stating of six different statements we quote the first paragraph:

"When our forefathers crossed the Atlantic they brought with them ideals which established our democracy based on churches, schools and local governments. After building homes for the protection of their families, the community built churches and schools. They believed that a people governing themselves must have an education both in the spiritual and the material realm. Early in the life of this young nation education was emphasized by establishing the principle that all people should support through taxation their elementary and secondary schools. When the west was divided into states, education was strengthened by providing for a permanent school fund obtained through the sale of the one or two sections in each township to the state for this purpose. It was the dedication of these pioneers to the ideals of a democracy, many of whom were Masons, that made the United States the great nation it is today."

A short discussion of the proceedings of each Jurisdiction is given.

Although this is one of the best reports of the Proceedings that has come to our desk this year.

Congratulations to Past Grand Master Walter H. Murfin.

## OKLAHOMA

89th Annual Communication, Grand Lodge of Indian Territory; 19th Annual Communication, Grand Lodge of Oklahoma Territory; 54th Annual Communication, Grand Lodge of State of Oklahoma; Guthrie, Oklahoma, Feb. 13, 14, 15, 1962. M.'W.' Jesse E. Cole, Grand Master. Membership Jan. 1, 1961—86,179. Membership Dec. 31, 1961—85,245. Net Loss 934.

This is the third year their membership has shown a steady loss. We are quoting a part of the Grand Secretary's report. Quote:

"This report brings to a close my ninth year as your Grand Secretary. During these years your Grand Lodge reached its highest membership, constructed a much needed addition to our Home for the Aged, and built a Grand Lodge Temple. These buildings are of fire safe construction, beautiful in design, and adequate for our present needs. A grand Lodge museum has been established and the Library has been enlarged and improved.

"With the increase in membership has come a rather important increase in the income and a greatly widened field of transactions involving real estate, investments and other financial matters. To adequately handle the much expanded accounting phase of your Grand Lodge a new accounting machine was needed and this was authorized by you at the last session of the Grand Lodge. One of the most modern accounting machines was selected. It is adequate in size and versatile enough to properly handle our financial records for the foreseeable future. Then, with the advice and assistance of our Grand Lodge Auditor we have set up an accounting system that follows the very best corporate accounting practices with each and every entry being made by machine with proofs being recorded at each entry.

"There has been a steadily increasing number of bequests for the benefit of our Masonic Homes. At the present time several Wills are in Probate Courts and will be completed within the next few months. They vary in amounts from a few hundred dollars to those of a very substantial amount. Your Grand Secretary is often contacted by individuals concerning our Masonic Home and Grand Lodge needs by those persons planning disposition of their estates and who desire to provide gifts and bequests in their Wills. We have been able to assist many of them. We frequently consult our Grand Lodge Attorney, Brother Merle G. Smith, Sr., who graciously furnishes advice and assistance in these matters. He has written Wills for some of the people when our Homes are to benefit therefrom.

"It is believed that if each of you would take opportunity to talk about gifts and bequests there would be still more people seeking information than they do, might provide for remembrance of our Homes. We are in the position to furnish valuable assistance of this kind. Suggestions often produce wonderful results.

"This is the third year our membership has shown a loss. In the past ten years we have had a steady increasing number of deaths and suspensions for non-payment of dues, and an even more marked decrease in the number of degrees conferred, fewer affiliations and reinstatements. For the year just ended we had less than one-half as many degrees conferred as in 1953 and deaths increased by more than one-fourth.

"The membership loss trend can be changed by each of you securing an affiliation from the many thousands of sojourners living around you. We then could go into the gain column if each of you would induce one suspended member to reinstate, or prevent one member from going suspended. Do you value your own membership enough to try?"

At this Annual Communication all Grand Officers were present, together with 19 Past Grand Masters. A long list of Representatives from other Jurisdictions also were present. The opening prayer with a fitting tribute to the U.S. Flag was very timely. After an address of welcome by a few well chosen words of response, the Grand Master requested the Deputy Grand Master to preside while he read his very fine address to the Grand Lodge. It gave evidence of a busy year, and the 934 net loss is not in keeping with the enthusiasm and effort of a wonderful administration.

We quote a paragraph from his address:

"For me, this day marks the end of a year of happy associations, a year in which joy overbalanced the trials and tribulations inherent in the office of Grand Master. This day is mingled with regrets at what is to be no more and happy anticipations for what the future inevitably holds for this great Fraternity.

"In the discharge of my duties, I have labored diligently, attempting to visit as many lodges as time and circumstances would permit. I regret that many of the invitations accorded me I could not accept, but when I tell you that in the course of the year I have driven 55,000 long and often hazardous miles in caring for the obligations attended upon my office, you will understand that my duties have been heavy. I assure you, however, they have never been burdensome, for it has been a distinct and pleasant duty to represent you throughout the year.

"It is my privilege to remind you that this is your Communication, assembled for the transaction of your business. It is, therefore, my hope that you will enter whole-heartedly into its deliberations, remembering your responsibility to those whom it is your privilege to represent, and governing yourselves by the tenets of our Institution.

"We are also honored by the presence of the leaders of the other affiliated Masonic bodies. We are happy to have them with us, and sincerely hope that fraternal bonds between us may be both strengthened and extended by this association together. I have attended as many of the Reunions of these bodies as my time would permit and have been most graciously received on every occasion."

#### NECROLOGY

"As we assemble for our Annual Communication, we experience a feeling of pleasant anticipation in the thought that we will greet many brethren and friends whom we have learned to love and respect through our association on many similar occasions in the past, and we expect to see them at Grand Lodge.

"But this year, like all years, has had its sadness and individual grief, and we miss many of the old familiar handclasps, as we realize that a number of our brethren have joined the Supreme Grand Lodge above. We pause in the spirit of remembrance and respect to pay trib-

## PROCEEDINGS OF THE

ute to the memory of those who have served the Masonic Fraternity so devotedly. During the year of 1961 members of our Constituent Lodges have answered the call, including one Past Grand Master.

"The immortal Albert Pike has given us this thought which I dedicate to our Fraternal dead:

"The shores of life are shifting,

Every year;

And we are seaweed drifting,

Every year.

Old places, changing, fret us,

The living more forget us,

There are fewer to regret us,

Every year.

But the truer life draws nigher,

Every year.

And its Morning Star climbs higher,

Every year.

Earth's hold on us grows slighter,

And the heavy burden lighter,

And the Dawn Immortal brighter,

Every year."

## OREGON

112 Annual Communication, June 13, 14, 15, 1962. Portland, Oregon. M. W. Lyman C. Parker, Grand Master. Membership 12/31/61—43, 789. Membership 12/31/60—44,172. Net Loss 383.

The Grand Master's Address was one of the most complete we have observed this year. The visitations and other official business was beyond the usual efforts of a Grand Master.

We quote the following paragraph from his closing address. Quote:

"I have no desire to be known or thought of as a prophet of Doom and Gloom. I prefer to play a more optimistic role, but I would be false to you and to the office which I occupy if I failed to point out some of the false standards prevalent in society today. The importance of maintaining and strengthening the moral and spiritual values upon which Masonry and all free society rests cannot be over emphasized. Past history and the Great Light that rests on the altar of Freemasonry should leave no reasonable doubt of the fate of those who ignore or disregard those time-tested, true and enduring values. Masons are trained in leadership. They have been taught the value and importance of individual initiative. They should be the first to recognize and resist the trend toward apathy and indifference, for there are those among us who would have us forge the chains and snap the locks that may bind society in slavery. We must not be so bound. As Masons we should resist with all our being those influences that tend to divide and dull our perception. And so my Brothers I exhort you to be on guard."

The Oration was also one of the best in the 1962 Proceedings. Quoted is a few extracts from it:

"The purpose of the Permanent Court of Arbitration (Hague Tribunal) was to facilitate arbitration in the cases of international disputes in which diplomacy had failed to effect a settlement. There was, therefore, good reason to believe that the peace of the world was assured. But World War 1 broke out later in 1914, leaving millions dead, and a distraught and confused world seeking other ways to maintain peace—The League of Nations—which also proved to be a broken reed. In all its fury, war engulfed the world again in 20 years.

"I mention all this, only to remind ourselves that humanity has not risen much above the primal method of settling differences, which was to grasp the most powerful weapon available at the time, and use it until one side or the other capitulated. It really makes little difference in principle whether the most powerful weapon available is a club or a nuclear bomb.

"Multitudes today are wrought up over the possibility of the human race being wiped off the face of the earth. Many people are frantically building bomb shelters to secure, if possible, their own survival. But a look through past history should reassure us. The human race was not clubbed to death by the tribe that discovered the efficiency of a club as a war weapon. The human race has survived the arrow, the battering ram, the gun powder, the block busters, and the rockets of World War II.

"Mankind has survived the stone age, the bronze age, the steam age, the electric age, and now, just as we are beginning to understand something of the nuclear age, we find ourselves orbiting into the space age. It is interesting to note that the various ages of scientific progress have brought with them more and more destructive weapons for war, and at the same time, more and more blessings for humanity.

"While it may seem almost contradictory to claim that any good could come out of war, it is nevertheless apparent that the necessity for defense, or even survival, in World Wars I and II has been responsible for the tremendous speed with which science has advanced into new fields of research, which has led not only to the creation of new weapons of destruction, but to instruments of immeasurable value in the realm of commerce, industry, and communication. One need hardly mention transportation development from the jeep to the jet, to the rocket. New forms of power have made possible the launching of satellites into orbit, nuclear transportation beneath the seas, and fabulous automation in the business world.

"Honesty, integrity, and brotherly love are products of man's communion with God. When we find these qualities in people, we know they have been close to God. Our encouragement for the future is in the plain evidence about us that, notwithstanding threats of war, there is much love and goodness abroad in the land. This goodness is noticed in many ways. It is noticed in the genuine interest manifested in such projects as aid for the handicapped, care for the aged and destitute, support for the public for various research projects involving the cure of tuberculosis, cancer, heart ailments, and many others. Masons are well aware of the immeasurable blessings which come from the many Shrine Hospitals for crippled children.

"While we have external problems of keeping world peace, we have concerns within our own country with what is popularly referred to as 'juvenile delinquency.' It would perhaps be as well to leave 'juvenile' out, as the problem extends far beyond the realm of youth! Here again, we are dealing with people not things. And the people most concerned should be the parents whose responsibility for their children comes from God Himself. When little children come home from Sunday School, they should be able to say, 'how wonderful the Father God must be if He is anything like my daddy.'

"Again I shall say, our greatest concern today is not material, as important as that is, but people and their keeping close to God. Such a relationship with God can produce the integrity, the brotherly love, and genuine dependability among the peoples of the world which will make possible in the decades ahead the permanent peace we so much desire. Perhaps the 'swords may not be turned into plowshares, nor the spears into pruning hooks,' but we may turn our nuclear power and other weapons into untold blessings along the paths of abundance and peace."

Since we have used an unusual amount of quotations from the address of the Grand Master and the Grand Orator, we will quote the concluding paragraph of the Grand Master. There is so much fine material in these Proceedings that could be quoted, it is hard to select from such an abundance.

However, we quote from the following which had been taken from an address by the Grand Master of Florida.

"The time has come to close the curtain. We have learned many things and found many pearls of wisdom among the beautiful articles presented to the world by the men who are the true Masons and who have contributed much to this old world which appears to be crumbling about us. To make this world a better place in which to live it takes strong men in every walk of life. We cannot sit in idleness and hope some other man will see to it that everything is safe for us. Only the strong can make the world safe.

My Brethren, Masonry is not a one man show. We do not walk alone, we walk together with Him who 'neither slumbers nor sleeps.' If we improve Masonry it is necessary to improve ourselves and set an example that others will want to follow. Masonry grew in the past because our forefathers were strong men and who were willing to give all, if necessary, to make America strong and great.

"We shall never compromise to the belief that man is a soul-less animal and made to serve the state or a machine. We know that our concept of the state is that it was conceived to serve men and we shall conquer our Faith in the spiritual nature of man or believe that he was destined to serve a Godless state. We believe it is better and more important to conquer ourselves than it is to conquer outer space. We should, therefore, be united in our high purpose with Hope and Faith and Love and Vision and Courage, for I say to you my Brethren, there is much to be done if we are to defeat the forces of evil in our world today."

J. EDWIN LARSON, G.M. of Florida.

## RHODE ISLAND AND PROVIDENCE PLANTATIONS

Semi-Annual Communication, November 20, 1961. Annual Communication, May 21, 1962. Number of Lodges 45. Membership, March 31, 1960—19,000. Membership March 31, 1961—18,987. Net loss 13.

It is quite unusual to have the longest name attached to the smallest area covered with possibly one exception. "Occasional, Semiannual and Annual Communications of the Worshipful Grand Lodge of Free and Accepted Masons for the State of Rhode Island and Providence Plantations."

During the year they had one Semi-Annual; one Annual; and three occasional Communications (Nov. 20, 1961) at Freemason's Hall, Providence R. I.; another occasional at Lafayette Lodge No. 47 for the purpose of presenting a Charter to a newly rejuvenated Lodge on October 4, 1961; also another one on September 13, 1961 with Union Lodge No. 11, Pawtucket, R. I.

The report of the Committee on Jurisprudence commended the recommendation of the Grand Master to continue the policy of an occasional Grand Lodge in order to make it possible for all Masons in Rhode Island to attend the Grand Lodge. They also agreed that the Grand Master be given some latitude of choice in some of the appointments.

We quote the report of the Committee on Foreign Correspondence in full; Quote:

"Since our last Annual Communication we have received the usual news from around the world but only from Belgium has there been anything calling for action. There has finally been formed a group which meets our standards of regularity. We recommend that we extend recognition to and exchange representatives with the Grand Lodge of Belgium."

We also refer to the report of Masonic Youth Foundation. Quote:

"During the nine years that the Grand Lodge has actively supported a youth program and including the past four years that the Grand Lodge Masonic Youth Foundation has been operating, all endeavors have been directed towards promoting a program of cooperation between Symbolic Masonry, DeMolay, Rainbow and adult family programs in general. Much has been done to improve these co-operative relations, but there is always a need for improvement if we are to achieve the ultimate. In order to keep the Grand Lodge Masonic Youth Foundation's program at a high peak of effectiveness your committee is now in the process of making thorough study and analysis of its present organizational structure and its activity programs. One of the steps to be taken towards increased efficiency was the adoption, by the Grand Lodge Masonic Youth Foundation at a meeting held November 14, 1961, of the following:

Resolved:

That Standing Order No. 85, which provides for the establishment of the present Grand Lodge Masonic Youth Foundation be rescinded and that the Grand Master be authorized and directed to form a corporation to be known as the R. I. Masonic Youth Foundation, Inc. That the Grand Lodge continue the present fifty

cents per capita assessment for youth but that in the event the R.I. Masonic Youth Foundation, Inc., is formed, that the assessment be paid to that organization.

That these matters be referred to the Committee on Jurisprudence for consideration and their recommendations to be included in their report at the next Annual Communication of the Grand Lodge on May 21, 1962."

Distinguished officers and visitors from other Grand Jurisdictions included the following which were represented: Massachusetts, Virginia, New Jersey, Maryland, Connecticut, New Hampshire, Vermont, Delaware, District of Columbia; Maine, Nova Scotia; Masonic Service Association. The following Grand Bodies of R.I. were presented: Grand Chapter of Royal Arch; Grand Council of Royal and Select Masters; Grand Commandery of Knights Templar; Red Cross of Constantine; DeMolay; Grotto; A.A.O.N.M.S.; A.A.S.R., and last escorted by all various officers and Grand Officers forming an escort, all Past Grand Masters were escorted into the Grand Lodge. After the general reception and recognition the Grand Master presented his Annual Address.

He is very enthusiastic about the George Washington National Masonic Memorial.

In regard to the Grand Masters Conference he states:

"This year proved to be a very successful meeting, one of the best in several years in the opinion of many of those who have attended others. M.'W.'Brother Glen V. Culp, Grand Master of the Grand Lodge of Utah, the new Chairman, presided in an excellent manner. A prayer was said for the Orbit-man Glenn, and the course of his passage was followed during the proceedings.

"Our Deputy Grand Master Brother Donald F. Culton, was appointed on the Committee to make up the program for next year, which is a very important committee. R.'W.'Brother Raymond Rideout of Maine and R.'W.' Brother Jack F. Hewson, Indiana, are the other two so honored. This is not only a tribute to these men but also a tribute to the Grand Lodge they represent.

Many distinguished visitors were present from abroad.

The program covered information on recognition of the following problems:

1. What can we do to increase attendance in Lodges?

2. What can we do to increase interest of more men in Freemasonry?

3. What can we do as Masons, to give more publicity to our Craft and its activities?

"Many helpful thoughts were offered, and your Grand Master had an opportunity to bring before the meeting our experience on our first All Masonic Night.

"We learned during the meeting that the space capsule landed at 2:55 p. m. and that the nearest ship was speeding toward the site of landing. The Astronaut was picked up at 3:08 p.m. and was safe on board the Destroyer."

One of the best responses was made by the Grand Master of Maryland M.'W.'Kinsinger.

In the Proceedings there is reported a long list of activities of the Grand Master separated into months and then a daily report.

They do not have any Reviews, using the space that could be utilized for this purpose, to the purpose of printing the names of the members of each Lodge.

The 225th Annual Communication observed their usual Religious Service preliminary to the formal opening in the Gynnasium of the College of Charleston at 10:00 a. m. April 26, 1962. This was con-

ducted by the Grand Chaplain R. W. Bro. Eugene G. Beckman. The Grand Lodge of Ancient Free Masons of South Carolina convened in College of Charleston Gymnasium at 11:00 a. m. April 26, 1962.

Twenty-three distinguished guests were presented and received with honors. Our very popular Grand Secretary represented N.C. The Grand Master extended warm fraternal greetings immediately preceding the Private Grand Honors.

M. W. Brother Lawrence E. Eaton, Grand Master of Massachusetts, responded in behalf of all the visiting brethren.

The Grand Master then presented his Annual Address. He states under "State of the Craft" quote:

"Much encouragement is to be found in the continued increase in membership for the past twenty-seven years. The number of members at the end of 1935 was 17,056. This number has steadily increased until on December 31, 1961, there were 58,630 Master Masons in good standing in this Grand Lodge. The annual gain, however, has become less and less, year by year, until the present low percentage of increase has been noted.

"It is true that we may attempt to satisfy ourselves with the present conditions of the Craft in this Jurisdiction by pointing to the fact that we are one of a very few Grand Lodges showing an increase over the past year. This is almost as foolish as the poor man who had lost both lower limbs congratulating himself that he is no longer troubled with athlete's feet! The writing is on the wall for all who are too blind to read.

"It is not my intention to convey the idea that all is lost and that there is nothing to be done to stem the tide—that the end for the Fraternity is inevitable and soon. On the contrary, by facing up to the present situation there is opportunity for a greater and more useful Freemasonry than ever before. The answer lies in the channeling of our Order into a dynamic and positive organization. It must be creative, not destructive or even imitative. It must do things as well as think them. It must give instead of taking; serve rather than be served.

"It is not wrong to be proud of our great heritage. There is nothing wrong or deserving of criticism in contemplating with pride the achievements and accomplishments of Freemasonry in the past. The mistake is to rest upon the laurels of those who have gone before us. We must labor as diligently for Masonry and for the ideals of the Institution as did those whose devotion has made the glorious history of the Order, else its luster will dim and its heroic deeds be forgotten."

We listed in the Special Communication the immense number of Lodges consecrated, dedicated, constituted, Temples dedicated, Cornerstones laid and other special Communications of Grand Lodge. This is one of the finest ways to get some favorable publicity when the circumstance presents itself.

We observe that he continued the practice which he begun his first year as Grand Master, to write a personal letter to each newly raised master mason as soon as the name and address could be obtained. Since they have two years to serve, they can have opportunity to observe the benefits derived from this.

When this writer was Grand Master of North Carolina, we adopted this policy. This was 1955-56. We still get favorable comments in regard to this personal touch.

One opportunity he took advantage to put into effect was the presentation of the Albert Gallatin Mackey medal to two very close friends of mine—Past Grand Master J. Ansel Eaddy and Past Grand Master L. Wade Temple. I know of no act on his part that would give more pleasure to a majority of North Carolinians than this. They were two active, beloved, and devoted men who certainly kept the name of South Carolina continually before the Masonry of America.

A very intensive report was presented by the Committee on Masonic Education.

It has been a real pleasure to hurriedly review the proceedings of this continually progressive Grand Jurisdiction.

#### SOUTH DAKOTA—1962

88th Annual Communication, Yankton, June 12, 13, 1962. M.'W.'Geo. F. Westover, Grand Master. 168 Lodges, Members 4/30/62—19,919. Net Loss 179.

A long list of distinguished guests were presented by the P.G.M., Leonel M. Jensen, assisted by a number of other Brethren. It is fast becoming a custom to have a large number of visitors from out of the state. This is a custom that is becoming a subject of much discussion. The fraternal fellowship produces all that it was intended to do but the expense will soon be a burden to the smaller Grand Bodies, or those whose income is practically spent before the meeting. Again, only a few do most of the visiting, and the rank and file seem to have no knowledge of how money is raised and by what method the visiting representatives are selected. This is a subject worthy of a friendly discussion. Seventeen Past Grand Masters reported present, a large number of Past Masters also answered present, while 36 Grand Representatives signified their presence. They were all given the usual cordial welcome, and requested to report to their respective Grand Jurisdictions anything they deemed of any importance. We quote:

"Down in Mississippi there is an unpretentious brother by the name of C. C. Buchanan, and the Dominie would like to know more about him. In his report on Fraternal Correspondence he has dared to put into print what many of us have been thinking for a long time, but he has said it better, more forcefully, more inclusively than his South Dakota brother could, yet he has used restraint and never scolds anyone. Listen to this: 'There seems to exist among profanes a feeling or belief that membership in the Masonic fraternity marks one as a 'Moss back,' and 'old fogey,' or in modern teen-age terminology, 'A Square,' and that the organization is in the final stages of its existence, that there is nothing to be gained by seeking initiation into its mysteries. We have personally encountered this attitude in conversation with non Masons and we observe that the same thing is being found by Masons everywhere. Here, we see our policy of

self-effacement and humility working in reverse to the detriment of our Craft. How much better it might be if we would only let the world know of the many great and good works, of our interest in all things that go to make this a better world for ourselves and our neighbors—Mason and non mason alike. The establishment of a reasonable and workable system of public relations in keeping with the dignity of the organization is claiming the attention of many Masonic leaders.

"The Dominie can testify to the truth of this statement. A well respected and highly regarded head of one of the departments of the University of South Dakota thought it a matter for light-hearted amusement when he read in his newspaper that a friend of his is known in certain Masonic circles as 'Sir Knight'. Admitting that such absurd titles should not be used publicly, the fact remains that this learned man has no inkling of the associations that cluster around the redundant title, nor has he ever considered what might be lost if we scrapped all our courtesy titles in all Masonic bodies.

"Then again this man along with many others is totally ignorant of how some of the movements of which he approves came into being because of Masonry. This very University of which he is so proud, owes much to the work of a pioneer citizen of another town who became that 'laughable' character, a Past Grand Master. He is blissfully ignorant of the services performed in his favorite Church by Masons he admires and respects. He has no idea how many of his co-workers at the University are active to some degree in one or more of the bodies of Masonry. He is completely unaware that the Grand Lodge of South Dakota acts as a clearing house for the distribution of charity funds amounting to \$23,355.00 in 1961. He has no notion that a disproportionate number of Masons in his own community as well as in the state are giving of their time and talent to the furtherance of government, education, cultural and artistic affairs, youth programs, church work, benevolence, and other matters which should be of interest to Mason and non-Mason alike. He is not in possession of information concerning the part played by Masonry in the Revolution or the Civil War, and he has never heard of the Masonic Service Association and its work in Veterans Administration Hospitals. He is unaware of our interest in such fields as Demetia Praecox, Student Aid, Eye Saving, and he assumes that a certain charity within his own state is supported wholly by voluntary contributions from all and sundry, without being aware that its Board of Directors is mostly Masonic, and the contributions from the 168 Lodges of the State is a substantial part of its income. He assumes when a man does a piece of kindly service that he is motivated by pure humanitarian principles without giving a thought to the influence which awakened this humanitarianism. The Dominie knows of a Lodge which educated the son of one of its members after he went to the penitentiary, aided his wife in many little ways, but expelled the member, only to reinstate him after he redeemed himself. Masons do not talk about such matters very much, and men such as this University professor are not at all curious about the bond which ties us to each other, even when we do not have much in common, Masonry apart, with the brother we help."

Brother Buchanan speaks about another matter which affects us adversely: the growing belief among churchmen that Masonry is in

competition with the church. It cannot be denied that lodges are sometimes thoughtless in this regard. A minister friend is feuding with the Lodge of which he is a member because they arranged a very special communication to confer two 50 year awards, receive important Masonic dignitaries and do a few important things on Maundy Thursday. He was conducting Communion Service for all members of his church that night, but most of the men went to the Masonic Temple instead.

"The Scottish Rite does observe Maundy Thursday and at least one Consistory has insured maximum attendance by holding this observance simultaneously in various towns scattered around the area from which it draws its membership. There is very little doubt that this does affect Church attendance of men in most of the towns affected, but in the main the men who are absent from Church on Maundy Thursday would not be likely to attend the Church Service that night even if the conflict should be resolved. Being a realist (he hopes) the Dominie goes to the Masonic Temple on Maundy Thursday and conducts his Church on Friday.

"Some churches used to complain about the Knights Templar Easter parade, but without intending to do so the result of making the uniform optional has been to eliminate the Easter Services of the Commandery, and in most localities it has become the custom for the Commander to advise his members to attend the church of his choice. Nothing the Dominie can think of could be less effective than this bit of advice.

"All in all Masonry is being blamed for conditions which would not be remedied by closing the Lodges and other Masonic bodies. Churches are not aware of the fact that Masonry does them more good than harm in that the sincere Mason, trying to put his masonry to work, frequently knocks on the door of the Church. Incidentally, some of our churches should be told to search the Great Light and discover that the ONE in whose name the Church exists was not as critical of the good works of those who did not follow him as some of his modern followers are. It will take only a second or two to verify this by turning to Luke 9:49-50. If any brother should complain about reference to bodies outside Ancient Craft Masonry, let it be stated for his benefit that Masonry is all one in the eyes of those who stand before the Temple—opposition to Masonry is of varied kinds and what has been said so far does not cover all of them."

#### VERMONT—1962

169th Annual Communication, Burlington, Vt. June 13-14, 1962. M.: W.:N. Dean Rowe, Grand Master. 103 Lodges. 17,781 Members, 4/30/62. Net Loss 173.

We could do no better in beginning a Review of the activities of this administration than by quoting the beginning of the Grand Master's Address:

"Brethren of the Grand Lodge of Vermont: On the occasion of the 169th Annual Communication of the Grand Lodge of Vermont, your Grand Master extends to you all a sincere welcome. This welcome extends to the guests who have come from other Jurisdictions to be with us during our Annual Meeting.

"Expression of gratitude goes out to the Grand Architect of the Universe for bringing us to this occasion in this joyous month of June. The winter snows have finally gone their usual way, and all new life springs forth in its abundance and prophetic message to us, that whereas last fall it seemed as though all life had disappeared, yet the promise of eternal spring bestirs our confidence and strengthens our faith in the ultimate promises of the great God above. A prayer poem which has aided me through the years comes to mind:

"God make me brave for life, Or, braver than this!  
 Let me straighten after pain as a tree straightens  
 after the rain, Shining and lovely again.  
 God make me brave for life, Much braver than this!  
 As the blown grass lifts, let me rise From sorrow  
 with quiet eyes, Knowing Thy way is wise. God, make  
 me brave! Life brings such blinding things, help me  
 to keep my sight, Help me to see aright That out of the  
 dark comes light."

"This is the Grand Master's valedictory address to you, the members of Grand Lodge, and our guests. A summary report of the activities of your Grand Master is going to be found in this report, but few of them will actually be delineated for you to hear this morning. I feel again this year that the report of my stewardship should actually be a report by you of the work which I have tried to do during the past two years.

"I have learned one great lesson during my two years of office, and that is that 'heaven is not reached by a single bound, we build a ladder by which we rise.' In other words, patience is required for any leader to start a program, and he must resist the impatience as he works for the completion of the program.

"One would shrink from the first birth if he knew into what sort of world he was going to be born, but he doesn't know. Thus, the next world is not shown to him before, either. Both are plunges into the dark—the unknown.

"When man conceives of himself as a man of a day, that is, of short duration, he can achieve nothing, discover nothing, improve nothing. **TOO LITTLE TIME.** But where he feels that the eternal years are for him to expand continually, then he can develop and become forever greater. **GOD PROMISES US ALL ETERNITY TO DO THINGS IN!"**

"After the winter, the springtime.  
 After the coldness, the sun.  
 After the silence, the sweet sound of birds.  
 The newness of life has begun.  
 I cannot find death nor destruction  
 In aught that the Master has made.  
 Then springtime and summer, and autumn,  
 The winter—the rest time—afraid  
 Of the silence, the cold?  
 If the lily bulb never knew darkness,  
 The blossom would never unfold."

In his first year, the Grand Master initiated the following:

- (1.) The Grand Lodge family picnic.
- (2.) A variation in our District meetings
- (3.) Promoting additional schools of instruction
- (4.) Reactivating the Past Masters Associations.

For 1963 he promotes an 8 point program:

- (1.) Sell the sponsor system.
- (2.) At least one DeMolay Chapter in every Masonic District.
- (3.) Booster nights in every Lodge.
- (4.) District Deputy news sheets four times yearly, at least.
- (5.) A District Trestle Board among the Lodges of the District.
- (6.) Clean up, paint up.
- (7.) No suspension for N.P.D. or Demits until visited or contacted by some member of the Lodge.
- (8.) Each District Deputy appoints a District Chaplain.

This brought forth a very profitable and interesting series of discussions.

They have no Reviews, but carry a complete list of each Lodge. Which costs the most to print? Which is worth the most? A wonderful address.

#### VIRGINIA—1962

184th Annual Communication, Richmond, Va. Feb. 13-15, 1962 M.:  
W. Edmund Carroll Glover, Grand Master. 314 Lodges. 70,098—  
Membership 12/31/61. Net Gain 495.

Virginia is one of the Grand Jurisdictions that you always want to visit, because it is a State of Progress. We quote from Virginia:

"The Sixth Annual meeting of the Northeast Conference on Masonic Education and Libraries convened in Richmond on June 23rd and 24th. This Conference embraces the States of Virginia, Maryland, Pennsylvania, Delaware, New Jersey, New York, Connecticut, Rhode Island, Vermont, New Hampshire, Massachusetts, Maine and the District of Columbia. Brethren attended from Grand Lodges of most of the States enumerated, and we had visitors from Ohio, Quebec and North Carolina.

"One of the interesting highlights of this meeting was a summation of the progress made in Masonic Education by the representatives of the various Grand Lodges. We conclude, after hearing these reports, that our own progress has kept pace with that of our neighbors. Our Committee on Masonic Information, Research and Publications has produced some excellent Manuals and tracts, which are receiving wide recognition among the Lodges of the United States.

"As a part of the program for this Conference, an evening meeting was held in the historic Lodge Room at 19th and Franklin, through the courtesy of Richmond Randolph Lodge No. 19. At this meeting, Brother Allen E. Roberts and members of a sub-committee selected by him produced an historical play, LAFAYETTE VISITS THE MASONSON OF RICHMOND. Brother Roberts wrote this play and deserves much credit for the research which was done by him in order that it might be produced.

"We also produced a modified version of THE LODGE OF CONFUSION, which was done by the brethren of the 22nd Masonic District. This brought many compliments to the brethren who staged this workshop, and we have received a number of requests from other Grand Loges for the script."

And from his Conclusion, we quote:

"The Grand Master of Masons in Virginia rules and governs the Craft for one brief year, usually without full preparation. I accepted the office and the honor which my brethren bestowed upon me, and with it, I also accepted the responsibilities. All of the decisions which have been made are my own. However, I tried to consider other points of view and to take counsel from those who possessed greater experience and more information. I acknowledge with gratitude the help of the Past Grand Masters and Grand Lodge Officers, to whom I have turned on many occasions during the year for advice and assistance.

"In a brief length of time, I shall deliver the emblem of authority of the Grand Master of Masons to a worthy brother. I know that he will occupy this office and serve you with dignity and enthusiasm. I bespeak for him the same loyal support and generous cooperation which you have given me this year. I could not ask for more, and I would not expect that you would give any less.

"The incoming Grand Master has confided some of the plans which he has in mind for the coming year, especially as these relate to the supervision of the Craft throughout the State. This seems to be a wise move and one which is perhaps overdue. I am sure that he will divulge his plans for these changes before the Grand Lodge closes, and knowing that you are familiar with the conditions under which your Grand Masters have worked for many years. I trust that you will accord him a full measure of support in this endeavor.

"I sincerely believe that our troubled world needs men of courage, men of character and men of integrity. As I look into your faces, I see these traits stamped indelibly upon them. Freemasonry, as each of you are well aware, teaches these qualities and extols these virtues. Let us here and now, in this hall where we are surrounded by so great a cloud of witnesses, highly resolved to re-dedicate our lives to the high principles and give active service to the wonderful lessons we have learned around the Altars of Immortal Lodges. Let us remember the words of Albert Pike: 'What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal.'

"One of the greatest joys and the source of much happiness in my life is the wonderful friendship of fine folks just like you. I will always think of the very fine year of my life in which I have been privileged to serve you as I reflect on these lines:

"The heart of a friend never wanders or doubts,

No matter if years intervene;

The old faith is there, and naught can compare

With the comfort it gives, though unseen.

Yes, the heart of a friend is the one thing I prize

As life lengthens and twilight descends;

It's the last boon I'll ask, when I finish my task

That I live in the hearts of my friends."

"May the richest blessings of Almighty God abide with you and yours always."

(EDMUND C. GLOVER, JR., Grand Master)

A wonderful administration, a wonderful Grand Master.

He is definitely an advocate of Masonic Education.

#### WEST VIRGINIA—1962

99th Annual Communication, Charleston, W. Va. Oct. 10, 11, 1962  
M.:W.:Samuel Glenn Wygal, Grand Master. No. Lodges 164,  
Membership, June 3, 1962, 48,630. Net Loss 84.

The Grand Master became involved in an automobile accident at the beginning of his year which temporarily limited the extent of his activities, but stated it would have been impossible to visit all the places to which he had been invited. He expressed his regrets in not being able to comply with all the requests for an official visit.

He participated in 3 Masonic funerals, officiated in the ceremony of laying 3 Cornerstones and convened the Grand Lodge once for the purpose of dedicating a New Lodge Hall of Jewell Lodge No. 140 in Crum, W. Va.

It was very interesting to review the Dispensations, Edicts, Opinions and Decisions he made during the year.

He also discussed the large number of 50 year service awards, the Masonic Home, Schools of Instruction, their approaching 100th anniversary, Membership in which he says he cannot be unconcerned about, the fact that their Grand Lodge showed a small loss of 84.

The incoming Grand Master M.:W.:William J. Maier, Jr., outlined the Program which he hoped to follow during the year. We quote a few of his objectives.

"My Brethren, first I would like to express to you my appreciation for the confidence you have shown in me by electing me as your Grand Master. I am particularly grateful to the Past Masters of Kanawha 20 and Charleston 153 for participating in the ancient ceremony prescribed in our text book for the installation of Grand Masters. Now, I would be less than sincere if I didn't tell you that prior to this Communication I had been informed that my name would be placed in nomination for the office of Grand Master and consequently I have given the duties of the office considerable thought.

"In a political democracy candidates make a great many promises before they are nominated and elected and frequently they do not perform. While we have had a strong leaven of democratic influence in American Freemasonry, our form of government still retains many of its ancient hierarchical characteristics. Consequently we elect a Grand Master frequently without knowing what he intends to do. Having been installed as your Grand Master, I think it is only fair to tell you some of the things I hope to accomplish this year.

"As a preface, I would like to say this regarding the appointments. One of the most important powers vested in the Grand Master by our Constitution is the power to appoint subordinate officers, members of committees, and so forth. I want you to know that the appointments which I have made have been made, to the best of my judgment, solely on the basis of the best interests of this Grand Lodge and the

Craft in W. Virginia. No consideration of friendship has been involved. Unfortunately many of our Past Grand Masters are already over worked. Past Grand Master Griffin has his hands full with the Centennial Committee work. Past Grand Master Berg has his Committee on Work. Past Grand Master Roberts has his Masonic Home. Past Grand Master Nelson Cook has the Committee on Finance. I might go through the list and point out that many of them are already giving more time and effort to Masonic affairs than can rightly be asked of them. In every case I have attempted to appoint men who I hope will eventually make some contribution to Freemasonry in West Virginia.

"The second objective I have, which I feel is my duty to work on is the matter of the assets of the Grand Lodge. The largest financial property asset of this Grand Lodge, of course, is the Masonic Home. For the past two years, I have been serving ex officio on the Board of Governors of the Masonic Home, and I can assure you that it is now in extremely able hands, well administered, honestly conducted and operating solely for the benefit of the residents in the home. The work done there by Past Grand Masters Roberts, Ahrens, Garrison, Sheets and others deserves much more mention and commendation than it ordinarily receives. Also, I can assure you that Brother Emmerth, as superintendent of the Home, is a dedicated Mason, and a dedicated man.

"I also hope with the assistance of other members of the Craft, to begin to work out some program for the Centennial Year. That is only a short time away, as time flies, and unless we make preparations well in advance, we cannot complete the job that is worthy of the Craft here in West Virginia.

"I also hope to have some study made on the advisability of changing the days for holding of our Annual Communication. This would require a Constitutional Amendment and I would be glad to have any opinions the Craft may have on the subject.

"I understand these things may appear to add up to an extremely ambitious program. I know that it is not possible for any one person to make any large contribution to Freemasonry. Freemasonry, as we have it today, is, you might say, the detritus of seven thousand years of the stone cutter's art. It takes the work of many Masons to produce more Masonry.

"I therefore summon all of you to a great crusade for the improvement of Freemasonry in our State and Nation. The world has fallen on perilous times. Never in the history of Earth has the application of Masonic principles been as necessary, as important, as the present time. We must not be dismayed by the numbers which are arrayed against us, because history shows that one man clad in the armor of a righteous cause can overcome all the hosts of evil. Let us then unfurl the banners of our Ancient Craft, and with the flags and pennants of our History flying, the trumpet notes of our Law resounding, and the drums of our Ritual rolling, let us march forward into a new age of Masonic accomplishment.

"I know I am only one of forty-nine thousand Masons in West Virginia, but I will march with you in the ranks, and I pledge to you that as your Grand Master I will spare neither time, energy nor my

own private purse to advance the great purposes for which our institution stands. But, as I say, I am only one in forty-nine thousand. I know that without your help I cannot hope to succeed. I believe that with your help and with the help of HIM in whom we put our trust, we cannot fail."
